

VITAGEN

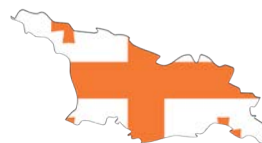

EXPERT IN VITAMIN THERAPY

OUR JOURNEY

STARTED OUR PHARMACEUTICAL
BUSINESS 20 YEARS AGO.
WE ARE NOW A GLOBAL COMPANY
WITH OFFICES IN DUBAI, TEXAS,
LONDON, ODESSA, NEW DELHI,
ASTANA, TBILISI

INDIA

GEORGIA

KAZAHSTAN

UNITED KINGDOM

UNITED ARAB EMIRATES

UNITED STATES

UKRAINE

OUR COMPANY

A PHARMACEUTICAL GROUP OF COMPANIES SPECIALIZED IN **MANUFACTURING, DISTRIBUTION AND MARKETING** OF MEDICINAL PRODUCTS, FOOD SUPPLEMENTS AND COSMETICS.

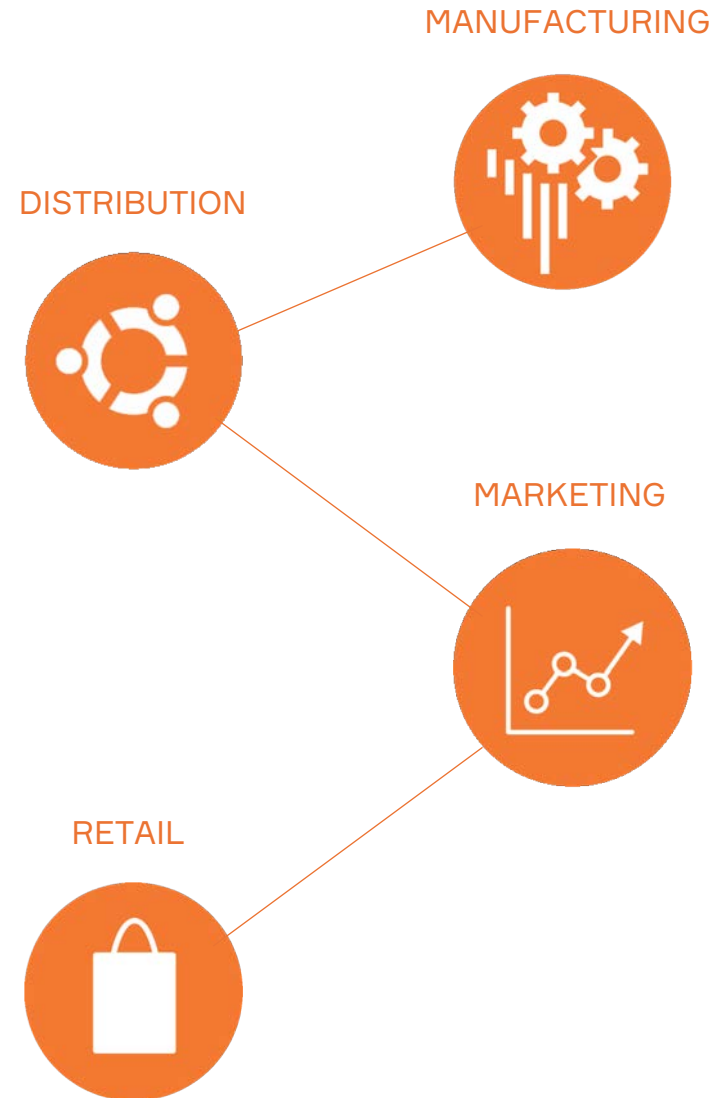

20 YEARS

17 OWN BRANDS

150 PHARMACIES

32 COUNTRIES COVERAGE

16,000 SQ M MANUFACTURING AREA

USA NUTRACEUTICAL SUPPLEMENTS

OUR PRODUCT

THE PRODUCT IS DEVELOPED IN **USA** USING A
GEOGRAPHIC -BASED APPROACH WITH SCIENTIFIC
KNOWLEDGE AND UNDERSTANDING OF THE BIOCHEMICAL
ROLE OF THE NUTRIENTS IN DIFFERENT REGIONS

EACH PRODUCT HAS A UNIQUE **RECIPE NUMBER** TO
MATCH THE REGION SPECIFIC NEEDS AND
SUPPLEMENT THE DIET OF PEOPLE WITH DIFERENT
LIFESTYLES

