

# BACIPRO

GUT FRIENDLY REMEDY FOR DIARRHEA

Clinically backed probiotic supplement for the safe and effective management of antibiotic-associated diarrhea in adults and children

Diarrheal diseases account for 1 in 9 child mortality worldwide

BACIPRO contains *Bacillus clausii* UBBC-07, a friendly probiotic bacterium that plays a notable role in protecting the intestine against infections.

- It is a poly antibiotic resistant strain and can withstand stomach acid.
- *Bacillus clausii* UBBC-07 effectively colonizes in the gut.

## CAUSES

Diarrhea is an alarm of poor gut health. It is often caused by

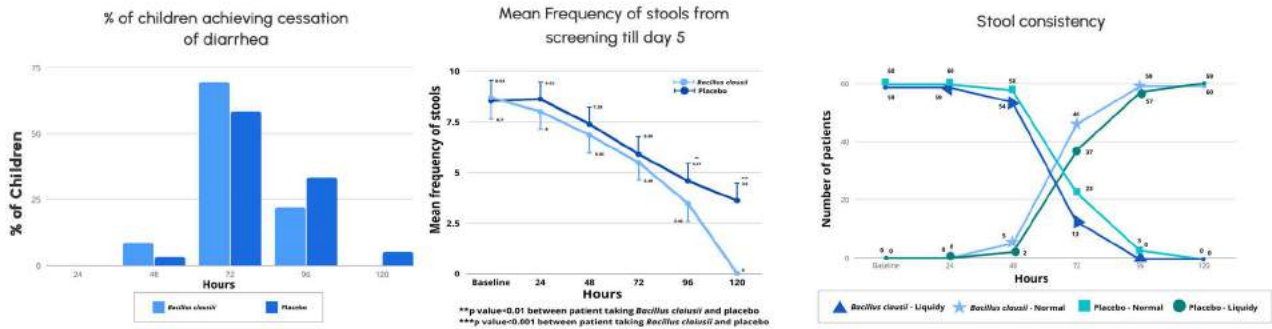

- Acute intestinal infections
- Food intolerance
- Antibiotic treatment
- Travelling
- Psychological and physiological stress

## USAGES AND BENEFITS

- Reduces diarrhea, abdominal pain and flatulence
- Improves stool consistency
- Restores normal bowel function
- Replenishes natural gut flora
- Easy to use and travel friendly

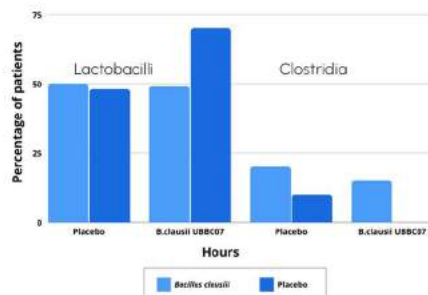

## CLINICAL STUDIES

### ACUTE DIARRHEA IN CHILDREN

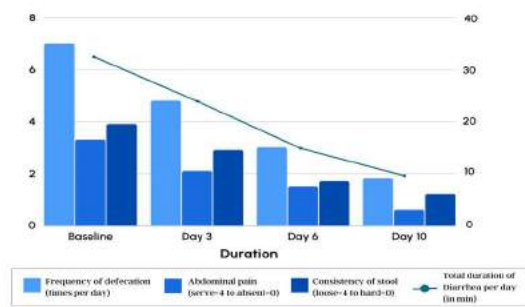

*Bacillus clausii* UBBC-07 significantly reduced defecation frequency, duration of diarrhea and improved stool consistency in children.

### IBD IN ADULTS - MODULATION OF GUT BACTERIA

*Bacillus clausii* UBBC-07 was able to modulate the gut microbiota by enhancing the presence of beneficial lactobacilli and reducing pathogen genera *Clostridia*.

### ACUTE DIARRHEA IN ADULTS

BACIPRO significantly reduced defecation frequency, abnormal pain, duration of diarrhea and improved stool consistency in adults

### COMPOSITION

Each oral suspension mini bottle contains:  
*Bacillus clausii* UBBC-07 - 2 billion cfu

### DOSAGE

Children 1-2 mini bottles a day  
 Adults: 2-3 mini bottles a day

Available in different dosage forms- Capsules and Sachets

## BACIPRO COMBINATIONS

NAME	COMPOSITIONS	BENEFITS
BACIPRO -DS	Each 5ml mini bottle/capsule/sachet contains: Bacillus clausii UBBC-07 - 4 billion cfu	<ul style="list-style-type: none"> <li>· Reduces diarrhea and abdominal pain</li> <li>· Improves stool consistency</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> <li>· Easy to use and travel friendly</li> </ul>
BACIPRO with FOS	Each 5 ml mini bottle contains: Bacillus clausii UBBC-07 - 2 billion cfu Fructo Oligosaccharide - 1 gm	<ul style="list-style-type: none"> <li>· Provides gentle relief from constipation and its associated symptoms</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> </ul>
BACIPRO with Lactitol	Each oral suspension mini bottle contains: Bacillus clausii UBBC-07 - 2 billion cfu Lactitol - 10 gm	<ul style="list-style-type: none"> <li>· Provides gentle relief from constipation and its associated symptoms</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> <li>· Easy to use and travel friendly</li> </ul>
BACIPRO with Zinc	Each oral suspension mini bottle contains: Bacillus clausii UBBC-07 - 2 billion cfu Zinc as Zinc lactate - 5 mg (Sweet orange & strawberry flavor)	<ul style="list-style-type: none"> <li>· Helps reduce diarrhea and supports normal immune system function</li> <li>· Reduces diarrhea and abdominal pain</li> <li>· Improves stool consistency</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> <li>· Easy to use and travel friendly</li> </ul>
BACIPRO with Vitamin B6	Each 5 ml mini bottle contains Bacillus clausii UBBC-07 - 2 billion cfu Vitamin B6 - 0.85 mg	<ul style="list-style-type: none"> <li>· Helps with normal metabolism, production of normal red blood cells and keeping cells healthy</li> <li>· Reduces diarrhea and abdominal pain</li> <li>· Improves stool consistency</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> <li>· Easy to use and travel friendly</li> </ul>
BACIPRO with Vitamin D3	Each 5 ml mini bottle contains Bacillus clausii UBBC-07 - 2 billion cfu Nano vitamin D3 - 400 IU	<ul style="list-style-type: none"> <li>· Promotes bone health</li> <li>· Reduces diarrhea and abdominal pain</li> <li>· Improves stool consistency</li> <li>· Replenishes natural gut flora</li> <li>· Restores normal bowel function</li> <li>· Easy to use and travel friendly</li> </ul>
