FS

## CAREMILK • Oral tablets

Post-partum depression. Tiredness and fatigue. Galactogogue function.

- **Gluten Free**
- **Naturally Lactose Free**

**Based on:** Griffonia d.e., Vitamin B12, Folic acid, Galega d.e., Milk thistle d.e. tit. 80% of silymarin, Phosphoserine, Hay greek d.e.

*Rif. code: FT.IA.235*

For more info:

## PROREVA • Vaginal tablets

Vulvo-vaginal atrophy. Protection against pathogenic microbionics such as Streptococci and Candida.

- **Only natural ingredients**

**Based on:** Natural (Hydrolyzed/Fermented) mix milk protein, Lactic acid, FOS.

*Rif. code: FT.CE.120*

For more info:

## MIVAGYN T • Vaginal tablets

Vulvo-vaginal atrophy. Protection against pathogenic microbionics such as Streptococci and Candida.

- **Tyndallized Lactobacillus - more effective in case of UTIs, useful during long terms antibiotic therapies**

**Based on:** Tyndallized Lactobacillus, Natural (Hydrolyzed/Fermented) mix milk protein, Lactic acid, FOS.

*Rif. code: FT.CE.149*

For more info:

## CAREGYN OVULES • Vaginal ovules

Recurrent vulvovaginal candidiasis. Vaginal dryness. Irritations, itching, and burnings.

- Lactic and Boric acid immediate lowering of vaginal pH protecting from pathogens

**Based on:** Boric acid, Polycarbophil Phosphatidylcholine, Acid 18 beta - glycyrrhetic, Sodium hyaluronate, Vitamins A-E, Tea tree oil, Lactic acid, Triglycerides semisynthetic.

*Rif. code: FT.CE.48/111*

For more info:

## REVAGINAL OVULES • Vaginal ovules

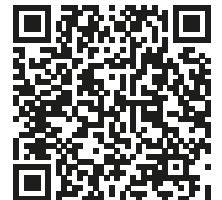

Healing and regeneration of the uterine cervix and vagina due to vulvar dystrophy therapy. Hydrating and lubricant. Vaginal dryness, irritations, itching, and burnings.

- High tolerability
- Compatible with condoms
- Suitable for women of childbearing age, menopause and perimenopause

**Based on:** Hyaluronic acid, Lactic acid, Polycarbophil, Tea tre oil, Vitamins A-E, Triglycerides.

*Rif. code: FT.CE.15/110*

For more info:

## REVAGINAL GEL • Multidose tube

Vaginal atrophy: Dyspareunia, yellow color discharge from the vagina, spotting or bleeding, itching.

• Can be used in conjunction with estrogens and/or progestin therapies (eg. contraceptive pills) and/or antibiotics

**Based on:** Aloe, Ribes nigrum, Lavandula angustifolia, Sodium hyaluronate, Chamomilla recutita, Calendula officinalis, Lactic acid, Vitamin E, Vitamin A.

*Rif. code:* FT.CE.24/112

For more info:

## REVAGINAL GEL • Single dose tubes

Vaginal Atrophy: Dyspareunia, yellow color discharge, spotting or bleeding, itching.

• Easy to use 6 single-use applicators with cannulae, can be used in conjunction with estrogens and/or progestin therapies (eg. contraceptive pills) and/or antibiotics

**Based on:** Aloe, Ribes nigrum, Lavandula angustifolia, Sodium hyaluronate, Chamomilla recutita, Calendula officinalis, Lactic acid, Vitamin E, Vitamin A.

*Rif. code:* FT.CE.71/112

For more info:

## REVAGINAL INTIMATE WASH • Intimate wash

Daily hygiene adjuvant to oral antimicrobial/antimycotic therapy for the treatment of vaginosis (vaginal itching, burning, irritation and vaginal maleodorous discharge).

- pH 3.5. Everyday use

**Based on:** Aloe vera, Chamomilla, Oat, Boric acid, Lactic acid, Chlorhexidine, Tea tree oil.

*Rif. code:* FT.CE.52

For more info:

## REVAGINAL VAGINAL DOUCHE • Vaginal douche

Dryness, irritation, burning, itching and vulvar pain for all those women in post-puberile adolescence (not virgin), and in adulthood mature, even in menopause and after chemotherapy.

- Minimally invasive application
- Soft bottle
- Thin and flexible cannulas

**Based on:** Hyaluronic acid, Lactic acid, PVP.

*Rif. code:* FT.CE.50

For more info:

## RIGEL • Single use tubes

Microlesions of the vaginal epithelium due to conditions like diabetic condition, dystrophies following chemotherapy, ionising radiation, senile dryness also due to oestrogen deficiency.

- **Easy to use: 6 single-use applicators with cannulae**

**Based on:** Triticum vulgare germ extract, Lavandula angustifolia flower water, Sodium hyaluronate, Lactic acid, Glycine soja seed extract, Glycyrrhetic acid, Vitamins A-E.

*Rif. code: FT.CE.127*

For more info:

FS

**FERTILIFAST • Sachets**

Male Infertility. Improves sperm motility, shape and count. Contributes to the reduction of ROS in sperm and testosterone balance.

• Clinically tested

**Based on:** Arginine-L, N-Acetylcysteine, Carnitine L-tartrate, Coenzyme Q10, Zinc gluconate, Selenium.

Rif. code: FT.IA.220

For more info:

**XY AQUAGEL • Single dose tubes**

Increases the chances of conception. Makes the vaginal environment optimal for sperm viability and motility.

• Laboratory tested efficacy

**Based on:** Sodium hyaluronate, Magnesium citrate, Calcium piruvate, Lactic acid, Potassium citrate, Carnitine, Creatine.

Rif. code: FT.CE.109

For more info:

## GINCLOR • Vaginal Ovules

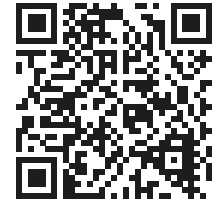

Reduction of the risk of post-cesarean endometritis and postoperative wound infection. Recovery of vagina natural condition. Protection against bacterial infections and recurrent candidiasis.

- To use it before post-cesarean delivery

**Based on:** Hyaluronic acid, Lactic acid, Boric Acid, Vitamin E, 18-beta-glycyrrhetic acid, Tea tree oil, Chlorexidine, Semi-synthetic triglycerides.

*Rif. code:* FT.CE.125

For more info:

## MIVABOR PLUS • Vaginal ovules

Vaginal malodorous discharge caused by bacterial vaginosis.

- Mimics natural vaginal defenses by restoring acidic pH and releasing peroxide ions.

**Based on:** Carbamide peroxide, Lactic acid, Boric acid, 18-Beta glycyrrhetic acid, Polycarbophil, Semi-sintetic triglycerides.

*Rif. code:* FT.CE.117

For more info:

NEW

## CERVACARE • Vaginal spray

HPV infection. Soothing. Protection against bacterial infections. Helps re-epithelialization.

- Minimally invasive application

**Based on:** Carboxymethyl Beta Glucan, Rosmarinus leaf extract, Resveratrol, Hydrogenated polydecene, Epigallocatechin gallate, Tea tree oil, Lactic acid.

*Rif. code: FT.CE.128.FB.1*

For more info:

Vaginal infection due to candida albicans or glabrata, in case of mild (1%) or severe(3%): itching and irritation in the vagina and vulva, burning sensation, especially during intercourse or while urinating, redness and swelling of the vulva, vaginal pain and soreness.

- Easy to use
- Fresh perfume
- Halobor® (synergistic action of the components)

**Based on:** Halobor® (Hyaluronic acid with 1% or 3% Boric acid), D-Panthenol, Ribes extract, Aloe vera, Calendula extract, Lactic acid, Chamomilla flower extract.

*Rif. code: FT.CE.113.1%.M.4    Rif. code: FT.CE.113.3%.M.4*

INDEX

## LATTAWIN VAGINAL DOUCHE • Vaginal douche

Mixed vulvo-vaginitis. Irritations, itching and burnings. Recovery of vaginal natural conditions.

- **Minimally invasive application**
- **Soft bottle**
- **Thin and flexible cannulas**

**Based on:** Boric acid, Lactic acid, Aloe barbadensis, Malaleuca alternifolia.

*Rif. code:* FT.CE.01.8

For more info:

## REVAGINAL FOAM • Intimate foam soap

Daily hygiene adjuvant to oral antimicrobial/antimycotic therapy for the treatment of vaginosis (vaginal itching, burning, irritation and vaginal maleodorous discharge).

- **Daily intimate hygiene**
- **Ready to use even outside home, without using water**
- **Propellant Free**
- **Colorant free**

**Based on:** Boric acid, Lactic acid, Wheat proteins, Chlorhexidine.

*Rif. code:* FT.CE.142

For more info:

## CAREGYN EMULGEL • Multidose tube or monodose sachets

Perineal tissue elasticity, stretch marks prevention.

- Single-dose pack ready to use even if outside home

**Based on:** Panthenol, Quercus robur extract, Argania spinosa kernel oil, Hydrogenated olive oil unsaponifiables, Rosa moschata seed oil, Oryza sativa bran oil, Hydrolyzed elastin, Orobanche rapum extract, Sodium hyaluronate, Vitamin E.