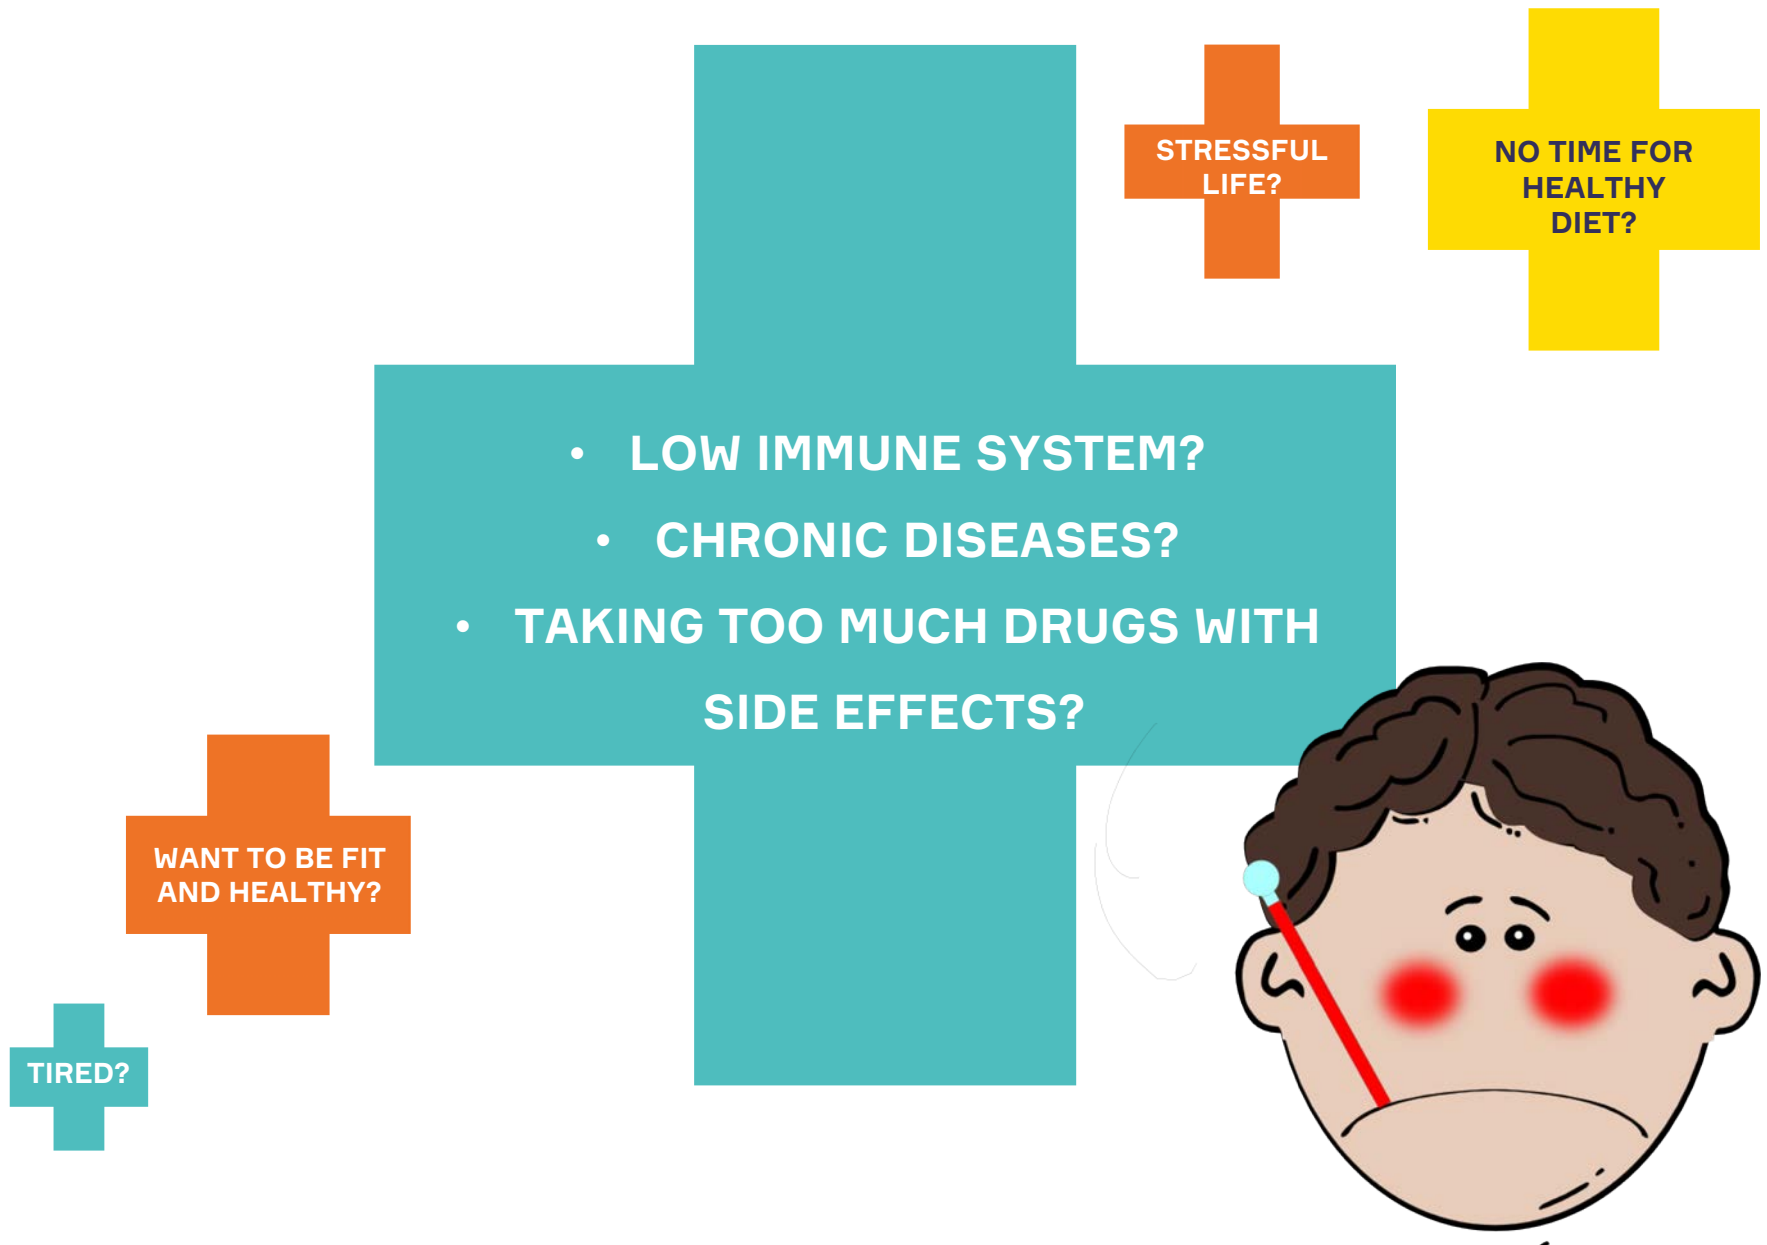

VITAGEN™ IS A PRODUCT OF MORE THAN 100-YEARS EXPERIENCE OF VITAMIN THERAPY WITH A MODERN AND HOLISTIC APPROACH TO PRESENT-DAY NUTRITIONAL NEEDS OF CONSUMERS. TO ASSURE SAFETY AND EFFICIENCY, ALL OUR DIETARY SUPPLEMENTS ARE MANUFACTURED USDFA COMPLIANT AND NSF CERTIFIED NUTRACEUTICAL FACILITY.

OUR COMMITMENT TO QUALITY AND PASSION FOR HEALTH PLAY A FUNDAMENTAL ROLE IN CREATING A CUTTING EDGE LINE OF DIETARY SUPPLEMENTS WITH REGION SPECIFIC FORMULATIONS.

WE EAT DIFFERENT...
WE LIVE DIFFERENT...
WE NEED DIFFERENT RECIPE!

EACH VITAGEN BOTTLE HAS
A RECIPE NUMBER, SPECIFIC
TO DIFFERENT REGIONS AND
HEALTH PROBLEMS

VITAMIN THERAPY WITH

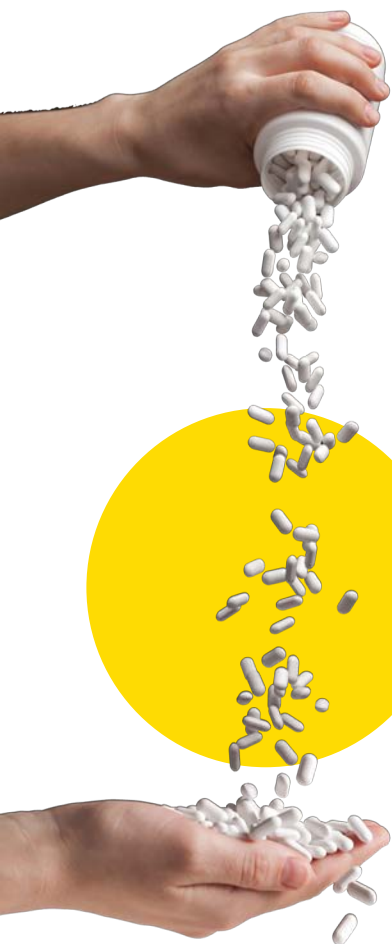

IS THE SOLUTION!

VITAGEN HAS THE RECIPES FOR

89%

OF HUMAN HEALTH PROBLEMS

MANUFACTURED
IN GMP CERTIFIED
UNIT

- PREBIOTIC & VEGETABLE CAPSULE
- SUITABLE FOR VEGETARIANS
- NO SUGAR
- HALAL CERTIFIED
- ONLY SAFE INGREDIENTS

CATEGORIES

01

MULTI

//

Combinations of vitamins, minerals and nutrients to ensure the optimal health support and to help bridge some nutrient gaps.

02

KIDS CARE

//

Supplements for children to ensure that growing bodies have the nutrients needed for optimal growth.

03

VITAMINS

//

Range of water-soluble and fat-soluble vitamins to supplement certain deficiencies and support the function of all the processes in the body.

BEAUTY

//

Vitamin and mineral-rich formulations designed to maintain healthy skin and protect against oxidative damage.

04

SPECIAL

//

Special multivitamin complexes for prevention and cure of certain chronic conditions and ease their symptoms.

05

OSTEO

//

Complexes to promote bone health and build, protect, and restore cartilage needed to support proper joint function.

06

07

AMINO

//

Amino acids supplements for optimizing micronutrients, providing the fuel for good functioning of the body and genetic transcription process.

08

PREGNA

//

Vitamin and mineral supplements to be taken before and during pregnancy, and during postnatal lactation to get the right amount of certain crucial nutrients.

09

HERBAL

//

Plant-based gentle formulations to provide support for overall health and well-being, and relieve symptoms of the illness.

OMEGA

//

Different types of Omega supplements to improve the health and function of cardiovascular system, normalize cholesterol level and brain support.

10

11

ANTIOXI

//

Vitamins, minerals and flavonoids to prevent or slow oxidative damage by free radicals throughout the body and protect healthy cells.

