# WE OFFER

Why to choose our group:

## QUALITY

*Total Quality is the attitude for the Azevedos Group. We fully comply with the highest pharmaceuticals standards. Our references - cGMP; ISO 9001; ISO 14001; OHSAS 18001 - are the core of our management.*

## FLEXIBILITY

*Our goal is to present solutions for partners, markets and our own demands. We are able to answer on a larger scale to the requests we receive.*

## CAPACITY

*What sets us apart is our wide offer of services and products. Our strengths are composed of a commercial activity led by a well-prepared and aware sales force, a specialized logistical component, production units capable of satisfying the most demanding technological requirements and capacity of large volume supply.*
