

Omeprazole

Omeprazole Ps.Inj.Sol 40mg/vial

Omeprazole Pd.Sol.Inf 40mg/vial

Omeprazole Gr.Cap 20mg & 40mg

Reference Product: Losec® / Astra Zeneca

Description:

Omeprazole belongs to the ATC category of Proton-pump inhibitors which is a group of drugs whose main action is a pronounced and long-lasting reduction of stomach acid production.

Due to their effective acid-suppressing effects, PPIs are approved for numerous indications, including short-term management of gastroesophageal reflux disease, erosive esophagitis, H pylori, and duodenal and gastric ulcers.² Long-term indications for PPIs include nonsteroidal anti-inflammatory drug-associated gastric ulcers, hypersecretory conditions, and maintenance of healing erosive esophagitis.