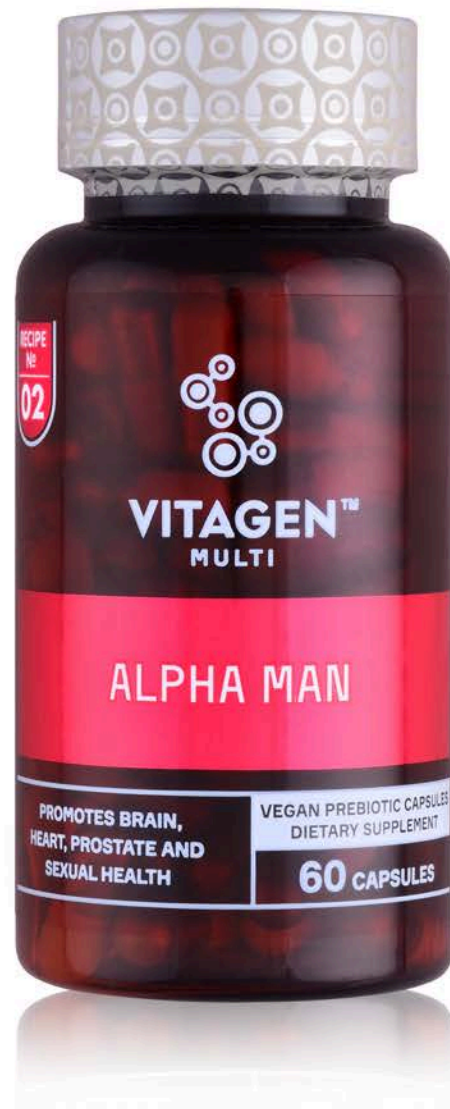

12

PROBIOTICS

//

Digestive enzymes to help protect the body from harmful microorganisms, improve digestion and support immune system.

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|-----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2 3 | VITAGEN B COMPLEX | It has been developed to support the body in the adverse conditions and to provide the maximal work efficiency. | Vitamin B2 (Riboflavin) – 3 Mg Vitamin B1 (Thiamine mononitrate) – 3 Mg Niacinamide (inositol hexanicotinate) – 25 Mg Vitamin B6 (pyridoxal 5'-phosphate) – 3 Mg Folic acid (L-methylfolate) – 500 Mcg Vitamin B12 (methylcobalamin and dibencoside) – 5 Mcg Biotin – 150 Mcg Vitamin B5 (D-calcium pantothenate) – 10 Mg Vegetarian capsule |
| 3 8 | VITAGEN B COMPLEX ENERGY + | It improves the ability to remember things and concentration of attention, regulates the activity of the brain and nervous system, strengthens the vessel's walls, keeps the cholesterol balance in the blood, | Vitamin B2 (Riboflavin) – 6 Mg Vitamin B1 (Thiamine Mononitrate) – 4.8 Mg Niacinamide (inositol hexanicotinate) – 25 Mg Vitamin B6 (pyridoxal 5'-phosphate) – 3 Mg Folic acid (L-methylfolate) – 500 Mcg Vitamin B12 (methylcobalamin and dibencoside) – 5 Mcg Biotin – 150 Mcg Vitamin B5 (D-calcium pantothenate) – 10 Mg |
| 1 9 | VITAGEN B 1 100 MAX | It improves the blood circling and takes part in hematopoiesis. | Vitamin B1 (Thiamine Mononitrate) – 3 Mg |
| 2 0 | VITAGEN B 2 MAX | It intensifies the processes of the metabolism in the body, participating in the metabolism of proteins, fats, and carbohydrates. | Vitamin B2 (Riboflavin) – 3 Mg |
| 2 1 | VITAGEN VITAMIN B 3 MAX | It has been developed to support the healthy skin, lower pains, and improve the mobility of joints during osteoarthritis. | Niacinamide (inositol hexanicotinate) – 35 Mg |
| 2 2 | VITAGEN B 6 MAX | It is essential for the normal functioning of the central and peripheral nervous systems | Vitamin B6 (pyridoxal 5'-phosphate) – 3 Mg |
| 0 2 | VITAGEN FOLIC L - METHYLFOLATE | It takes part in the synthesis of neuromediators and the major fermentative reactions inside the entire body. | Folic Acid (L-methylfolate) – 400 Mcg |
| 4 9 | VITAGEN VITAMIN E MAX | It takes part in formation of collagen and elastic fibers of the intercellular substance. | Vegetarian capsule Vitamin E (D-alpha tocopherol) – 67 mg (100 IU) |
| 5 1 | VITAGEN VITAMIN K 2 | It has the detoxifying action – it excretes the accumulated toxins from the body that damage liver and other organs | Vegetarian capsule Vitamin K (menacinon-7 50% and phytomenadione 50%) – 85 Mcg |

VITAGEN DIETARY SUPPLEMENT

CATEGORY VITAMINS

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24 | VITAGEN B12 MAX | It contains two active forms of the vitamin – methylcobalamin and dibencoside that contribute to its biological activity. | Vitamin B12 (methylcobalamin and dibencoside) – 6 Mcg |
| 09 | VITAGEN BIOTIN MAX | It controls the processes of gluconeogenesis, being responsible for the participation of glucose in the global metabolism. | Biotin – 150 Mcg |
| 32 | VITAGEN E + SELENIUM | Hypoallergenic formula that protects the body cells from oxidative stress connected to the growth of a number of free radicals | Vegetarian capsule Vitamin E (non-esterified d-alpha tocopherol plus a mixture of d-beta, d-delta, and d-gamma tocopherols) – 67 IU (45 mg) Selenium (L-selenomethionine) – 150 Mcg |
| 50 | VITAGEN VITAMIN D3 MAX | After reception into the body, cholecalciferol is absorbed in the small intestine, providing an optimal level of phosphorus and calcium directly in the blood plasma. | Vegetarian capsule Vitamin D3 (cholecalciferol) – 600 IU |

