RESEARCH AND DEVELOPMENT EXCELLENCE

At the heart of our success lies our unrivalled expertise in the development and manufacturing of oral solid and liquid dosage forms & our state-of-the-art Research and Development Centre is a testament to our passion for innovation.

WORLD-CLASS MANUFACTURING FACILITIES

Our EU GMP approved manufacturing plants are equipped with dedicated facilities for both Non-beta-lactum and Beta-lactum products, including Penicillins and Cephalosporins. Our manufacturing lines include Tablets, Capsules, Oral Liquids, and PFOS.

GLOBAL REACH

Our global footprint extends across key markets in Latin America, Africa & South East Asia where we are actively seeking new partnerships.

Moreover, we are also seeking partnerships in the United States, Europe, Australia, Canada, the Middle East, Brazil, Mexico, and Colombia.

We invite you to explore how Baroque Pharmaceuticals can be your trusted partner in shaping the future of healthcare.
