

Difass International

*Researching for health,
everyday together*

Ready-to-market finished products **with original USPs**

Difass International is a company that works on the design, development and promotion of **Medical Devices, Nutraceuticals, Cosmetics** and **Food for Special Medical Purposes**, offering its regulatory, manufacturing, scientific and marketing expertise.

Difass International has trusted suppliers and associates that allow it to **realise and license its references** also **to third companies working in the pharmaceutical industry**. Difass International is able to **intercept market needs and trends** and to realise **products designed for its partners**. Moreover, its twenty-five year expertise allows it to offer assistance and support to its partners in several fields.

Exclusive raw materials

Clinically proven formulations

International patents

**Owned and innovative
technologies**

Our Expertise

From product concept to market

Development of new products

Experience

Technical Innovation

Regulatory expertise

Market sensibility

Flexibility

Training

Marketing support

Business development from an Intellectual Property

REPENIL®

International patented combination for itching

DIF17BRO®

Patented gastro-resistant polyenzymatic complex

VS07D®

Exclusive extract of Adhatoda vasica

DIF16WPI®

Clinically proven whey proteins

DIF1STAT®

Clinically proven and patented combination for cholesterol

OLEARTE®

Exclusive extract of Olea europaea

SUPERBIO-Q10®

Patented bioavailable CoQ10

RED APPLE FEX®

Exclusive organic patented extract

Medical Devices

Microvenil® Procto

Repenil®
Class IIa

- Proctological cream for the treatment of anal discomfort
- Resolution of itching, burning and pain, typical of hemorrhoidal varicose syndrome

Lacririd®

Balance Salt Solution and Hyaluronic Acid
Class IIa

Humectant and lubricating solution for ocular surface

Resoflux®

Magaldrate, Magnesium alginate, Hyaluronic acid, hydrolyzed marine Collagen
Class IIa

Gastroesophageal reflux (GERD) and laryngopharyngeal reflux (LPRD)

Neotherm®

Salsobromiodic Thermal Water, Hyaluronic acid and Chamomile
Class IIa (vials) and I (spray)
For adults and children

Well-being of the upper airways

Sollevart® Gel

Hyaluronic acid
Class III

Osteoarthritis

FSMP

Dibuzin®

Butyrate, Zinc and Vitamin D
Ongoing Clinical Trial

Dietary treatment of **colon pathologies**
with **altered mucosal trophism**

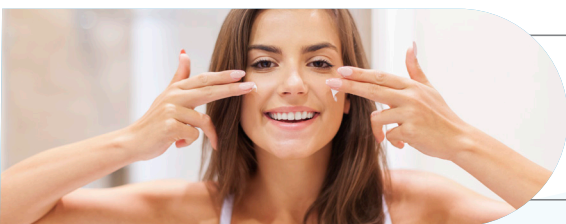

Prother®

DIF16WPI®

Dietary treatment of **subjects with**
lean mass loss (sarcopenia) due to
malnutrition, aging or chronic diseases

Cosmetics

Ledum® Complex

Moisturizing-lenitive complex
with plant essences and extracts
For adults and children

Discomfort on the skin caused by
external agents
(wind, saltiness, annoying insects)

Dualderm® Heli

Face-body cream based on snail extract
For adults and children from 1 year

- Prevents loss of elasticity and skin tone
- Maintenance of the right degree of hydration
- Indicated for sensitive skin

Microvenil® Gel

Aloe ferox, Centella Asiatica,
natural Menthol, Capsicum

Refreshing and toning action (**tired legs**)

Gastroenterology

Levareflux™

Macrocystis pyrifera, Alginate sodium,
Bicarbonate sodium, Carbonate calcium
With Expert Opinion - Pending Patent

- **Control of gastric acidity**
- Emollient and soothing action on the digestive system

Regulosio®

Lactulose, Thermal water and
Prebiotic fibers
For adults and children

- **Acceleration of intestinal transit**
- Balance of intestinal bacterial flora

Regulosio® Fibre

Plant fiber complex DINAT3™
(4.75 g per sachet)