ANTIOXI

VITAGEN DIETARY SUPPLEMENT

CATEGORY ANTIOXI

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|-------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|
| 3 5 | VITAGEN ALPHA - LIPOIC ACID + Q 1 0 | It enhances the provision of cells with the energy. Myocardial tissue and hepatocytes especially require the replenishment of stock of coenzyme Q10. | Vegetarian capsule Alpha-lipoic acid – 50 Mg Coenzyme Q10 – 45 Mg |
| 4 8 | VITAGEN ALPHA - LIPOIC ACID MAX | It contributes to the preservation of the normal level of sugar in the blood and has the possibility to improve the state of the peripheral nervous system with diabetic polyneuropathy. | Vegetarian capsule Alpha-lipoic acid – 75 Mg |
| 3 4 | VITAGEN ALPHA - LIPOIC | It keeps the normal level of sugar in the blood. Increasing the income of glucose in the cells of muscular tissues, | Vegetarian capsule Alpha-lipoic acid – 60 Mg |
| 4 | VITAGEN COENZYME Q - 1 0 | It increases the physical endurance thanks to the increase of the level of energy in the muscular and brain cells and promotes the deletion of symptoms of chronic fatigue syndrome | Vegetarian capsule Co-Enzyme Q10 – 100 Mg |

HERBAL

VITAGEN DIETARY SUPPLEMENT

CATEGORY HERBAL

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|----------------------------------------|--------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | VITAGEN GARLIC | It helps promote heart health and cholesterol support. | Odor-Controlled Garlic (<i>Allium sativum</i>) (Bulb) (min. 5,000 mcg Allicin potential per tablet) 1000mg |
| | VITAGEN ASHWAGANDHA | It releases stress & boosts energy, rejuvenates adrenal function. | Ashwagandha extract (<i>Withania Somnifera</i>) Root, Standardized to min. 2.5% Total withanolides) 450mg |
| | VITAGEN AMLA (EMBLICA OFFICINALIS) | It manages gastrointestinal disorders & provides with Immune support. | Amla fruit (<i>Phyllanthus emblica</i> Linn.) 500 mg; standardized extract (45% tannins) + Amla stem powder (2% Tannins) 500mg |
| | VITAGEN PANAX GINSENG | It has influence on immunological, central nervous system, acceleration of metabolism, and anti-oxidant properties. | Panax ginseng (Ginseng root extract (20% Ginsenoside) 500mg |
| | VITAGEN GARCINIA CAMBOGIA | It is a "Dual Action Fat Buster" that suppresses appetite and plays a role in fat metabolism and support optimal weight. | Garcinia cambogia (fruit rind) 600mg (60% hydroxycitric acid) |
| | VITAGEN ALOE VERA | It manages gastrointestinal disorders & reinforces immune cell defense. | Aloe vera extract- 25mg (pulp) (200:1concentrate) equivalent to 5000mg of fresh aloe vera gel |
| | VITAGEN GUDUCHI (TINOSPORA CORDIFOLIA) | It activates immune function and promotes cellular defense. | Guduchi (<i>Tinospora cordifolia</i>) (Stem) Extract 500mg (Bitters 5%) |
| | VITAGEN SHATAVARI | It regulates & eases menstrual cycle, promotes hormonal balance. | Shatavri Extract (root) <i>Asparagus racemosus</i>) (25% Saponins) 1000mg |
| | VITAGEN TRIBULUS | It supports normal urine flow, promotes normal bladder and urinary functions. | Tribulus extract (fruit) (<i>Tribulus terrestris</i>) (20 % Saponins) 500mg |
| | VITAGEN ECHINACEA IMMUNE + | It boost immunity and cell defense. | Echinacea Root Extract (4:1)(<i>Echinacea angustifolia</i>) 200mg + Goldenseal Root Extract (4:1) (<i>Hydrastis canadensis</i>)150mg + Peruvian Cat's Claw (Inner Bark) Extract (3:1) (<i>Uncaria tomentosa</i>) 150mg |
| | VITAGEN RASBERRY KETONE | It helps with weight loss, increases metabolism and reduces appetite. | Raspberry Ketone Extract 98% 250mg |
| | VITAGEN GARCINIA, GREEN COFFEE BEAN | It boosts metabolism, enhances weight loss, appetite suppression, increases energy and breakdown of fat cells | Green Coffee Bean Extract 50% 130 mg, Raspberry Ketone Extract 98% 130mg,Garcinia Cambogia 50% 130mg, Green Tea (98% Polyphenols, 7.5% Catechins, 45% EGCG, 4% Caffeine) 110mg |
| | VITAGEN HORNY GOAT WEED WITH MACA | It boosts men's vitality | Horny Goat Weed Extract(<i>Epimedium grandiflorum</i>) (aerial) (Standardized to contain 10% icariin)250mg + Maca Extract(<i>Lepidium meyenii</i>)(root)37.5mg |

