About Our Company

Brief Story About The Establishment of Hanoi CPC1

On August 5, 2009, CPC1 Hanoi Pharmaceutical Joint Stock Company was established at 356A, Giai Phong, Thanh Xuan, Hanoi. Our ambition was building a pharmaceutical factory and applying the most advanced technology and production.

In 2013, After 4 years of investment and construction projects, the factory of CPC1 Hanoi pharmaceutical factory was finally put into operation in 2013. Our factory located in Ha Binh Phuong industrial cluster, Van Binh commune, Thuong Tin district, Hanoi on a large area of 30000 m² with an investment of nearly 300 VND billion.

In 2014, the factory was certified to meet WHO-GMP, GSP, GDP standards for good medicine manufacturing, preservation and distribution practices. This is an initial success, marked by the Ministry of Health fully recognized VN standards as well as international. To become a few of GMP injections manufacturing in Vietnam is extremely rigorous with state-of-the-art BFS line is appraised by FDA.