For more info:

*Rif. code: FT.CE.152*

## DILCOIL SPRAY • Dermal spray

Protection, prevention and alleviation of breast cracks during breastfeeding and lactation period. Breast fissures. Irritation, itching and burning.

- Edible and ingestible dermal oil

**Based on:** Vitamin E, Borage, Almond, Currant and Triticum vulgare oils.

For more info:

*Rif. code: FT.CE.153*

FS

## EUSIA • Sachets

Preclampsia, prevention of preterm birth.Helps with cell division and specialization.

- **Gluten free**
- **Good taste**

**Based on:** Calcium, Salix alba d.e., Magnesium, L-Arginine.

*Rif. code: FT.IA.311.1*

FS

## REVAGINAL TAB • Oral tablets

Pelvic Pain. Helps reduce uterine contractile activity.

- **Gluten free**
- **Titanium dioxide free**

**Based on:** Alpha-lipoic acid, Magnesium.

*Rif. code: FT.IA.136.1*

FS

## CAREGYN PEARLS • Oral soft capsules

Increased nutrients need in pre-pregnant, pregnant or post-pregnant women. Maternal tissue growth during pregnancy. Helps normalize normal hematopoiesis. Prevention of neural tube defect in the newborn.

- **Gastro-resistant pearls**
- **LipoDispersion technology**
- **Pork free declaration, Alcohol free declaration**

**Based on:** Omega 3, Vitamins B Complex, Vitamins C-E-D-K, Iron, Zinc, Folic acid.

*Rif. code: FT.IA.123.1*

For more info:

FS

## IROLIN ORO • Sachets

Anemia in pregnancy: in case of symptoms such as fatigue, spinning sensation (dizziness) or vertigo, shortness of breath, tachycardia, difficulty in concentrating. Helps prevent preterm birth.

- **Orosoluble, practical administration: ready to use without water**
- **Good taste**

**Based on:** Microemulsified Iron, Folic Acid, Vitamin C.

*Rif. code: FT.IA.191*

For more info:

FS

## P-COSTIL • Sachets

Polycystic ovary syndrome. Difficulty getting pregnant. Helps normalize hormonal activity. Helps counteract oily or acne-prone skin.

- Clinically tested

**Based on:** Myo-Inositol, Magnesium, Folic acid, Zinc, Selenium, Vitamins B Complex, Vitamin D.

*Rif. code: FT.IA.240*

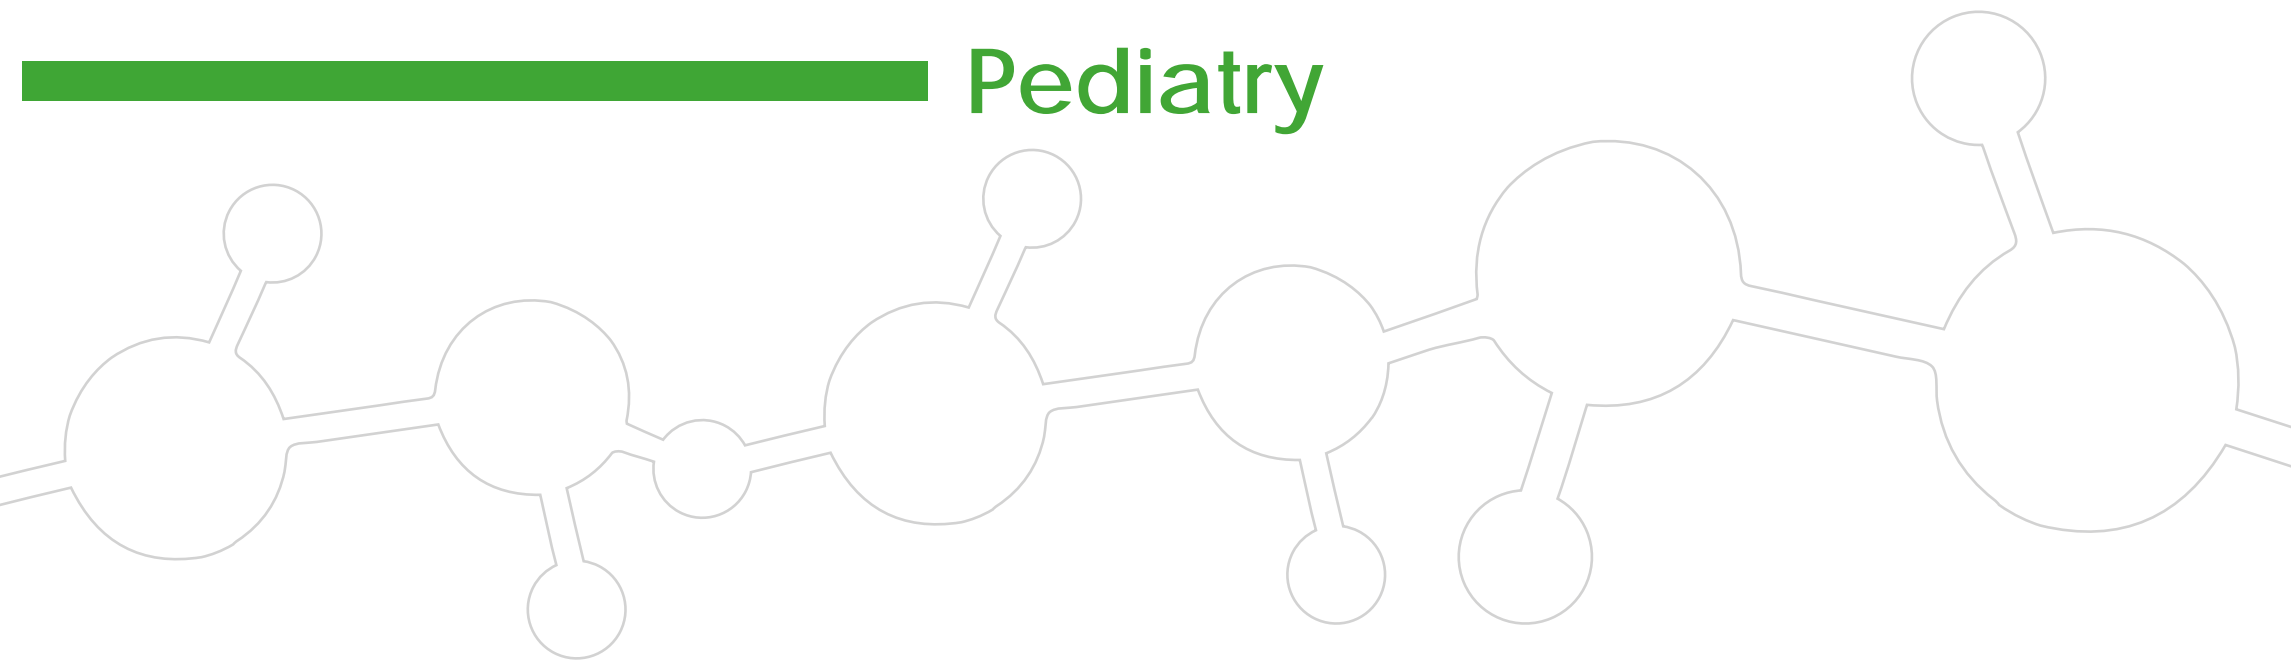

For more info:

# Pediatrics

## RINOFAST SPRAY • Nasal spray

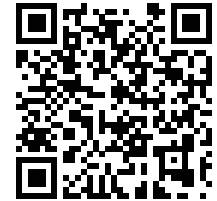

Allergic rhinitis. Daily hygiene of nasal cavities. Decongestionant. Nasal Dryness.

- **MSM: eradication of bacterial biofilm**

**Based on:** MSM, Hypertonic solution 2,5% NACL.

*Rif. code: FT.CE.25*

For more info:

## AGFAST NASAL DROPS • Nasal drops

Acute and chronic sinusitis and allergic or non -allergic rhinitis characterized by a dry nose with wounds in the nasal mucosa.

- **Colloidal silver: Antibacterial properties, wound healing activity**

**Based on:** Methyl-Sulfonyl Methane, Xylitol, L-Lysine, Colloidal Silver, Ectoine, Sorbitol, Vitamin B2.

*Rif. code: FT.CE.150*

For more info:

## RINOFAST KIT • Nasal nebulizer + Vials

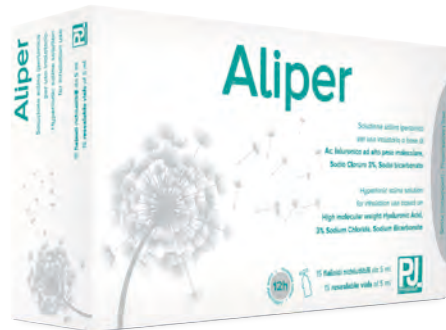

Nasal Shower. Daily hygiene of the nasal cavities. Colds. Allergic and non-allergic rhinitis. Rhinosinusitis. Nasal decongestion. Compromise of mucociliary clearance. Otitis media.