AMINO

VITAGEN DIETARY SUPPLEMENT

CATEGORY AMINO

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 6 | VITAGEN AMINO SPORTS | The main complex of amino acids that is used by those people who live the active life. | Vegetarian capsule Vitamin B6 (as Pyridoxal 5'-phosphate) – 3 Mg L-Leucine – 300 Mg L-Isoleucine – 200 Mg L-Valine – 150 Mg |
| 4 5 | VITAGEN L - THEANINE | L-theanine increases the common level of neuromediators – GABA and dopamine in the brain. | Vegetarian capsule L-theanine – 150 Mg |
| 3 6 | VITAGEN L - ARGININE L - ORNITHINE | Amino acids arginine and ornithine in the free form contribute to the increased production of the growth hormone (somatotropin). | Vegetarian capsule L-ornithine – 125 Mg L-arginine – 250 Mg |
| 5 2 | VITAGEN L - ARGININE | It has multiple benefits, including improving immune function, fertility, detoxification and brain power | Vegetarian capsule L-arginine – 1000 mg |
| 5 4 | VITAGEN L - CYSTEINE | It promotes the formation of collagen and improves the elasticity and the texture of the skin. | Vegetarian capsule L-cysteine – 500 Mg |
| 5 3 | VITAGEN L - CARNITINE | It is required to transfer fatty acids through the membranes inside the mitochondria, their decomposition, burning (oxidation), and the synthesis of ATP. | Vegetarian capsule L-carnitine - 500 Mg |
| 5 8 | VITAGEN GLYCINE MAX | It decreases the psycho-emotional tension, aggressiveness, proneness to conflicts as well as it promotes the social adaptation | Vegetarian capsule L-glycine – 150 Mg |
| 2 5 | VITAGEN L - GLUTAMINE | Glutamine that is a part of the dietary supplement promotes the restoration of the body during sleep. It also has the ability to make prophylaxis of neurodegenerative illnesses. | Vegetarian capsule L- Glutamine HCl 1000 mg |
| 4 7 | VITAGEN L - TYROSINE | It is effective in the chronic fatigue, depression, stressful state, and it improves mood and work efficiency. | Vegetarian capsule L-tyrosine — 500 Mg |
| 1 3 | VITAGEN AMINO ESSENTIALS | L-amino acids that are included in the composition of the dietary supplement are the natural L-forms of amino acids | L-Histidine – 75 Mg L-Isoleucine – 75 Mg L-Leucine – 75 Mg L-Lysine – 75 Mg L-Methionine – 75 Mg L-Phenylalanine – 75 Mg L-Threonine – 75 Mg L-Valine – 75 Mg |

VITAGEN DIETARY SUPPLEMENT

CATEGORY AMINO

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| 1 2 | VITAGEN L - LYSINE | It supports the health of the blood vessels lowering the level of triglycerides in the blood and prevents the development of atherosclerosis. | Vegetarian capsule L-lysine – 1000 Mg |
| 3 3 | VITAGEN L - METHIONINE | L-methionine is required to make a synthesis of protein (including collagen), nucleic acids and hormones, and is also a precursor in the biosynthesis of choline, lecithin, L-carnitine, adrenaline, taurine, and cysteine. | Vegetarian capsule L-methionine – 500 Mg |
| 4 6 | VITAGEN L - PROLINE | Amino acids arginine and ornithine in the free form contribute to the increased production of the growth hormone (somatotropin). | Vegetarian capsule L-Proline – 500 Mg |

