 **Mash Premiere**
For Pharmaceutical Industry

MASH PREMIERE

PHARMACEUTICAL PRODUCTS

2 0 1 8

Our Vision

We will strengthen our position as a leading pharmaceutical and high tech company not only in the Egyptian market but also worldwide to provide patients with "A Cure For Every Disease" and to become one of the top 10 leading pharmaceutical companies by 2021.

Our Mission

- We will be striving to benchmark against competitors in satisfying our customers
- To be providing health care professionals with high quality medications in a cost effective manner.
- We are constantly help our employees to develop their career and maintain their work-life balance in a way that help them and their families to feel secure with a sense of ownership.
- Moreover, we are committed to fill most of the therapeutic gaps in the market.

Our Story:

Since 1986 Mash Pharma Had Been Found Serving Customers In Derma – Cosmetic & Personal Care Sector.

At 2006 We Directed Our Efforts towards Pharmaceutical Field Stating With 15 Products Manufactured At Our New Facility.

Starting From 2011 We Started New Area In Pharmaceutical Market Building Commercial Business Units For {CNS Central Nervous System. – Urology Products}.

Adding on 2012, Three New Business Units: {GIT Gastrointestinal Tract – Antibiotics – Dermatology and OTC Drugs Over The Counter Drugs}.

In order To Cover Patient & Market Needs

We Decided To Construct Our Second Facility Biomed for solid cephalosporin Antibiotics manufacturing.

2014/2015 was our leap in the market by launching 42 new products in the generic Pharmaceutical Market

2016 Expanded Coverage Over Many Therapeutic Areas , With Special Focus on Chronic Disease Medications. On 2017 we Started Constructing “ Mash Tech ”our Third Facility On 4000 m2 That Contains a Dedicated Area For Oncology Products

In Addition To New Expansion In Biomed Production Lines For Semisolid Preparations To Catch Up With Our Growing Dermatology Portfolio and started to add a Dedicated Area For sterile cephalosporin Antibiotics To Be Launched Next Year 2018 Mash premiere according to IMS is

ranked as 25 in the second quarter of 2018 out of 844 from national & international pharmaceutical companies this is just the beginning.

We reach now more than 180 registered and marketed products and more than 240 in our pipeline

Mash Premiere is the fastest growing pharmaceutical company in the MENA region.

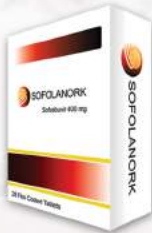

Proud To Be Honored By WHO (World Health Organization) For Our Unique Contribution In Hepatitis C Eradication Campaigns And Screening Of Undiagnosed Patients Which Helped In Curing About 1.5 Million Patients In Egypt

Quality

Undeniable Level Of Quality Is Our Main Target Using Advanced, Validated Testing Equipment's To Guarantee The Quality Of Our Products Sticking To GLP Good Laboratory Practice Research & Development Teams Follow The Most Advanced Schemes In Innovators Reverse Engineering Reaching Similarity In Rate And Extent With Brand Products. R&D team Capabilities Have Expanded Our Range of Excellence Not Only To Tablets, Capsules, Liquids, Ointments and Creams but Also to a Wider Range of New Effective Dosage Forms That Improves Patient Compliance.

Antiviral

Name	Generic name	Brand name	Treatment	Packing
Sofolanork F.C.T	Sofosbuvir 400 mg	Sovaldi	chronic HCV infected patients Duration therapy is 12 weeks
