INGREDIENTS TO YOUR SUCCESS

In the heart of Hamburg: The headquarters of TER INGREDIENTS GMBH & CO. KG

TER Ingredients is a leading supplier of high-grade ingredients and additives in various life science applications. The company provides a comprehensive product portfolio sourced globally to serve customers in the food, feed, personal care, health care, home care and other specific industries with focus on deliveries to Europe.

We are specialized experts in logistics, quality management, sales and purchasing. We cooperate with reputable manufacturers and their product development teams. We offer combined deliveries of food- and other ingredients in time according to complex requirements derived from regulatory compliance, documentaton requirements and specification parameters.

Convince yourself of our certified services and contact us today! Ensure your success with our first-class products and customized solutions!