- **Regularity of intestinal transit**
- Soothing and emollient action on digestive system
- Absorption of nutrients
- Lipid and carbohydrate metabolism

Women's health

Agenin® 3

Genistein, Magnesium, Resveratrol,
Vitamins and Hop extract

- **Indicated to supplement diet during menopause**
- Antioxidant action
- Psychological function
- Promotes relaxation in stressful conditions

BetBerry 80

Cranberry, Betaglukan, D-Mannose

Functionality of urinary tract

Folisid® Forte

Iron, Vitamin C, Folic acid
and Copper

- **Transport and absorption of iron**
- Formation of red blood cells and hemoglobin
- Hematopoiesis and growth of maternal tissues during pregnancy

Difertil®

Myo-Inositol, Zinc,
Melatonin and Vitamins
With Expert Opinion

- **Fertility and reproduction**
- Growth of maternal tissue during pregnancy
- Antioxidant action

Microvenil®

Diosmin, OPC, Rutin and Ruscogenin

- **Functionality of lower limbs microcirculation**
- Vein circulation of hemorrhoidal plexus
- Drainage of body fluids

Microvenil® Forte

DIF17BRO®, 700 mg of Bioflavoids
and Ruscus aculeatus L.

- Functionality of the microcirculation **(heaviness of the legs)**
- Venous circulation of the **hemorrhoidal plexus**

Relaxiva™

Rhodiola Rosea,
Magnesium and Zinc

- **Mood tone**
- Physical and mental fatigue
- Particularly useful in moments of emotional tension

Relaxiva™ Notte

Passion flower, Valerian, Escolzia
and Hawthorn
For adults and children

- **Relaxation**
- **Night rest** (even in case of stress)
- Mental well-being

Urology

Difaprost®

Serenoa repens, Quercetin,
Lipoic acid and Beta-sitosterol

Physiological functions of the prostate
And of male urinary tract

Cough & Cold

Soltux® Oral solution

VS07D® and titrated herbal extracts
with Acerola and Zinc
For adults and children

- **Functionality of the upper respiratory tract and of the oropharyngeal mucosa**
- Useful in case of cough
- Immune system
- Natural body defences
- Fluidity of bronchial secretions

Soltux® Plus

N-acetylcysteine, extract of Malva
Sylvestris and Vitamin D3

- **Fluidity of bronchial secretions**
- Useful in case of cough
- Emollient and lenitive action, useful for the functionality of the oropharyngeal mucosa
- Immune system

Soltux® spray

N-acetylcysteine, with titrated extracts
of Mauve, Sage and Echinacea
For adults and children

- **Well-being of the throat**
- Emollient and lenitive action,
Functionality of all oropharyngeal mucosa
- Natural body defenses

Sinustop®

DIF17BRO®, VS07D®, Vitamin D
and Zinc

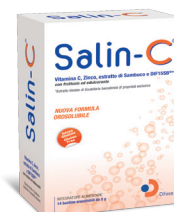

- **Fluidity of mucous secretions of upper airways**
- Useful for the health of rhinosinusal district
- Well-being of the upper airways
- Immune system

Salin-C®

High dosage of Vitamin C, Zinc,
Elderberry extract and DIF15SB®
For adults and children

- **Functionality of the upper respiratory tract**
- Immune system
- Reduction of tiredness and fatigue

Energy & Multivitamins

Ecotonic®

Panax Ginseng, Carnitine, Royal Jelly and B Group Vitamins

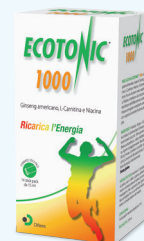

- **Physical and mental fatigue**
- Antioxidant action
- Energy metabolism

Ecotonic 1000®

American Ginseng, L-carnitine and Niacin

- **Reduction of tiredness and fatigue**
- Energy metabolism
- Psychological function

Vitalbi® Plus

Vitamins, Minerals, Prebiotic Fibers, Honey

For adults and children

Multivitamin

Vitadoro®

Vitamin D3

For adults and children

- **Immune system function**
- Calcium absorption and maintenance of normal bones