- Easy administration by syringe with nasal delivery device
- Excellent in case of impossibility to use electromedical nasal showers

**Based on:** Sodium chloride, Sodium bicarbonate.

*Rif. code:* FT.K.02

For more info:

## ALIPER • Vials

Daily hygiene of nasal cavities. Cold. Allergic and non-allergic rhinitis. Rhinosinusitis. Nasal decongestion. Otitis media.

- Preservative free
- Resealable vials

**Based on:** High molecular weight hyaluronic acid, 3% Sodium chloride, Sodium bicarbonate.

*Rif. code:* FT.CE.114.FB.7

For more info:

## PROPELIN OS • Throat spray

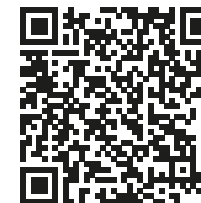

Sore throat. Gum irritation. Mucosal protection.

- Natural active ingredients

**Based on:** Propolis, Erysimum, Echinacea, Mentha piperita, Chamomilla flower extract.

*Rif. code: FT.CE.58*

For more info:

## OLIVEX DROPS • Ear drops

Hygiene of ear cavities. Elimination of wax excess. Protection against bacterial and mycotic infections.

- Ozonized olive oil: antimicrobial action of the ozone layer

**Based on:** Olive oil, Ozonized oil, Vitamin E, Tea Tree Oil.

*Rif. code: FT.CE.27.2*

For more info:

FS

## REVILAN SOLUTION • Oral solution

Prevention of acute and recurrent infections of the lower respiratory tract and otitis. Immune system stimulant. Tiredness and fatigue.

- Clinically tested

**Based on:** C.R.S. Immuno® (complex containing Carboxy-methyl-beta-glucan 90% from *S. cerevisiae*, Reishi d.e. tit. 30% Polysaccharides, Shitake d.e. tit. 10% Polysaccharides), Beta-glucan, Resveratrol from *Polygonum cuspidatum*, Zinc, Group B Vitamins, Vitamin C and Vitamin D.

*Rif. code:* FT.IA.164

For more info:

FS

## OMEGAREX • Food emulsion • Bottle or Stickpacks

Immune stimulant. Tiredness and fatigue.

- Fast absorption
- Good taste

**Based on:** EPA, DHA, Minerals, Vitamins D-E.

*Rif. code:* FT.IA.493.1

For more info:

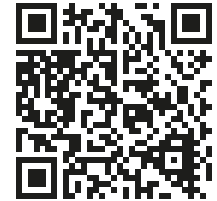

## BALATUS • Oral solution

Dry Cough. Wet Cough. Barrier effect. Elimination of mucus excess. Hydration of the mucosa. Irritations.

- **Bala complex- innovative complex with Snail slime and Hyaluronic acid**

**Based on:** Bala complex (complex of snail slime, low and high molecular weight hyaluronic acid, cyclodextrins), Icelandic lichen d.e., Sodium alginate, Eucalyptus oil, Thyme oil.

For more info:

Rif. code: FT.CE.108.4.150

## BRONCOLISIN • Oral solution

Cough, sore throat, bronchitis, and cold symptoms. Bronchial secretions fluidity. Emollient and Soothing. Balsamic action.

- **Only active natural ingredients**

**Based on:** Grindelia extract, Honey, Plantain extract, Propolis extract, Lemon essential oil, Grapefruit extract, Altea extract, Drosera extract.

For more info:

Rif. code: FT.IA.134

## RILEFAST CE • Oral drops

Dyspeptic disorders. Gastroenteric meteorism. Aerofagy and gas colic in infants, children and adults.

- Preservative free
- Fast action
- Clinical trial available

**Based on:** Simethicone, Olive oil, Vitamin E, CoQ10.

*Rif. code:* FT.CE.26.7

For more info:

## RILEFAST CE SPRAY • Oral spray

Dyspeptic disorders. Gastroenteric meteorism. Aerofagy and gas colic in infants, children and adults.

- Preservative free
- Easy to dispense

**Based on:** Simethicone, Olive oil, Vitamin E, CoQ10.

*Rif. code:* FT.CE.26.12

For more info:

## SECOL • Oral drops

Dyspeptic disorders, gastroenteric meteorism, aerofagy and gas colic in infants, children and adults.

- **Good taste**

**Based on:** Simethicone, Silica dioxide.

*Rif. code: FT.CE.16.4*

For more info:

## RILEFAST CE BOULARDII • Oral solution + sachet

Dyspeptic disorders, gastroenteric meteorism, aerofagy and gas colic in infants, children and adults due to bacterial gastrointestinal infections.

- **Preservative free**
- **Suspension in oil**
- **Saccharomyces boulardii: restoration of gastrointestinal flora**

**Based on:** Simethicone, Olive oil, Vitamins A-E, CoQ10, Saccharomyces boulardii.

*Rif. code: FT.CE.30.1*

For more info:

**COMIL K BOULARDII • Oral solution + sachet**

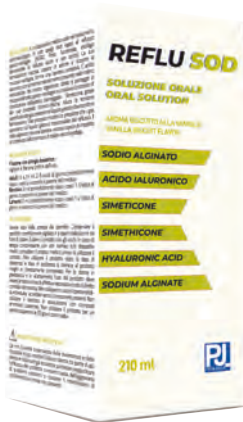

Dyspeptic disorders, gastroenteric meteorism, aerofagy and gas colic in infants, children and adults due to bacterial gastrointestinal infections.

- **Saccharomyces boulardii: restoration of gastrointestinal flora**
- **Good Taste**

**Based on:** Simethicone, Saccharomyces boulardii.

*Rif. code:* FT.CE.28.7

For more info:

**REFLUSOD • Oral Emulsion in bottle + dosing syringe**

Moderate-Severe GERD. Reflux gas. Barrier effect on esophageal tract. Helps heal mucosal damage. Soothing the mucous membrane. Ok for hypertensive or nephropathic patients. High compliance thanks to its emulsion form.

- **NO SIDE EFFECTS in hypertensive or nephropathic patients**
- **INNOVATIVE emulsion form that provides a high compliance of the product**

**Based on:** Slow molecular weight hyaluronic acid sodium salt, sodium alginate, Mhyrr e.s. tit. 30% polysaccharides, Simethicone.

*Rif. code:* FT.CE.107.H

For more info:

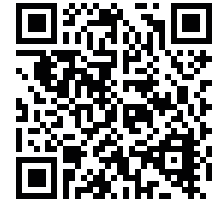

## RILEFAST MAG • Stickpack

Moderate-Severe GERD. Reflux Gas. Barrier effect on esophageal tract. Helps heal mucosal damage. Soothing the mucous membrane. Ok for hypertensive or nephropathic patients. High compliance thanks to emulsion form.

- **READY TO USE, practical oral administration even away from home,**
- **INNOVATIVE Emulsion form that provides a high compliance of the product**

For more info:

**Based on:** Low molecular weight Hyaluronic acid sodium salt, Magnesium alginate, Mhyrr d.e. tit. 30% polysaccharides, Guar seeds flour, Simethicone.

*Rif. code: FT.CE.107.G*

## REFLUCALM PLUS • Oral gel in bottle + dosing syringe

Moderate-Severe GERD. Reflux gas. Barrier effect on gastroesophageal tract. Helps heal mucosal damage. Soothing the mucous membrane.

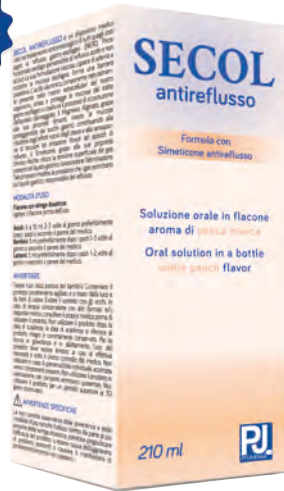

- **Barrier effect**
- **Simethicone: action against reflux gas**

For more info:

**Based on:** Low molecular weight hyaluronic acid sodium salt. Magnesium alginate, Sodium alginate, Simethicone, Mhyrr d.e. tit. 30% polysaccharides, Guar seeds flour.

*Rif. code: FT.CE.107.D*

**SECOL ANTIREFLUX • Oral gel in bottle + dosing syringe**

Mild GERD. Barrier effect on gastroesophageal tract. Ok for hypertensive or nephropathic patients. No reflux gas.

- No side effect in hypertensive or nephropathic patients
- Barrier effect
- Simethicone: action against reflux gas

Based on: Magnesium alginate, Simethicone, Guar seeds flour.

Rif. code: FT.CE.107.C

For more info:

**MARIFLOR VIALS • Vials**

Acute or chronic dhiarraea.

- Lactobacillus Rhamnosus GG, Probiotics Plus Vitamins

Based on: Lactococcus lactis, Lactobacillus acidophilus, Lactobacillus plantarum, Lactobacillus paracasei, Vitamins A-B1-B6-B16-C-E-K1-PP, Folic Acid.

Rif. code: FT.IA.141.1

For more info:

FS

## MARIFLOR R • Oral drops

Galt development in infant.

- Preservative free

Based on: Lactobacillus reuterii SGL01, Sunflower oil.

Rif. code: FT.IA.135

For more info:

FS

## HYDRAMIL • Stickpack

Nausea and vomit

- Fast absorption
- Good taste
- No reflux problems

Based on: Zingiber officinalis, Vitamins B1-B2-B6.

