## Iside HPV® & Iside HPV® spray CE 0425

Medical devices class IIa (7/10/14 Vaginal ovules or Spray with 7/10/14 Vaginal applicators)  
**FULL SPECTRUM SODIUM HYALURONATE, LACTIC ACID, CITRIC ACID, ARABINOGALACTAN, ZINC CITRATE**  
 Prevention and adjuvant treatment of HPV-induced lesions. They form a protective barrier on the transformation zone of the cervix to prevent the risk of HPV integration.

## Iside HPV® ORAL by VIVIMUNO

Food supplement (20 Capsules)  
**AHCC® (Shiitake mushroom d.e.), VITAMIN C, VITAMIN D3, ZINC, SELENIUM**  
 Support of immune system from within and help the body to eradicate more effectively the HPV infection.

## Iside 4R® Plus

Food supplement (14 Gastro-resistant Capsules)  
**10 BILLIONS OF PROBIOTICS, BIOECOLIANS® (α-glucan-oligosaccharides), B VITAMINS, VITAMIN D, FOLIC ACID**  
 Restoration and maintenance of the balance of gut and vaginal flora.

## AlivYo® Plus

Cosmetic (200 mL)  
**DEOPLEX®, LACTIC ACID, ALLANTOIN, ALOE VERA, OAT PROTEINS, GLYCEROPHOSPHOINOSITOL LYSINE SALT, CALENDULA AND LICHEN EXTRACTS**  
 Intimate wash specifically formulated for daily intimate care and for restoring the normal vaginal pH, with refreshing and decongestant activities. Particularly useful in case of vaginal infections.

## Adipac®

Food supplement (15 Tablets)  
**CRANBERRY (Vaccinium Macrocarpon Aiton d.e.) TIT. 15% PROANTHOCYANIDINS (PACS)**  
 Functionality of the urinary tract and drainage of body fluids.

## DIKIROGEN® ZERO

Food supplement (30 Sachets)  
**MYO-INOSITOL, D-CHIRO-INOSITOL, FOLIC ACID AND MANGANESE**  
 Contrast of the metabolic and reproductive alterations related to the syndrome of insulin resistance, such as polycystic ovary syndrome (PCOS), infertility, gestational diabetes, dyslipidemia.

## Naxend®

Food supplement (30 Modified-release Tablets)  
**N-ACETYL-CYSTEINE, ALPHA LIPOIC ACID, BROMELAIN**  
 Neuroprotective, anti-inflammatory and antioxidant actions, useful in case of chronic pelvic pain associated with endometriosis, vulvodynia, bladder pain syndrome, dysmenorrhea.

## ProbeNat® 200

Food supplement (30 Soft Gels)  
**DHA, VITAMINS, MINERALS**  
 For the increased nutrient needs of women during pregnancy and breastfeeding.

## Dosil® Act

Food supplement (30 Chewable Tablets)  
**GINGER (Zingiber officinale Roscoe d.e.), VITAMIN B6, B2, B1, INULIN**  
 Relief for nausea during pregnancy and in any situation of vomiting. It promotes digestive function, regular gastric motility and the elimination of gas.

## Sferafer® & Sferafer® kids

Food supplements (20 Stick Packs with orodispersible and modified-release granulate)  
**BIVALENT IRON, COPPER, VITAMIN C**  
 For Iron deficiency anemia. Suitable for adults (Sferafer), in case of poor/reduced absorption of iron with diet, pregnancy, heavy menstrual bleeding, gastrointestinal pathologies, and for children from 4 years old (Sferafer kids).

## flavoXelle™
