INTRODUCTION

Verve Human Care Laboratories is Manufacturer and Supplier of Pharmaceuticals Finished Formulations in analgesics and anesthetic segment. We excel in **Narcotic** and **Psychotropics** products. Our manufacturing unit meets **US-FDA** and **PIC/S** guidelines standards. Presently, we are approved by **WHO-GMP- India, SFDA - Saudi Arabia, FMHACA- Ethiopia, FDA - Ghana, NMPB - Sudan TFDA -Tanzania, PPB - Kenya, NDA-Uganda, PMPB -Malawi, GMP- Ivory Coast** and approvals of many more countries are in process. Our strategic customer focused approach in developing, providing and marketing high quality medicine at affordable prices also backed by excellent customer service has made us preferred supplier!!

We are dedicated into manufacturing of **tablets, small volume parenteral (Ampoules) and Sachets** in modular separate manufacturing blocks which meets or exceeds export expectation. Our manufactured products have already serving mankind in **African, LATAM, ASEAN, CIS and MENA** regions. We are India's leading manufacturer and exporter of controlled drugs; **Narcotics and Psychotropics** medicines such as **Morphine, Fentanyl, Pethidine, Oxycodone, Codeine, Diazepam, Ketamine, Ephedrine and Phenobarbital in Ampoules & Tablets.**

We are rapidly expanding our distribution network to meet expectation of our direct sales associates, Hospitals, Governmental, Institutional Tenders and channel partners. We assure you of quality standards by following WHO-GMP guideline and our experienced technical teams in regulatory and marketing are dedicated for customer service.

Thanking you and we look forward to your valued enquiries to serve you with our best services at all the times.

Sincerely yours,

For Verve Human Care Laboratories,

Export Team