Rif. code: FT.IA.242.1

For more info:

FS

## CRESKO • Oral solution in Vials

Child development and growth, Inappetence, Tiredness and fatigue, Physical and mental stress.

- Easy administration
- High compliance

Based on: Iron, Vitamins B1-B2-B5-B6-C-D3-PP, Glutamine, Royal jelly.

Rif. code: FT.IA.184

For more info:

FS

## DEPALIFE • Food emulsion

Infants brain's function development.

- Good taste and high compliance thanks to food emulsion technology

Based on: Omega 3 (EPA, DHA), Vitamins C-D3-E.

Rif. code: FT.IA.697

For more info:

FS

## IROLIN DROPS • Oral Drops

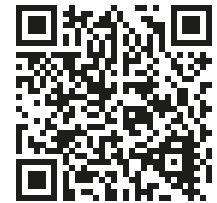

Anemia (Lack of energy, vertigo, headache or Irritability).

- **Microemulsified Iron® : high absorption, high compliance**

Based on: Copper, Folic acid, Iron from Microemulsified Iron®.

Rif. code: FT.IA.303

For more info:

FS

## MARI SLEEP • Oral Drops

Infant Insomnia. Help reduce the time it takes to fall asleep.

- **Sweet and pleasant taste**
- **Easy administration**
- **Promotes sleep quality and duration**

Based on: Melatonin, Vitamins B1-B2-B6, Folic Acid.

Rif. code: FT.IA.260

For more info:

**MARISLEEP RETARD DROPS • Oral Drops**

Infant Insomnia. Help reduce the time it takes to fall asleep. Promotes sleep quality and duration. Release of Melatonin ~50% after 1h – release>75% after 4h. Autism spectrum disorders (ASD). Sleep disorders in adolescents.

- Sweet and pleasant taste
- Easy administration
- Promotes sleep quality and duration

Based on: Melatonin in Microgranules time released (Prolonged+Retard)

Rif. code: FT.IA.838

**MARISLEEP FAST GEL • Gel spray**

Fast asleep. Sublingual absorption. Increased bioavailability of Melatonin thanks to Mucoadhesive bioenhancer tech. Neurodevelopmental disabilities (Angelam syndrome, ADHD). Tourette syndrome.

- Sweet and pleasant taste
- Easy administration
- Promotes sleep quality and duration

Based on: Melatonin with Mucoadhesive bioenhancer tech for sublingual absorption

Rif. code: FT.IA.839

### GINGICALM • Tube

Pain reduction in case of swollen and tender gums due to teethingin. Soothing. Barrier effect. Redness and irritations.

- Easy administration
- High compliance

Based on: Aloe vera, Calendula, Chamomilla, Honey, Xylitol

Rif. code: FT.CO.124.1

## FARPID LOTION • Hair spray

Anti-Lice treatment lotion.

- Easy to use applicator

**Based on:** Neem oil, Geranium essential oil, Anise essential oil.

*Rif. code: FT.CO.157*

## FARPID SHAMPOO • Shampoo

Anti-Lice treatment shampoo.

- Makes the hair soft, shiny and easy to comb

**Based on:** Neem oil, Geranium essential oil, Anise essential oil.

*Rif. code: FT.CO.156*

**DILCOIL MD • Dermal oil**

Seborrheic, eczematous and atopic dermatitis, or acne. Skin hygiene and protection. Moisturizing, emollient, and soothing.

- **Oily formulation without water with a high concentration of natural active ingredients. Preservative free**

**Based on:** Sweet almond oil, Jojoba oil, Wheat germ oil, Chamomilla recutita.

*Rif. code: FT.CE.93*

For more info:

**RILEPAST • Multidose tube**

Infants diaper rash and skin irritation and redness caused by contact with faeces and urine. Soothing. Daily protection children skin.

- **Easy to spread, fast skin absorption**

**Based on:** Zinc oxide, Panthenol, Prunus amigdalus oil, Ricinus communis seed oil.

*Rif. code: FT.CO.69*

# ENT, Respiratory, Immunology

INDEX

## RINOFAST FLU • Nasal spray

Daily nasal hygiene. To regulate nasal secretions after rhinorrhea. To prevent the formation of bacterial biofilm.

- Anatomical dispenser
- Fan-shaped vaporisation for improved circulation to the mucous membranes

**Based on:** N-acetyl cysteine, MSM, Isotonic solution 0,9% NaCl.

*Rif. code: FT.CE.12*

For more info:

## AGFLU SPRAY • Nasal spray

Persistent rhinitis and rhinorrhoea with yellow, green or brown mucus as sign of bacterial infection.

- Anatomical dispenser
- Fan-shaped vaporisation for improved circulation to the mucous membranes

**Based on:** Sodium Chloride, N-Acetyl-Cysteine, Xylitol, Colloidal silver, Sorbitol.

*Rif. code: FT.CE.150.SP*

For more info:

## ALIPER KIT • Nasal nebulizer + Vials

Nasal douche for daily hygiene of the upper airways. For the prevention of colds, rhinorrhoea and otitis.

- Suitable for young children who cannot tolerate electro-medical nasal showers

**Based on:** High molecular weight hyaluronic Acid, 3% Sodium chloride, Sodium bicarbonate.

*Rif. code: FT.K.12.1*

## SULFURIN • Sachets

Wet coughs and catarrhal coughs.

- Good Taste

**Based on:** N-acetylcysteine, Vitamin C, MSM, Glycyrrhiza glabra L, Grindelia robusta nutt dry, Zinc.

*Rif. code: FT.IA.150*

For more info:

## OLIVEX SPRAY • Ear spray

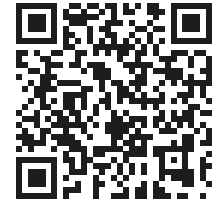

Elimination of wax excess. Prevention of external otitis, irritation and inflammation of the external ear duct.

- Without water
- Natural ingredients

**Based on:** Olive oil, Vitamin E, Tea tree Oil.

*Rif. code: FT.CE.29*

For more info:

## BOROX SPRAY • Ear spray

Hygiene of ear cavity. To remove ear wax excess. To reduce the risk of bacterial and fungal proliferation in ear canal.

- Low water content
- High ceruminolytic capacity
- High antimicrobial activity

**Based on:** Boric acid, Sodium docusate, Glycerin, Propylene glycol, Lactic acid.

*Rif. code: FT.CE.18*

For more info:

## RELAT LATTOFERRINA SPRAY • Oral spray

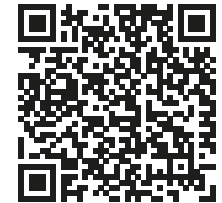

Immunostimulant. In the prevention of flu-like conditions due to viral infections.

- Ease spray dispensing. Buccal absorption

Based on: Lactoferrin, Zinc, Vitamin D3.

Rif. code: FT.IA.609

For more info:

## PROPELIN ORAL GEL • Oral spray

Buccal canker sores.

- Very good bioadhesiveness

Based on: Propolis extract, Aloe vera gel, Sodium hyaluronate, Sucralose, Magnesium sulfate, Beta glucan, Carboxymethylcellulose, Hydroxypropylcellulose, Sucralfate, Benzalkonium chloride, Polyvinylpyrrolidone, Triclosan, Methylsalicylate.

Rif. code: FT.CE.158

For more info:

**CLORAL SPRAY • Oral Spray**

Daily oral hygiene.

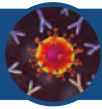

- **Very good feeling of freshness and cleanliness**

**Based on:** Chlorhexidine, Aloe Barbadensis.

*Rif. code: FT.CO.45*

For more info:

FS

## REVILAN IMMUNO • Oral tablets

Immunostimulant. In the prevention of otitis and recurrent and relapsing airway infections.

