Explore our services and let our dynamic team drive your progress today.

Our History

Decades of Dedication to Healthcare Excellence

With over a decade of expertise in healthcare management, regulatory compliance, and industry development, our journey has been marked by growth and dedication.

Our vision is to continually expand our product range and distribution network, ensuring the availability of high-quality pharmaceuticals and facilitating the access of international businesses to the Vietnamese market.

Our Value

— Vision

Leading in healthcare by providing top-quality pharmaceuticals, innovative solutions, and exceptional customer care, redefining the industry in Vietnam.

— Mission

Committed to elevating healthcare standards in Vietnam through safe, innovative, and ethical medical solutions for the well-being of our community.

Our Service

— Comprehensive Solutions for Your Pharma Needs

We simplify the process for businesses to access a diverse array of pharmaceutical solutions within Vietnam's dynamic and innovative market.

Whether your business has specific pharmaceutical requirements or seeks a reliable partner, Amicare is your ideal pharmaceutical ally.
