## ABOUT US

---

Led by Mr. Sanjaykumar Patel, one of the top 100 IP Leaders of India as recognized by World IP Forum in 2018.

Excelon IP is a full-service Intellectual Property Right (IPR) service provider, guiding clients ranging from early-stage start-ups to MNCs across several industries in protecting their intellectual property in India and across the globe. Established with our intellectual capital in the field of IP rights, we are a one-stop solution for all IP related matters.

We are a team of attorneys, analysts, chemists, pharmacists and engineers that try to make your IP Protection process smooth & value driven with clarity & transparency.

The winning combination of our knowledge and passion to protect your innovation will lead to excellence in your business through your innovation & our IP Strategy.

## VISION

### *Nurture Intellectual Brains & Build Innovative Nation*

We believe that intellect should get respect as well as rewards. Our main focus is to provide accelerated growth of clients through our expertise and our collaboration with multidisciplinary stakeholders/agencies.

## MISSION

### *To Deliver Service Beyond Just IP Filing Process*

We are committed to providing a holistic solution that goes beyond just IP filing process through our passion to see clients grow.

**10+**

**YEARS  
JOURNEY OF  
EXCELLENCE**

*Protecting Innovation is our Passion*

## **NOVELTY** STRATEGY MATTERS

Every business is different and so the strategy. We first go in-depth to understand the client's business, product/service, vision, mission. short term and long term goal & then only we start adding our intellectuals.

## **INVENTIVE STEP** FOCUSED APPROACH

We define and curate a customized IP Strategy with transparency as per Client need. We propose the best IP strategy as per client requirement and take their feedback after implementation to make it better.

## **UTILITY** HAPPY ENDING

Client satisfaction is our profit & we are growing exponentially based on this principle.