- High concentration of beta glucans from fungi and yeasts

**Based on:** Vitamins B1-B6-B12-C-D3, Riboflavine, Zinc, Resveratrol, Beta-glucane, Shitake, Reishi, Lactoferrin.

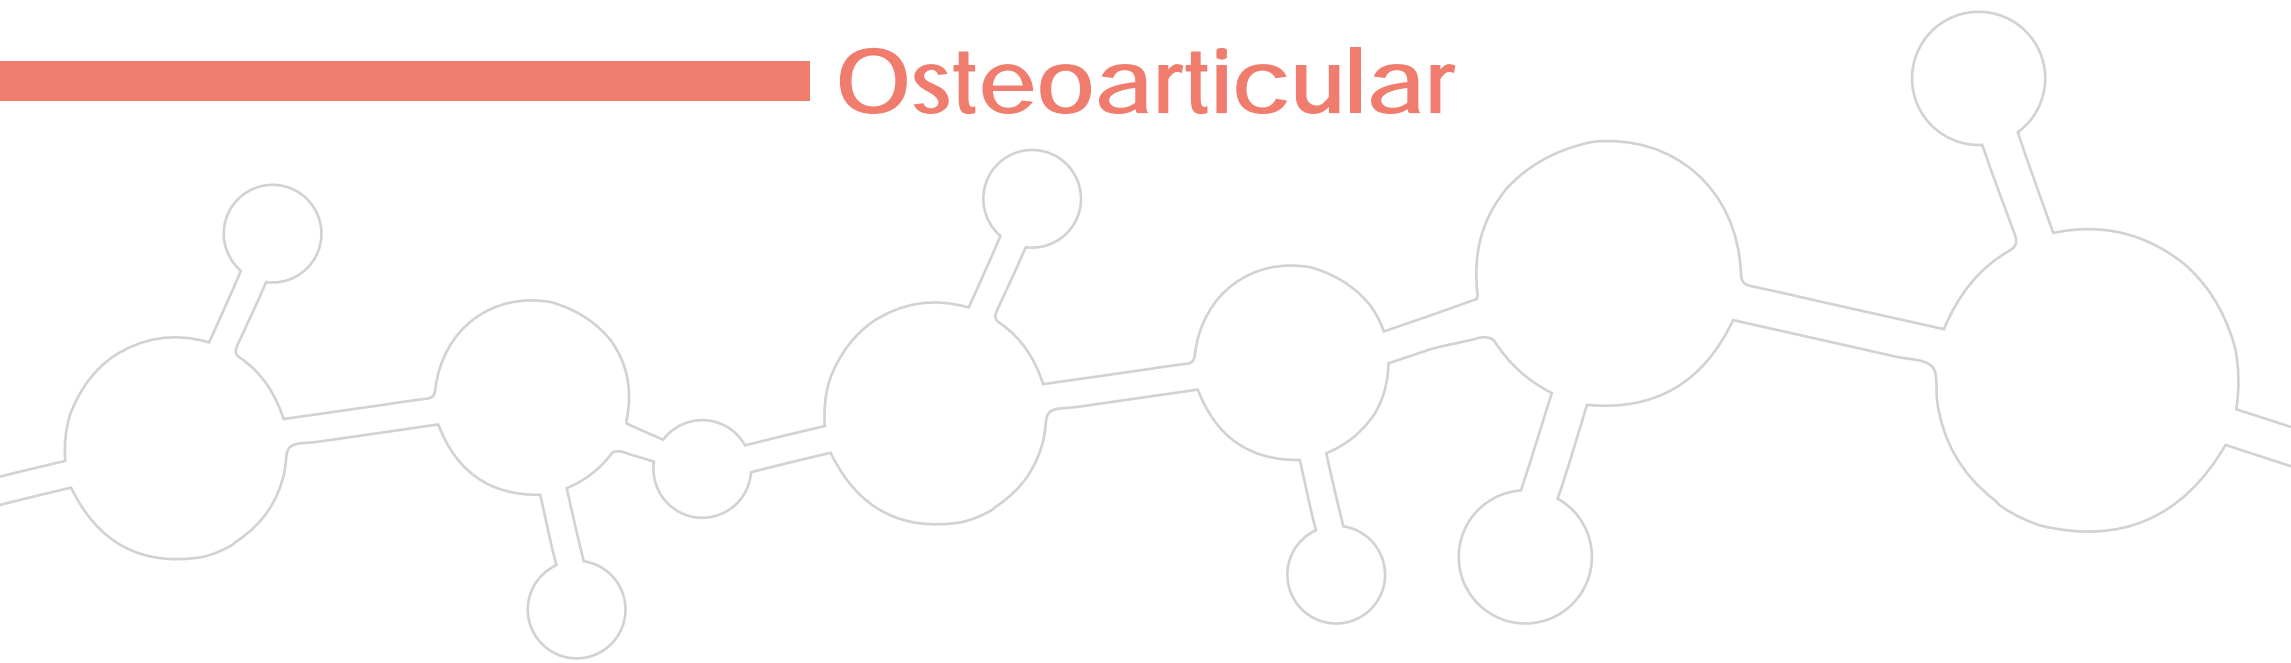

*Rif. code: FT.IA.541*

For more info:

# Osteoarticular

INDEX

# Joint pain Osteoarticular

## ARTOX 2% • Pack of 1 or 3 syringes for intra-articular injection

Pain and impaired joint activity. Infiltration for hip, shoulder, knee and other joints.

- Ease of administration
- Negligible side effects

Based on: Hyaluronic acid 2%.

Rif. code: FT.CE.74

For more info:

## ARTOX SACHETS • Sachets

Tendinopathies and tenosynovitis.

- Excellent dissolution in water

Based on: Methylsulfonylmethane (MSM), L-ornithine alphaketoglutarate, Type I collagen, Vitamin C.

Rif. code: FT.IA.74.1

INDEX

## ATROZONE • Multidose tube

Joint, muscle and rheumatic pain.

- Natural active ingredients

**Based on:** Ozonized olive oil, Escin phytosomal, Arnica, Harpagophytum, Hyaluronic acid, Panthenol, Vitamin E, Camphor, Menthol, Betasitosterol.

*Rif. code: FT.CE.122*

For more info:

## JOISTAT • Sachets

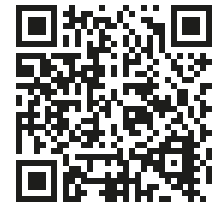

To prevent and mitigate painful symptoms due degenerative rheumatism such as arthrosis.

- Good taste

**Based on:** Glucosamine, Chondroitin sulfate, MSM, Bromelain, Harpagophytum procumbens (harpagoside).

*Rif. code: FT.IA.95.1.30*

For more info:

**FS**

## EQUICALCIUM • Oral tablets

Bones fragility.

- **Easy digestion**

**Based on:** Calcium, Phosphorus, Bamboo dry (silica), Vitamin D3.

*Rif. code: FT.IA.148.1*

For more info:

**FS**

## OSTAX LIQUID • Oral solution

For healthy bones growth.

- **Suitable for children**

**Based on:** Calcium, Magnesium, Zinc, Vitamin D3, Riboflavin.

*Rif. code: FT.IA.171.1*

For more info:

**FS**

## ORO D3 • Oral tablets

Bones fragility. Osteoporosis prevention.

- **Fast absorption**

**Based on:** Vitamin D3

*Rif. code: FT.IA.473*

For more info:

## FLOGOREX EMULGEL • Multidose tube

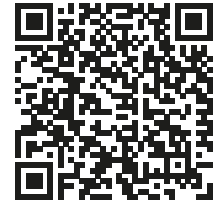

Sensation of freshness with fast relief.

- **Rapid absorption**

**Based on:** Menthol, Sodium chloride, Camphor, Eucalyptus globulus oil, Methyl salicylate, Simmondsia chinensis seed oil, Tocopherol.

*Rif. code: FT.CE.154*

For more info:

## FLOGOREX MED SPRAY • Dermal spray

To relieve joint and muscle pain due to traumas and contusions.

- **Sensation of freshness with fast relief**
- **Doesn't need an effective massage**

**Based on:** Plant extracts, Camphor, Menthol, Mentha piperita oil, Azelaic acid, Bromelain, Sodium chloride.

*Rif. code: FT.CE.155*

For more info:

## FLOGOREX TABLETS • Oral tablets

Localized tension states. Articular functionality.

- **High dose bromelain: 2.500 GDU/g.**

**Based on:** Bromelain 2500 GDU/g, Boswellia serrata (boswellic acids).

*Rif. code: FT.IA.25*

For more info:

FS

## ANGEREX 600 • Oral tablets

Mechanical peripheral neuropathies of orthopaedic relevance.

- Formulation designed for long-term protection
- Daily use

Based on: Alpha-Lipoic acid, Vitamins B1-B2-B6-B12-C-E.