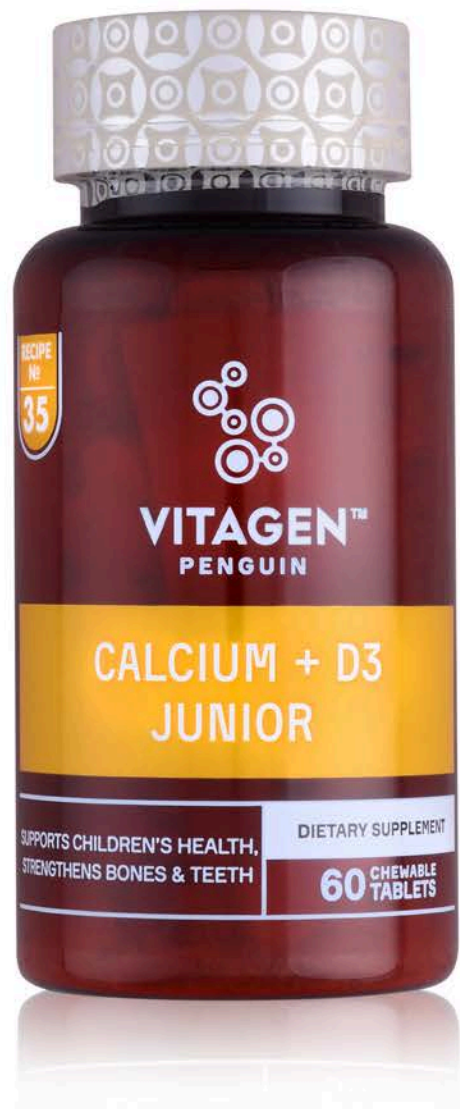

OMEGA

VITAGEN DIETARY SUPPLEMENT

CATEGORY OMEGA

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2 7 | VITAGEN OMEGA - 3 CARDIO | It has been elaborated as a complex of interacting vitamins, microelements, and herbal components that contribute to the restoration of elasticity, passability of vessels, lowering the proneness to thrombosis, and the restoration of work of the cardiovascular system of the body. | Vegetarian capsule Vitamin A (as 100% beta-carotene) – 900 IU (0.3 Mg) Vitamin D3 (cholecalciferol) – 100 IU (5 Mcg) Vitamin E (non-esterified d-alpha tocopherol plus a mixture of d-beta, d-delta, and d-gamma tocopherols) – 15 IU (11 Mg) Vitamin C (L-ascorbic form of ascorbic acid) – 25 Mg Vitamin B1 (Thiamine mononitrate) – 3 Mg Vitamin B2 (Riboflavin) – 3 Mg Vitamin B5 (D-calcium pantothenate) – 5 Mg Vitamin B6 (pyridoxal 5'-phosphate) – 1.5 Mg Folic acid (L-methyl phthalate) – 400 Mcg Vitamin B12 (methyl cobalamine and dibencoside) – 6 Mcg Niacinamide (inositol hexanicotinate) – 35 Mg Zinc (zinc bisglycinate) – 10 Mg Selenium (as L-selenomethionine) – 10 Mcg Oat bran – 85 Mg Ispaghula powder – 85 Mg Soy lecithin – 52 Mg Omega-3 fatty unsaturated acids – 42 Mg Beta-sitosterol – 17 Mg Chrome as chromium picolinate – 9 Mcg |
| 6 0 | VITAGEN VEGAN OMEGA DHA | It promotes the enrichment with the most valuable for human health polyunsaturated fatty acids Omega-3 that are excreted from micro seaweed. | Vegetarian capsule (DHA) Deicosohexaenoic acid – 200 Mg |
| 2 8 | VITAGEN OMEGA - 3 | It slows down the formation of atherosclerotic plaques, prevents the formation of blood clots, and reduces the risk of cardiovascular diseases. | Vegetarian capsule Omega-3 fatty acids – 500 Mg Eicosapentaenoic acid (EPA) – 150 Mg Docosahexaenoic acid (DHA) acid – 100 Mg Vitamin E (D-alpha-tocopherol) – 2 Mg |
| 5 6 | VITAGEN EVENING PRIMROSE EXTRACT | It is recommended as an additional source of Omega-6 unsaturated fatty acids to create the optimal dietary conditions of functioning of the cardiovascular system of the body. | Vegetarian capsule Standardized extract of evening primrose (Oenothera Biennis) – 500 Mg Linolenic acid (LA) – 322 Mg Gamma-linolenic acid (GLA) – 65 Mg |

KIDS CARE

CATEGORY **KIDS CARE**

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|---------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| 10 | VITAGEN Ca + D3 JUNIOR | It regulates the calcium and phosphorus metabolism in the body (bones, teeth, nails, hair, and muscles), lowers the resorption, and increases the density of bone tissue, replenishing the deficiency of calcium and Vitamin D3 in the body. It is required for teeth mineralization. | Calcium ascorbate – 250 Mg Vitamin D3 (Cholecalciferol) – 300 IU (7.5 Mcg) |

SPECIAL

VITAGEN DIETARY SUPPLEMENT

CATEGORY SPECIAL

| RECIPE | NAME | DESCRIPTION | COMPOSITION |
|--------|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6 3 | VITAGEN ANEMIA | To solve the anemia problem, it has been elaborated, which biologically active components make sure the absorption of iron coming with food (including non-heme iron), its transportation and formation of hemoglobin, and its enrichment with oxygen. | Vegetarian capsule Folic acid (L-methyl folate) – 600 Mcg Vitamin A (100% beta-carotene) – 5000 IU (3 mg) Vitamin B6 (pyridoxal 5'-phosphate) – 1.5 Mg Vitamin B12 (methylcobalamin and dibencoside) – 2.15 Mcg Vitamin C (L-ascorbic acid) – 75 Mg Vitamin E (non-esterified d-alpha tocopherol plus a mixture of d-beta, d-delta, and d-gamma tocopherols) – 50 IU (37 Mg) Zinc (zinc bisglycinate) – 9 Mg |
| 3 0 | VITAGEN MOOD BALANCE | It has been created as the complex of interrelated vitamins, microelements, and amino acids that contribute to the improvement of mood, lowering the level of anxiety and depression, increasing the level of stress resistance of the body. | Vegetarian capsule L-Tyrosine – 125 Mg L-Tryptophan – 125 Mg Magnesium (magnesium citrate) – 100 Mg Vitamin B6 (pyridoxal 5'-phosphate) – 3 Mg Standardized extract of valerian root (Valeriana Officinalis) – 120 Mg |
| 3 1 | VITAGEN DIABETIC VITALITY | It is recommended as the additional source of minerals and vitamins in order to create the optimal dietetic conditions for the functioning of the body in the circumstances of violation of tolerance to glucose (pre-diabetes, diabetes mellitus, polycystic ovarian syndrome, obesity, heredity for diabetes mellitus, low level of physical activity, high cholesterol level). | Vegetarian capsule Vitamin E (unesterified d-alpha tocopherol plus a mixture of d-beta, d-delta, and d-gamma tocopherols) – 49 IU (36 Mg) Vitamin B12 (methylcobalamin and dibencoside) – 6 Mcg Biotin – 150 Mcg Folic acid (L-methyl phthalate) – 400 Mcg Vitamin C (L-ascorbic acid) – 200 Mg Vitamin B6 (pyridoxal 5'-phosphate) – 3 Mg Vitamin B5 (D-calcium pantothenate) – 10 Mg Vitamin B1 (thiamine mononitrate) – 3 Mg Niacinamide (inositol hexanicotinate) – 18 Mg Vitamin B2 (Riboflavin) – 1.6 Mg Chrome (chromium picolinate) – 60 Mcg Selenium (L-selenomethionine) – 70 Mcg Magnesium (magnesium citrate) – 100 Mg Zinc (zinc bisglycinate) – 5 Mg |

