B.M.P. GmbH was founded in 1979 and is part of the B.M.P. Pharma Trading AG which went public in 2001 at the German stock market.

The main activities of B.M.P. are focused on the distribution of raw materials to the pharmaceutical, health-food and nutraceutical industries.

For most of our products we can supply full product documentation including GMP, GMO, Kosher / Halal etc. from the manufacturer.

Quality is the most important aspect of the responsible actions of our employees.

In order to do justice to the high quality standards and to guarantee them in the long term, a team of specialists have committed themselves to the consistent observance of all corresponding directives and their updates in our daily handling.
