Korea Arlico Pharm

Global Health Partner for your Long&Healthy Life

Global Health

Partner for your Long & Healthy Life

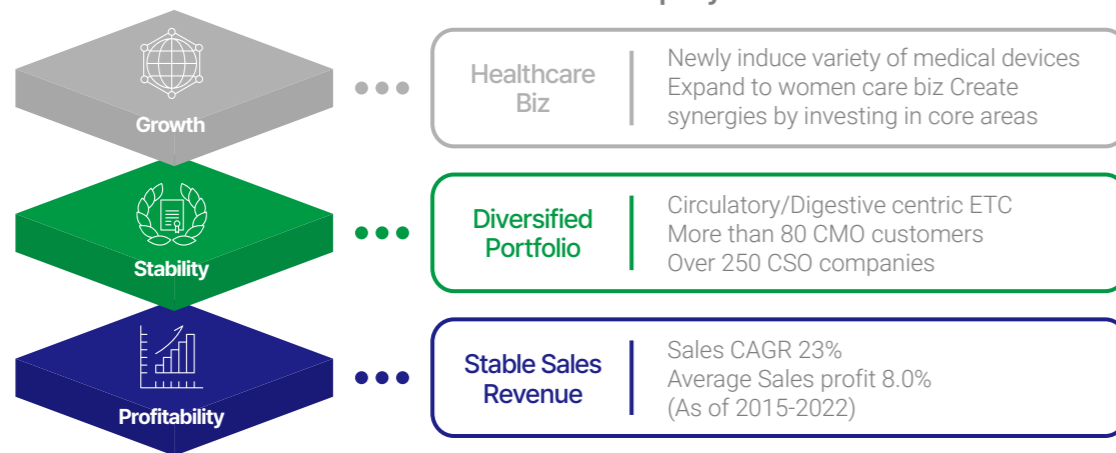

Korea Arlico Pharm, our story begins with one passionate salesman's brave decision to merge the pharma company he joined. Arlico successfully overcame tons of obstacles 'Together' for 30 years of journey and became one of 50 major pharma companies in Korea, listed at KOSDAQ in 2018.

Our sales networks & sales power nationwide made the consistent annual sales growth showing the average growth rate up to 23% from 2015 to 2022.

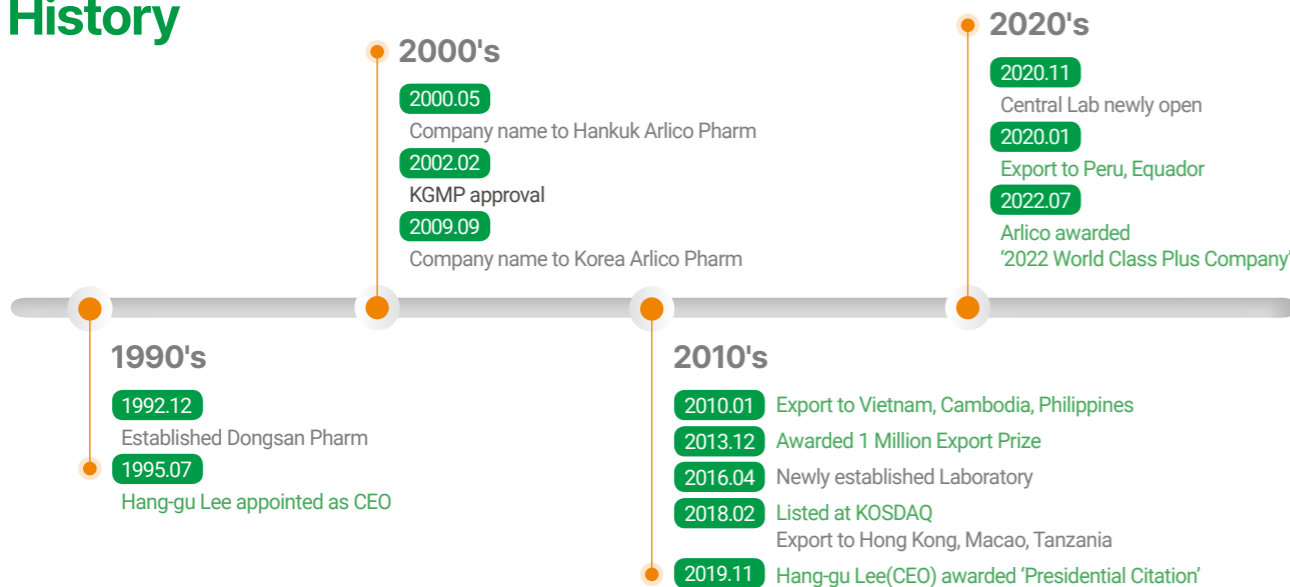

CMO specialized business of generic pharmaceuticals at PIC/S GMP facility, Arlico became one of the most reliable pharma manufacturer in Korea. The aggressive investment to R&D for new and specialized pharmaceuticals strengthened the capability to create the new business area which led to big leap to top-ranking company.

Not a long story, but we have been doing our best efforts to meet customers' needs through various channels in the global market and made the stable and gradual sales growth in Asia and currently expanding our market to CIS, Middle East, South America and Africa.

Inner Su is good for

- Vaginal cleaning**: Cleansing gel combines with residual blood and secretions attached to the vaginal wall and discharged from vagina
- Maintaining a wet state**: Preserves moisture inside the vagina and reduces evaporation of moisture supplied from the outside
- Keeping pH balance**: Contains lactic acid to keep the vagina sub-acid (pH 4.0~5.0)
- Self-purification**: It helps the woman's body recover from self-purification

Feel healthier and refresh with **INNER SU**
By directly applying its cleansing gel of pH 4.2~4.8 to vagina

INNER SU is ...

| | |
|-----------------------|--|
| Product | Inner SU Vaginal Cleanser (Inner水) |
| Description | Vaginal 'Moist' Cleanser •Easy to carry with disposable packaging •Water-soluble cleansing gel for using without water •Vaginal cleansing / Sub-acidic (pH 4.0~5.0) / Maintaining a wet state / Self-purification |
| Classification | Medical device class II approved in Korea (MFDS) |
| Ingredients | Hyaluronic acid, Lactic acid |
| Form | Hygienic disposable pre-filled applicator |
| How to Use | Apply to vagina to Supply cleansing solution |
| Packing Unit | 2 pieces, 8 pieces |
