

GERRESHEIMER

Moulded Glass Packaging for Pharmaceuticals

Moulded Glass for Pharmaceuticals

Your Worldwide Partner for Pharmaceutical Packaging

The Gerresheimer Group is one of the leading pharmaceutical and cosmetic international suppliers of high-quality packaging and system-based approaches for both glass and plastic. In the European, American and Asian markets we have an outstanding position in pharmaceutical packaging made of tubular and moulded glass. In both production and development, Gerresheimer is recognized as a competent and innovative packaging partner for the pharmaceutical industry.

FOCUS ON QUALITY AND SAFETY

We work with state-of-the-art technologies and in accordance with the highest regulation of quality and product safety. Our plants are certified in accordance with DIN EN ISO 9001:2008, work according to DIN EN ISO 15378:2012 and are oriented towards the cGMP standards. Our products meet European, US and Japanese specifications.

COMPREHENSIVE PROJECT SERVICE

Our project executives work consistently towards your objectives in all phases – from development and agreement of your tailor-made packaging through logistics and marketing. Whenever and wherever you require our assistance, we are there with comprehensive expertise in pharmaceutical glassware, highly-qualified advice and professional marketing service.
