

FINECURE

PHARMACEUTICALS LTD.

Making Lives Healthier

ABOUT US

Finecure Pharmaceuticals Ltd. has evolved into a leading Pharmaceutical and Nutraceutical manufacturer with strong global foot-prints, having people at the core of its strategy, dedicated to the mission of “Making Lives Healthier.” We forayed into healthcare with a mission to transform the lives of each being through innovation in healthcare, and manufacturing of quality pharmaceutical products with affordability. With our dedicated team of 1000+ employees and state-of-the-art manufacturing facilities which are USFDA registered and GMP certified, we have established leadership in key therapeutic segments like Antibiotics, Anti-Diabetics, Cardiovascular, Gastrointestinal and OTC products.

VISION

The Finecure family is envisioned to serve the world with quality medicaments with affordability, spread happiness and smiles and to become a globally recognized healthcare company. Our journey from our origin until today is the substantiation of our efforts and continuous strive to fulfil the vision of **'Making Lives Healthier'**.

MISSION

Our mission is to provide safe, effective, qualitative and science-based medicaments and to be recognized as a brand connected for life with a touch of care. We strive to deliver outcomes that would benefit the medical community and human health around the globe by addressing unmet medical needs. The very basis of Finecure's existence stems from its desire of **“Making Lives Healthier”**

VALUES

We believe in the integrity of work and manufacturing our products ethically. We strongly value and continually practice good corporate governance which is evidenced by our tenets of transparency, professionalism, dependability and accountability. We also believe in openness to innovation and follow best practices of labour standards, health and safety, compliance with environmental regulations and business ethics. The principles at Finecure are our spine for growth empowering us to achieve our aim of **“Making Lives Healthier”**

KEY STRENGTHS AND HIGHLIGHTS

State-of-the-art Manufacturing facilities:

- Three units located at Utrakhand
- Two units located at Gujarat

Class Manufacturing with:

- Latest Manufacturing Technology
- Stringent Quality Norms

Our Annual Production Capacity:

- 4000 Million Tablets
- 3000 Million Capsules
- 2500 Tonne Powder
- 30 Million Dry Syrup
- 30 Million Ointments

Expertise in research areas like Formulation Development and Drug Delivery System.

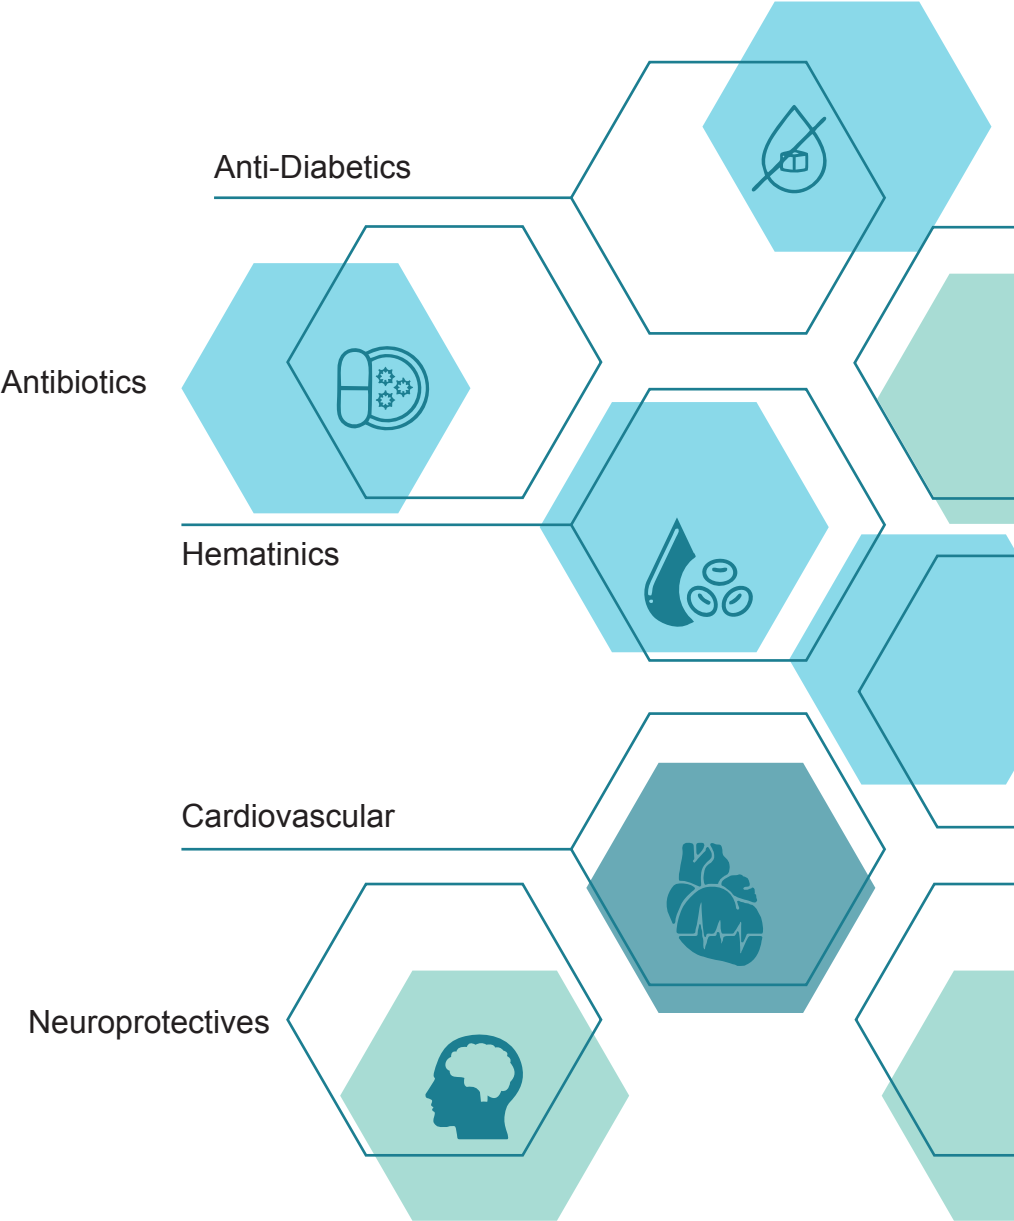

Widespread Market Reach with our products:

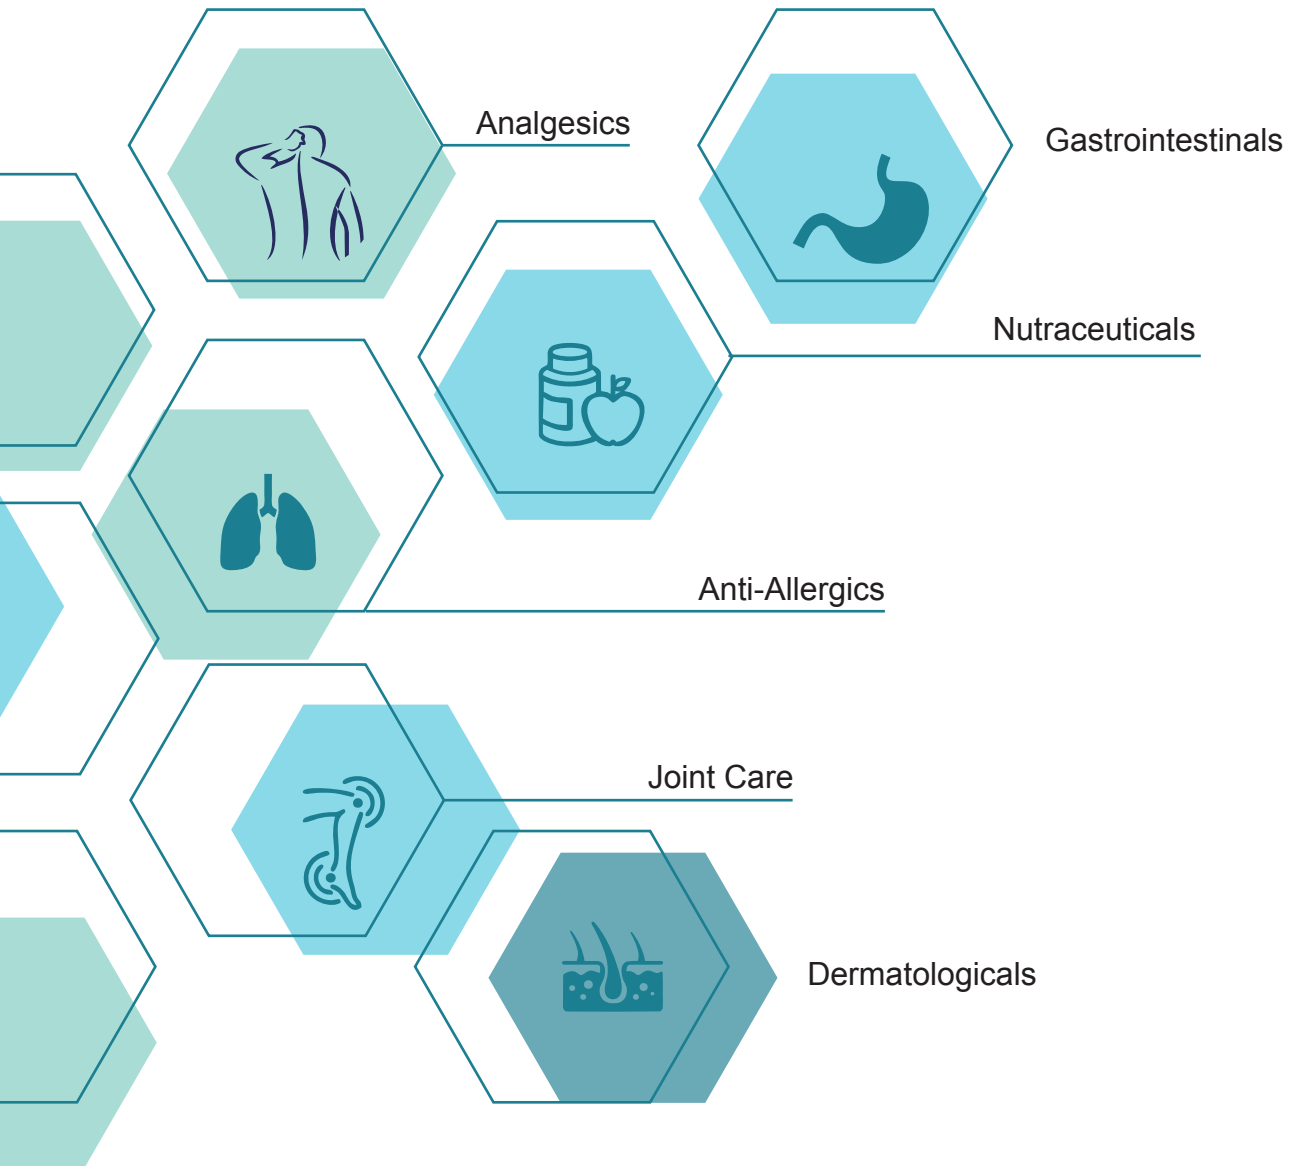

- Reaching approximately 80000 Pharmacies and Retailers
- Being recommended and prescribed by over 50000 Practitioners and Doctors

Strong presence in USA, South East Asia, Latin America, Africa and emerging markets with over 100 Products registered Internationally.