VITAMIN SPRAY

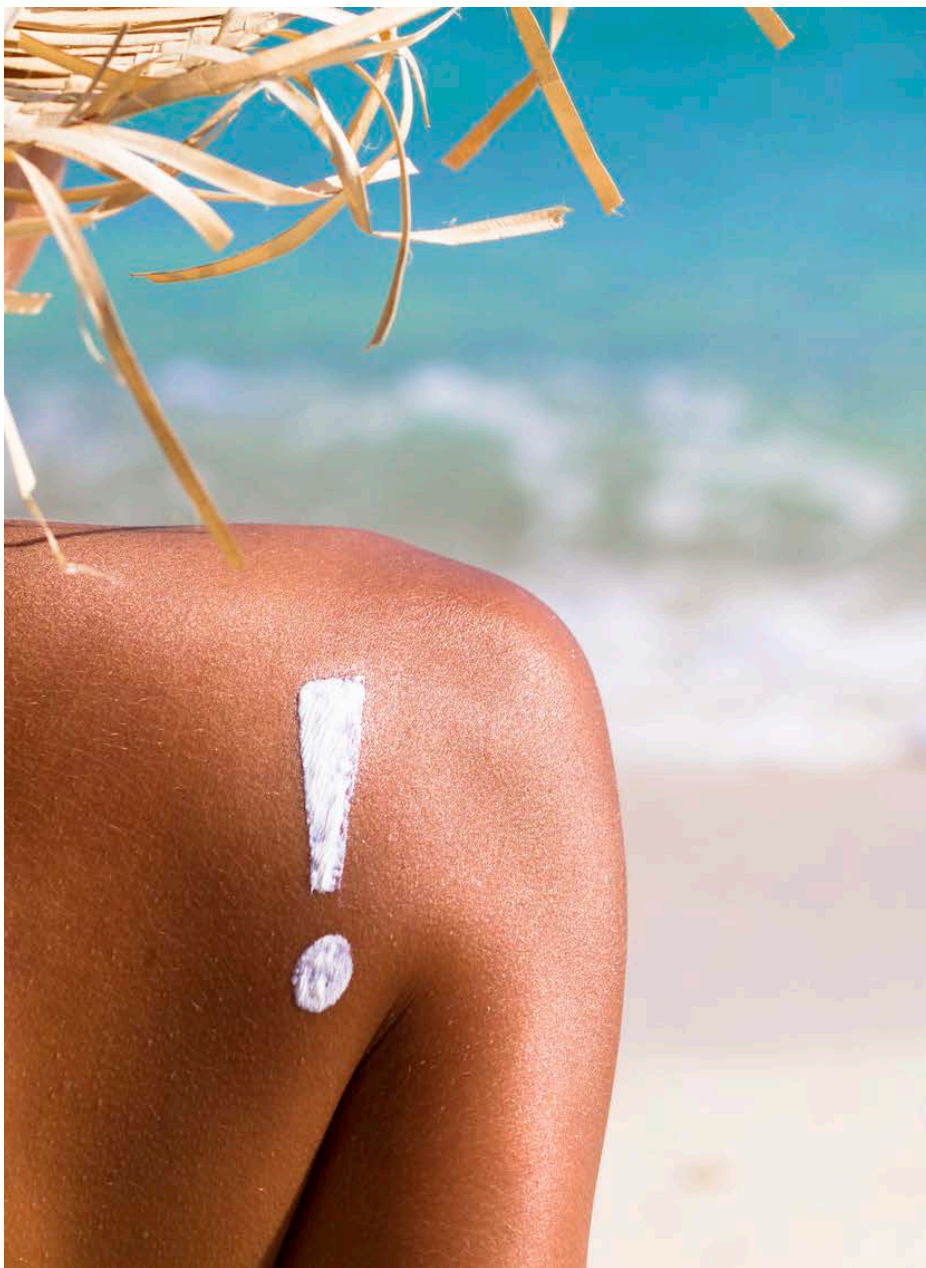

- ✓ NEW LINE – NEW FORM
- ✓ CONVENIENT SIZE
- ✓ SUPER ABSORBABLE
- ✓ VERY TASTY

“

Never give up. Today is hard,
tomorrow will be worse, but the
day after tomorrow will be
sunshine.

#VITAGENWORLD

WHAT OUR CUSTOMERS SAY

'Noticed a definite improvement on my skin tone and have stayed flu/cold virus free this winter.'

Irina, 37 y.o.

'I am a reflexologist and holistic health practitioner. Prior to this I have also worked in health stores for nearly 10 years and received a huge amount of training in nutritional supplements. I can confidently say that Vitagen products are well absorbed and ingredients are safe for everyone.'

Mikel, 45 y.o.

#MADEINUSA

'I've been taking Vitagen B complex Energy + for about two weeks and have noticed a big difference. I don't feel like I'm dragging all day and actually have the energy to get things done. I have no mid afternoon drowsiness anymore and have been able to cut back completely on caffeine. If I have anything caffeinated anymore its for the taste and not out of a need to keep my eyes open. Amazing stuff!!!'

Anna, 35 y.o.