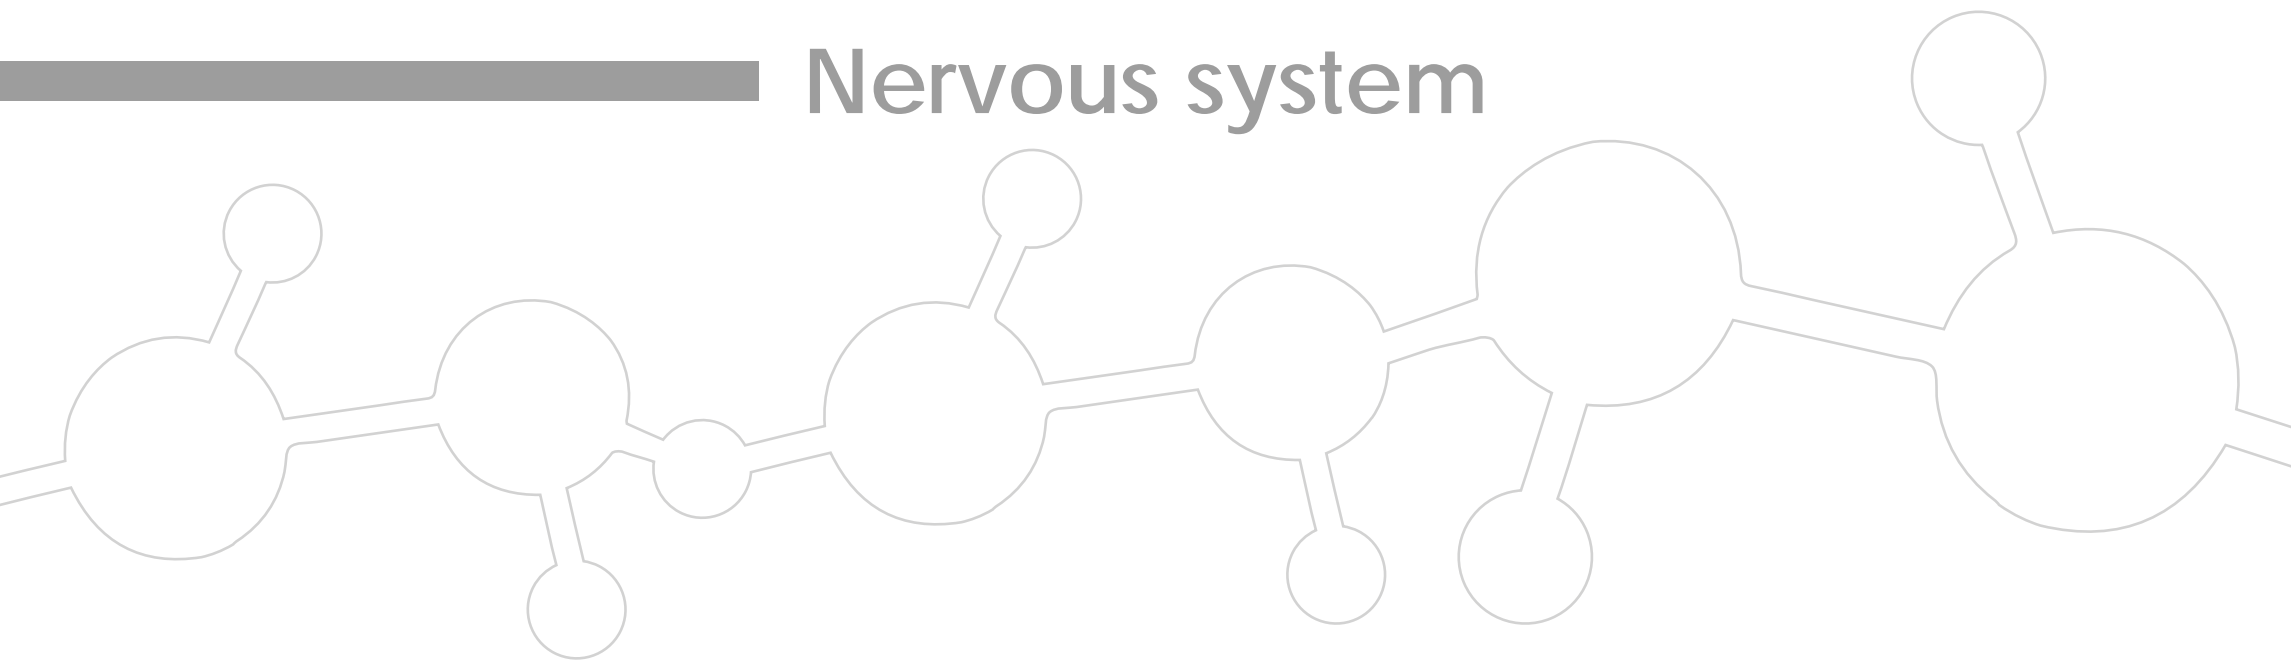

Rif. code: FT.IA.45

For more info:

# Nervous system

INDEX

57

## FITOGRAINE • Oral tablets

FS

Localized states of tension. Tension-type headache and migraines.

- **Fitosvelia® (High Bioavailability Boswellia)**

**Based on:** PEA, Magnesium pidolate, Fitosvelia® (High bioavailability boswellia), Griffonia, Vitamins B2-D3-PP.

*Rif. code: FT.IA.495*

## DOLOPEX • Oral cream

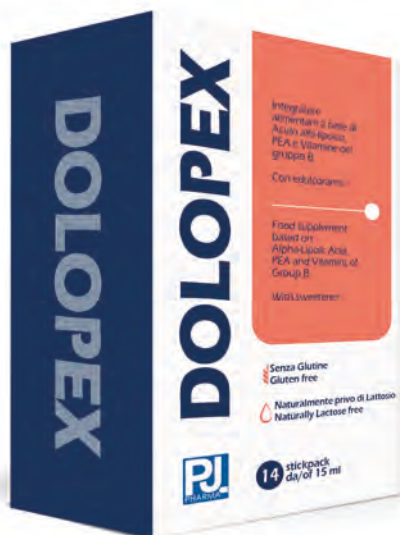

FS

Neuropathic pain.

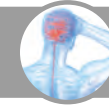

- **Easy to use even outside home**

**Based on:** Alfa lipoic acid, Palmitoylethanolamide (PEA), Vitamins B6-B12.

*Rif. code: FT.IA.561.1*

INDEX

**FS**

## NEUROCORTEX • Oral tablets

Central and peripheral neuropathies

- High availability of active ingredients
- High digestibility

**Based on:** ALFA BIOPROTEX® (Alfa-lipoic Acid, Acetyl L-carnitine), Vitamins B1-B2-B3-B6-B5-B12-D3, Folate.

*Rif. code: FT.IA.64*

For more info:

FS

## SLEEDIAN • Oral drops

Anxiety symptoms.

- Improves sleep quality

**Based on:** Ziziphus jujub, Melissa officinalis dry, Valeriana officinalis dry, Griffonia simplicifolia dry (5-HTP), Melatonin.

*Rif. code: FT.IA.97*

For more info:

FS

## CHINOSOL • Sachets

Neuropathies. Tiredness and fatigue.

- Acts simultaneously on nerve conduction and energy balance

**Based on:** Carnitine, Choline, Inositol, L-Tyrosine, L-Theanine, Vitamins B1-B5-B6-B12-C-D3-E-PP.

*Rif. code: FT.IA.26*

For more info:

FS

## FERROTIN PLUS • Vials

Anemia

- Good Taste
- High bioavailability

**Based on:** Micro-emulsified liposomal ferric pyrophosphate, Lactoferrin, Quatrefolic®, Vitamins B12-C, Zinc, Copper.

*Rif. code: FT.IA.610*

For more info:

FS

## MEMOSTOR • Sachets

Cognitive deficits associated with neurodegenerative diseases (as Parkinson's, Alzheimer's).

- Good Taste

**Based on:** Choline, Pelargonium, Chamomile, Cinnamon, Vitamins A-D3.

*Rif. code: FT.IA.557.1*

FS

## MITOCONDRI • Vials

In adult patients suffering from physical and mental fatigue and tiredness.

- Good Taste

**Based on:** Ribes nigrum, L-Carnitine, L-Arginine, Eleutherococcus, Tribulus terrestris, Rhodiola, Vitamins B1-B2-B3-B6-C-D-E, Coenzyme Q10.