Trisal® c

Potassium, Magnesium, Vitamin C and Zinc with detained Green Tea and Fructoligosaccharides

- **Reduction of tiredness and fatigue**
- Muscle function
- Immune system
- Antioxidant action
- Balance of intestinal flora

Pediatrics

Kinatrofina®

Echinacea, Astragalus, Uncaria,
Royal Jelly, Nicotinamide and
Group B Vitamins
For adults and children

- **Immune system**
- Reduction of tiredness and fatigue
- Natural body defenses

Kinatrofina® Baby

DIF16WPI® with Vitamin D,
Zinc and Selenium
For children from 1 year

- Ideal during season changes:
- **Immune system**
 - Lactoferrin 0.7% /14 Mg per sachet
 - Undenatured proteins with high biological value

Diflaselin® Junior

DIF17BRO® with Vitamin D3

- **Drainage of body fluids**
- Immune system

Adizinc®

Zinc, Magnesium and Vitamin B6

- **Cognitive function**
- Maintenance of the efficiency of the psychological function

Alerdif®

Betaglucans and Vitamins

- **Immune system**
 - Energy metabolism
 - Reduction of tiredness and fatigue
- With clinical trial entitled *Effects of beta-glucans on spring allergic rhinoconjunctivitis in the pediatric population*

Cardiology

Colestat®

OLIMEA®STAT
(DIF1STAT® and Olea Europea)

- **Cholesterol**
- Homocysteine metabolism
- Antioxidant action
- Lipid metabolism and regularity
- Of blood pressure

Pufacol® Forte

DIF1STAT® and Omega-3
1000 mg/cps

- **Cholesterol** levels in the blood
- **Triglyceride** levels in the blood
- Cardiac functioning

Fortestat®

Fermented red rice, Berberis
aristata, OLEARTE®, Polyphenols
and Vitamins

- **Cholesterol**
- Functionality of cardiovascular system
- Homocysteine metabolism
- Lipid metabolism
- Blood pressure regularity
- Antioxidant action
- Epatic function

ENT (Ear, Nose, Throat)

Diflaselin®

Bromelain (520 FIP U),
SOD enzyme, Vitamin D3

- **Drainage of body fluids**
- Patented technology n. EP 1225876B1 which allows components to be released and absorbed into the intestine
- Editorial entitled **Focus on: Natural alternatives to the use of corticosteroids in anti-edema therapy**

Vertistop® D

LICA®, Vitamin D3 and
Group B Vitamins
Ongoing Clinical Trial

Vit. D is essential for the normal absorption/use of calcium, favoring its deposition in tissues with a high calcium content, such as otoliths. The fragility and the consequent detachment of the otoliths can give rise to balance disorders (**vertigo**).

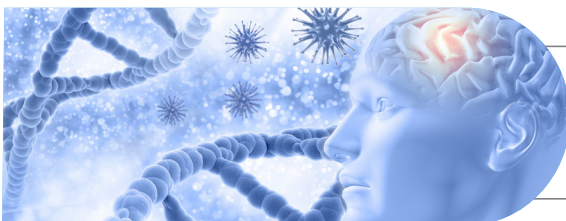

Orthopedics

Sollevart™

DIF17BRO®, Boswellia, Mhyrr, Hyaluronic acid, Vitamin D3 and Manganese

- **Joint functionality**
- Localized states of tension
- Maintenance of bones and muscles
- Formation of connective tissue
- Antioxidant action

Neurology/CNS

Cebrotile®

Magnesium, Ginkgo biloba, Vitis Vinifera, Camellia sinensis and fosfadiil-serine

- **Cognitive and memory functions**
- Mental and physical tiredness
- Psychological function

Mezinat® Effe

Melatonin, AGOLU®, Magnesium, Zinc and Vitamin B6

- **Relaxation and night rest**
- Reduces the time required to fall asleep
- Sleep disorders due to time zone change
- Psychological and cognitive function

Dianural®

Alpha-lipoic acid, Carnosine and Zinc with Group B Vitamins

- **Nerves function**
- Nervous system functioning
- Energy metabolism
- Antioxidant action
