PARTNERING WITH PACIFIC MEDICAL INDUSTRIES (PMI)

- INTRODUCTION TO PMI, VISION & MISSION
- OUR MILESTONES
- OFFERED PRODUCTS & SERVICES
- COMPELLING REASONS TO WORK WITH PMI
- OUR QUALITY MANAGEMENT SYSTEM & ACCREDITATIONS

On July 23, 2017, we celebrated the official opening Ceremony of Pacific Medical Industries Ltd (PMI), a new US $20 million manufacturing facility in Yangon, a symbol of progress for the entire nation. PMI is a sister company of A A Medical Products Ltd (Established in 1996), Myanmar's largest and most trusted pharmaceutical distribution company with branch offices throughout the country, as well as overseas subsidiaries in Singapore and the United States.

VISION 2025

ISO compliance, WHO and USFDA approval of the multi-product generic facility with 3 ANDAs focused on Myanmar and targeting Global market with a value turnover of 30 Million USD by 2025.

MISSION

1. PMI is a pioneer in the Myanmar pharmaceutical manufacturing enviroment of quality branded and generic drugs supported by innovations from a strong international R&D team.
2. We take pride in our cGMP compliant facility with necessary infrastructure and experienced technical personnel to manufacture products of reliable quality at affordable prices.
3. We strive to provide customer satisfaction to meet unmet market needs: making pharmaceuticals, nutraceuticals and OTC products accessible to the Myanmar and global market.

COMPELLING REASONS TO WORK WITH PMI

1. Take advantage of local manufacturing by avoiding importation of products.
2. Ensure continuous and sustainable market supply of high quality products by manufacturing locally in a FDA GMP accredited facility with minimal risk of import restrictions.
3. Minimize currency, exchange rate & payment challenges by working with a local manufacturer like PMI.
4. Highly capable and competent expert local & expatriate staffs to seamlessly execute products transfer to the manufacturing site.
5. No more import challenges to keep product supply continuous.