*Rif. code: FT.IA.356.1*

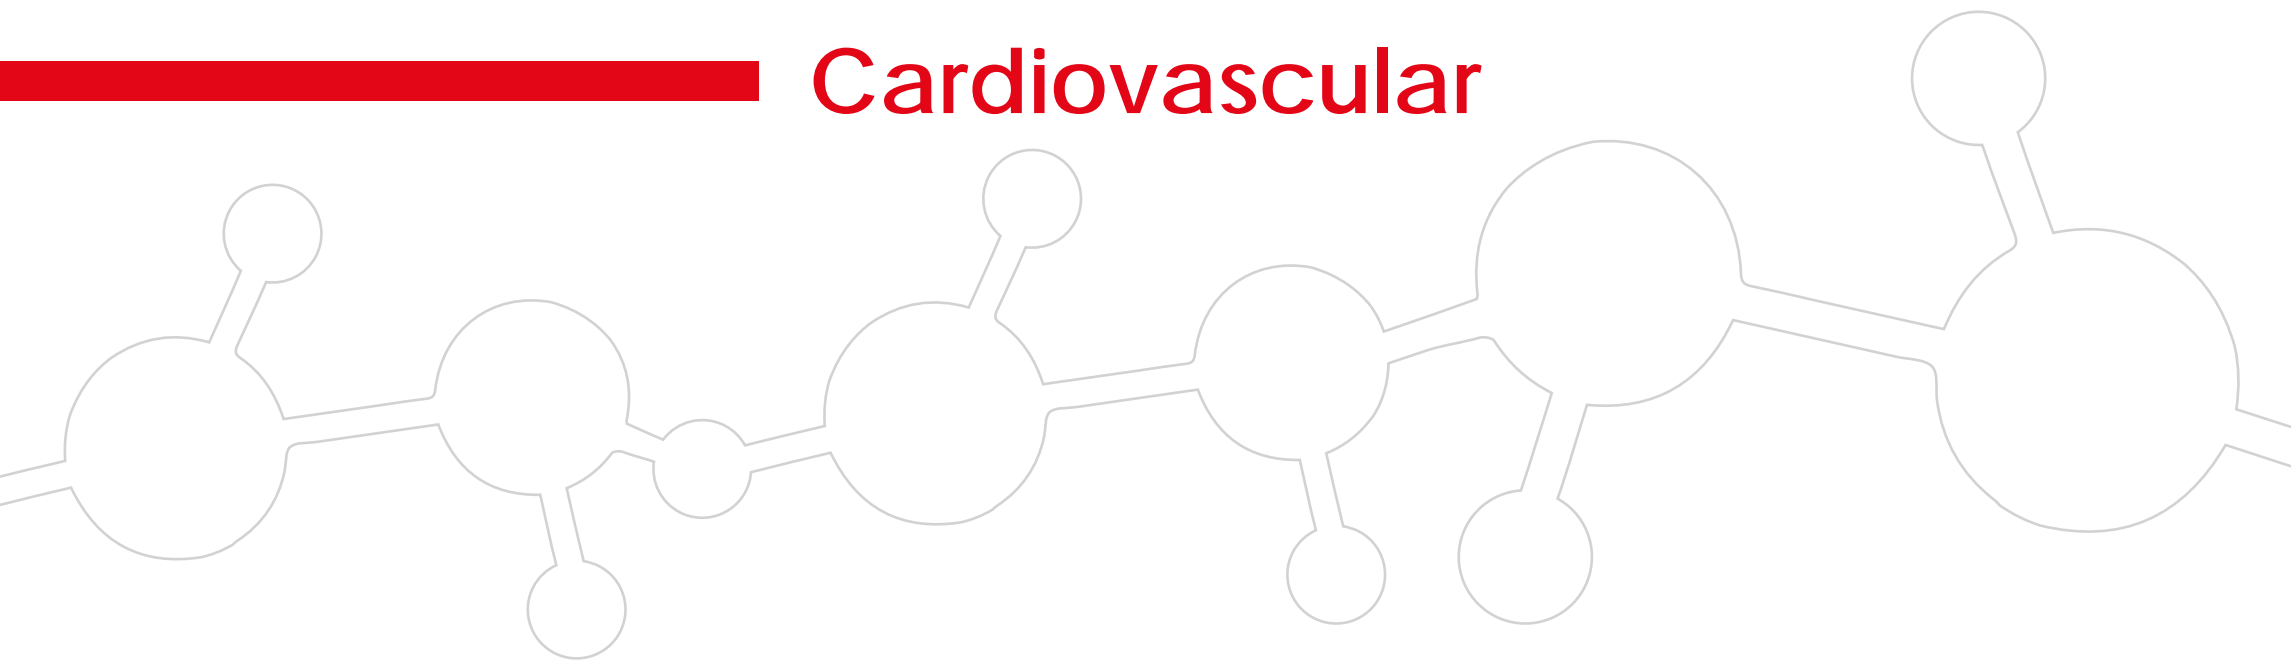

For more info:

# Cardiovascular

INDEX

63

FS

## OMESANOL • Oral soft gel capsules

Heart failure prevention, reduction of high cholesterol blood levels. Iperomocystinemia.

- No unpleasant fish taste
- High intestinal absorption

**Based on:** Omega-3 (DHA), Policosanol, Monacolin, Coenzyme Q10, Vitamins B2-B6-B12-D3, Folic acid.

*Rif. code: FT.IA.234.1*

FS

## ZEROSTEROL • Oral tablets

Hypercholesterolemia

- High monacolin levels in a single dose
- Coated tablets to increase active ingredients absorption

**Based on:** Monacolin, Coenzyme Q10, Policosanols, Astaxanthin, Folic acid.

*Rif. code: FT.IA.66*

For more info:

## LUMINEX CREAM • Dermal cream

Heavy and tired legs. Lympho-venous stasis. Capillary fragility.

- Light and fresh legs sensation

**Based on:** Melilot, Glycyrrhetic acid, Centella asiatica, Blueberry, Hyaluronic acid, Vitamin E, Menthyl lactate.

*Rif. code: FT.CO.28.1*

For more info:

FS

## LUMINEX SACHETS • Sachets

Problems related to venous circulation, microcirculation and hemorrhoidal plexus.

- Micronized diosmin
- High flavonoids concentration

**Based on:** Micronized diosmin, Rutin, Hesperidin, Meliloto dry.

*Rif. code: FT.IA.78*

For more info:

FS

## DIURIN • Oral solution

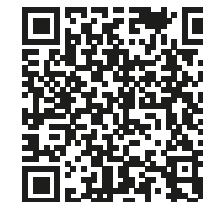

Peripheral oedemas. Stagnation of body fluids due to difficulties in the cardiovascular system.

- Good Taste

**Based on:** Betula Alba L. extract, Taraxacum officinale extract, Phyllanthus niruri L. dry, Agropyron repens extract, Tanacetum vulgare L. extract, Ceterach officinarum l. plv.

*Rif. code: FT.IA.112.1*

For more info:

# Gastroenterology

## REFLUSEN • Oral gel in stickpack

Mild GERD. Barrier effect on gastroesophageal tract. Helps heal mucosal damage. Soothing the mucous membrane. Ok for hypertensive or nephropathic patients.

- Easy to take even outside home

**Based on:** Low molecular weight hyaluronic acid sodium salt, Magnesium alginate (150mg/stickpack), Mhyrr, Guar seeds flour.

*Rif. code:* FT.CE.107.B

For more info:

## REFLUSEN PLUS • Oral gel in stickpack

Moderate-Severe GERD, Barrier Effect on gastroesophageal tract, Helps heal mucosal damage, Soothing the mucous membrane, Ok for hypertensive or nephropathic patients

- Easy to take even outside home

**Based on:** Low molecular weight hyaluronic acid sodium salt, Magnesium alginate (500mg/stickpack), Mhyrr, Guar seeds flour

*Rif. code:* FT.CE.107.A

For more info:

## MARIZEN • Oral drops

Nausea.

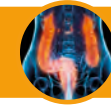

- Good absorption

**Based on:** SOFALENINA® (Ginger glyceric extract, Sodium alginate), L-Alanine, Vitamins B1-B2-B6.

*Rif. code:* FT.IA.258

For more info:

## IDANIL ANAL GEL • Multidose tube

Anorectal disorders. Internal or external haemorrhoids. Perianal congestion. Anal itching and burning.

- Very good tolerability
- Very good absorption

**Based on:** Plant extract, Escin, Niacinamide, Inositol, Lactic acid, Panthenol, Menthyl lactate, Tocopherol, Bisabolol, Tocotrienols.

*Rif. code:* FT.CE.129

## IDANIL ANAL SOLUTION • Solution

Daily anal hygiene. In case of irritation and inflammation of the haemorrhoid plexus.

- High lubricating, gentle and protective action

**Based on:** Aloe vera, Vitamin E acetate, Sodium hyaluronate, Vitamin B2 5-phosphate, Chlorhexidine digluconate.

*Rif. code:* FT.CE.151

For more info:

## LUMINEX TABLETS • Tablets

FS

Problems related to venous circulation, microcirculation and hemorrhoidal plexus.

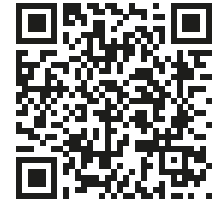

- Micronized diosmin
- High flavonoids concentration

**Based on:** Micronized diosmin, Rutin, Hesperidin, Meliloto dry, Bromelain.

*Rif. code: FT.IA.55*

For more info:

## COLESTIP • Sachets

Chronic constipation.

- Recommended by the ESPGHAN and NASPGHAN guidelines

Based on: Macroglol 3350

Rif. code: FT.CE.46.1

For more info:

## STIXOL • Oral solution

Constipation. Improves intestinal motility and softens stools.

- Natural active ingredients

Based on: Lactulose, Althaea officinalis root dry, Mannite of fraxinus ornus, Prunus spinosa juice.

Rif. code: FT.IA.129.1

For more info:

FS

## MARICOL CAPSULES • Oral capsules

Irritable bowel syndrome and intestinal inflammation.

- Odourless

Based on: Sodium butyrate, Cumin, Lactobacillus reuterii.

Rif. code: FT.IA.243

For more info:

FS

## MARIFLOR DIARR • Sachets

Acute and/or recurrent diarrhoea.

- Good Taste

Based on: Saccharomyces boulardii, Myrtle tannins, Rice starch.

Rif. code: FT.IA.447.1

FS

## CARISSA • Oral capsules

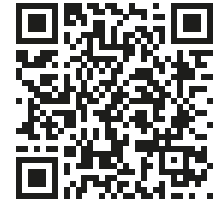

In case of abdominal pain of intestinal type. Discomfort due to intestinal gas.

- **Natural active ingredients**

**Based on:** Carbo vegetabilis, Melissa officinalis L.dry, Foeniculum vulgare mill., Cuminum cyminum, Valeriana, Mentha piperita L.

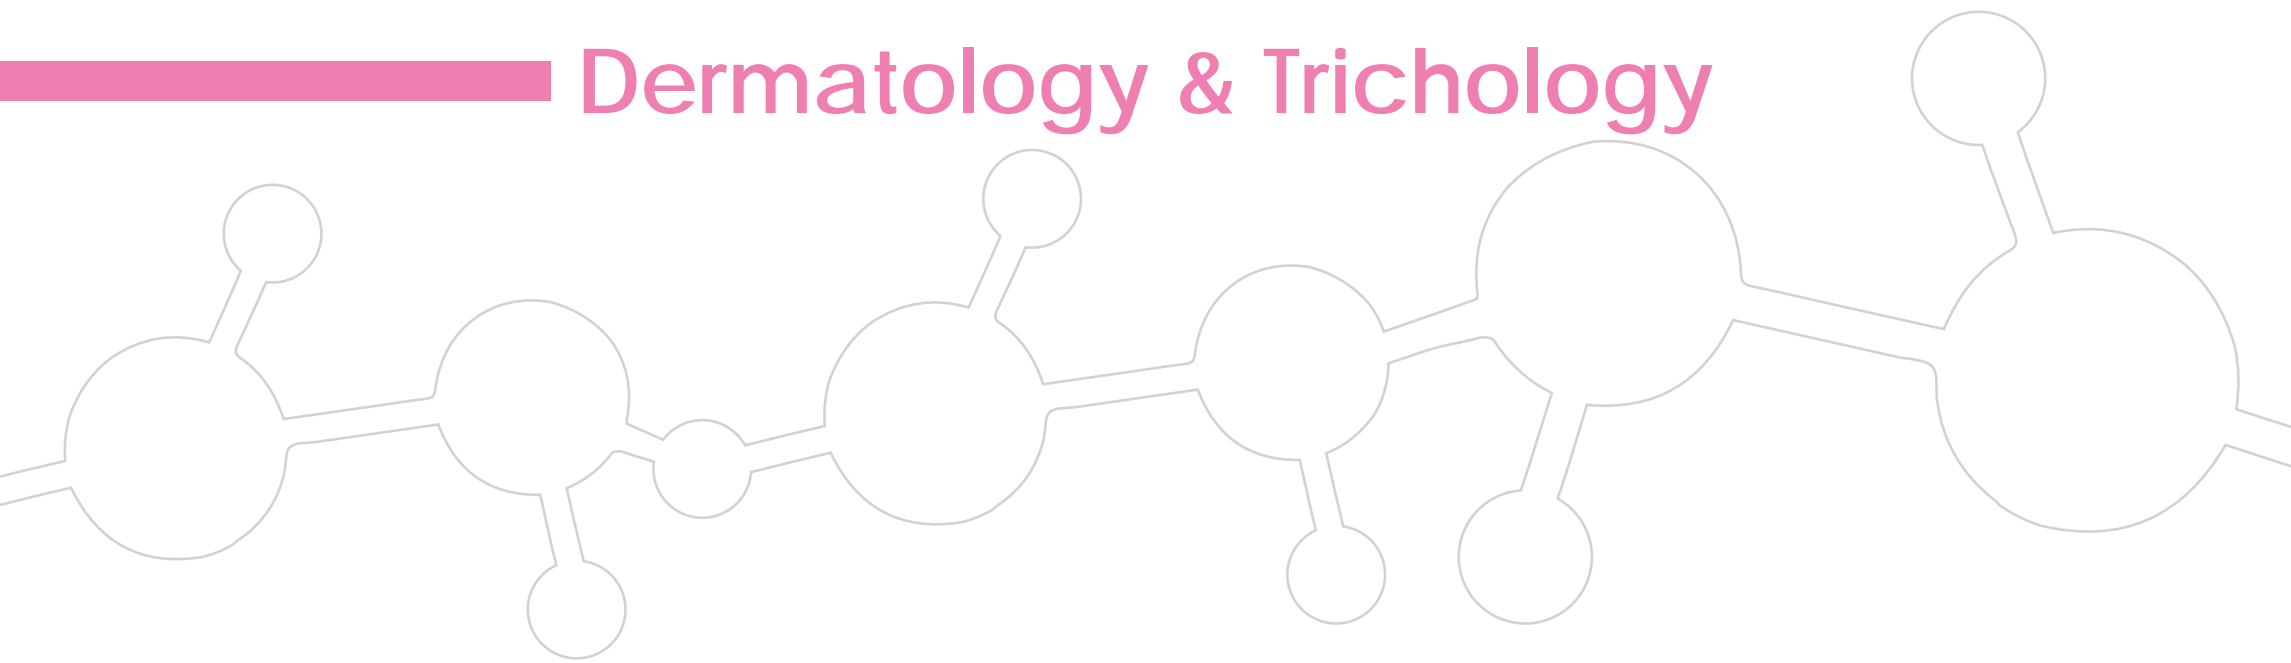

*Rif. code: FT.IA.51*

For more info:

# Dermatology & Trichology

INDEX

74

### GIADì • Shampoo

Scalp seborrheic dermatitis. Scales and dandruff elimination and prevention.

- Medicated shampoo for frequent use

**Based on:** Sodium chloride, Menthol, Lactic acid, Sodium lactate, Methyl salicylate, Salicylic acid, Zinc pyrithione, Panthenol, Piroctone olamine.

*Rif. code: FT.CE.157*

For more info:

### TRICOSOLFUR • Oral tablets

Prevention of hair loss and brittle nails.

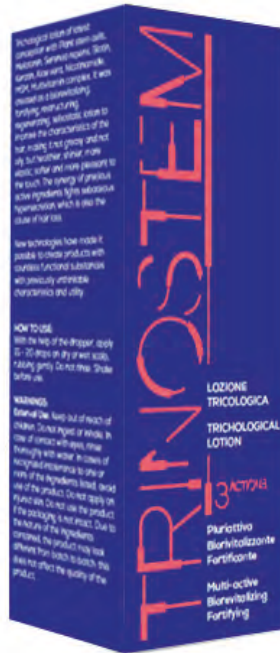

- Acts on the cell division process and collagen formation

**Based on:** L-Cysteine, L-Methionine, MSM, Mile dry seeds, Astaxanthin from microalgae, Vitamins A-B2-B12-C.

*Rif. code: FT.IA.03.1*

For more info:

## TRINOSTEM • Hair solution

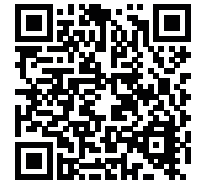

In case of hair loss.

- High concentration of biorevitalizing and fortifying active ingredients

**Based on:** Aminoacids, Keratin, Plantago, Salicylic acid, Aloe, Piroctone olamine, Zinc pyrithione, Zinc PCA, Serenoa, Urea, Caffeine, Melatonin, Quercus alba, Arginine.

*Rif. code: FT.CO.68.1*

For more info:

**DILCOIL ACNE GEL • Dermal gel**

Mild and moderate acne and seborrhea.

- High sebum regulation

**Based on:** Benzoyl peroxide, Lactobionic acid, Glycolic acid, Lactic acid, Sodium lactate, Vitamin A, Vitamin E, Azelaic acid, Climbazole.

*Rif. code: FT.CE.156*

For more info:

**DILCOIL LIPOGEL • Dermal gel**

Atopic skin. Eczema. Xerotic. Atopic dermatitis. Emollient and soothing in cases of itching and burning.

- Highly bioavailable melatonin
- Fast absorption

**Based on:** Prunus amygdalus dulcis oil, 7-dehydrocholesterol, Melatonin, Avena sativa kernel oil, Bisabolol, Tocopherol, Oryza sativa bran oil, Tocopheryl acetate, Tocotrienols.

*Rif. code: FT.CE.164*

For more info:

CO

## KERAFOL • Dermal cream

Seborrheic keratoses, hyperkeratotic plaques of psoriasis and keratodermias.

- High tolerability

**Based on:** High urea and salicylic acid concentration.

*Rif. code:* FT.CO.24.1

For more info:

CO

## CLIMBALIN • Dermal gel

Daily treatment for seborrhoea and acne-prone skin.

- Very good tolerability

**Based on:** Gluconolactone, Glycolic acid, Climbazole, Salicylic acid, Lactic acid, Vitamins A-E, Propylene glycol.

*Rif. code:* FT.CO.20.1

**ACARINOX • Dermal gel**

Treatment of scabies.

- **Very good tolerability**

**Based on:** Permethrin, Benzyl benzoate, Calamine, Panthenol, Vitamin E, Bisabolol, Currant extract, Green the green, Menthyl lactate, Tea tree oil, Neem oil, Essential oil of cloves, Zantalene, Tasmanian pepper extract.

*Rif. code: FT.CO.180.1*

# Endocrinology & Metabolic

INDEX

80

FS

## DIACARE • Sachets

Gestational diabetes prevention in women with PCOS. Normal blood glucose levels. Regulation of hormonal activity.

- **Myo-inositol: inositol active form**

**Based on:** Myo-Inositol, Folic acid, Alpha lipoic acid, N-Acetyl Cysteine, Chromium, Vitamins B6-B12-D3.

*Rif. code: FT.IA.379*

For more info:

FS

## SLENDERINE • Sachets

In case of ketogenic diet. Carbohydrate and fatty acid metabolism.

- Good Taste

**Based on:** Milk protein, Calcium, Potassium, Ornitine alfa keto glutarate, Linum extraxt, Carnitine, Magnesium, Taurine, Zinc, Citruline.

*Rif. code: FT.IA.274.1*

FS

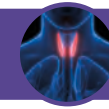

## DRENUP • Oral solution

In overweight persons. Drainage of body fluids. Control of the sense of hunger.

- Good Taste

**Based on:** Orthosiphon, Silybum marianum, Rhodiola, Griffonia, Ananas, Pilosella, Taraxacum.
