MAXIMUM
concentration, quality, effectiveness

Let food be your medicine and your medicine be food

AQMA ITALIA

italian nutraceuticals for healthy life

AQMA Italia is a nutraceutical company developing high quality and innovative patented products Made in Italy, with the help of its internal Research and Development department. Clinical trials performed on products confirm their efficacy and safety.

The key points of our work are:

We identify Your Needs

We research it!
(synergistic effect for active substances)

**Maximum concentration
of active ingredients**

Made in Italy

Study Dosage

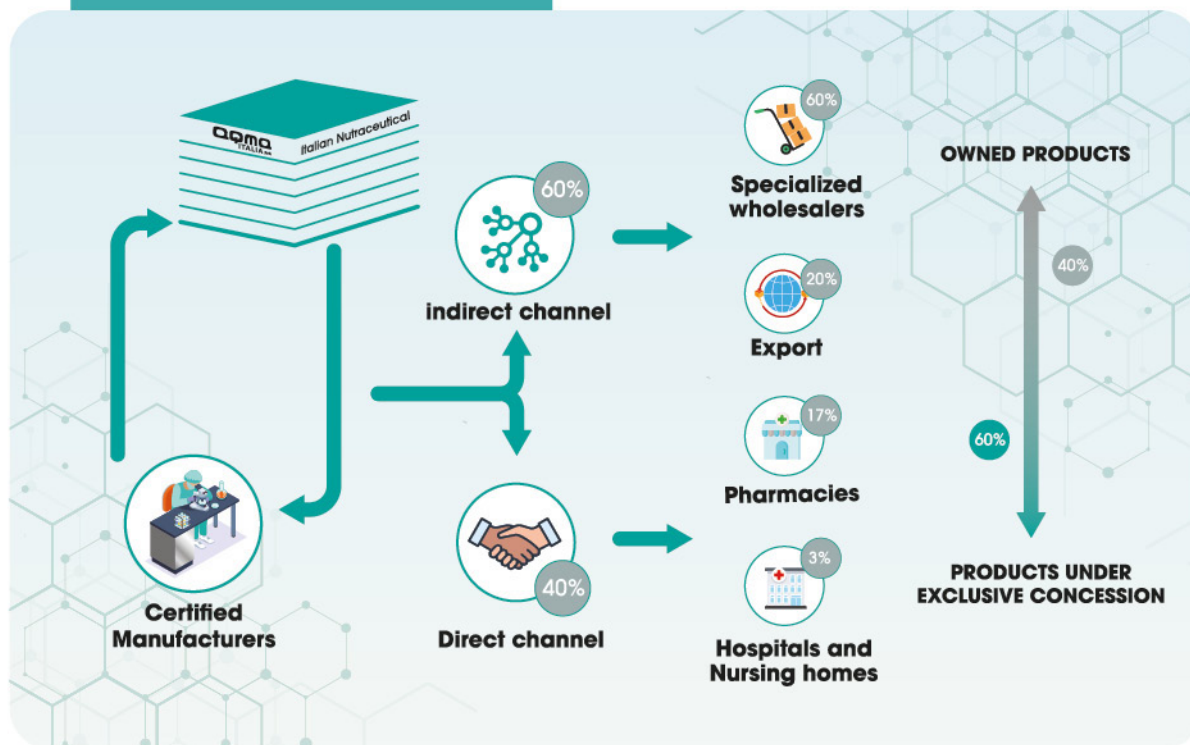

Clinical trial

*Let food be thy medicine, and let
medicine be thy food*

(Hippocrates)

AQMA business model

Our food supplements, cosmetics and medical devices are functional products with therapeutic effects. They are the result of careful researches and development processes with the aim of offering to doctors and customers products useful to improve health, support the body against chronic diseases, delay aging process as well as increase life expectancy, or just support functions and strength of the body. They might be considered healthy sources to assist in the treatment of chronic and degenerative diseases, to support immune system and oppose oxidative stress.

FOOD SUPPLEMENTS & TOPICAL PRODUCTS

Innovation and Wellness
Science for Health

Our internal R&D team has studied and developed several products that can be used in different medical fields:

- **General Medicine** (all products),
- **Cardiovascular Health** (FERACHEL, FLAVOFORT, PROLISET COMPLEX, MEDRONYS COLESTEROLO, GLUDAT)
- **Metabolic Disease** (MEDRONYS EPATO, MEDRONYS COLESTEROLO, GLUDAT)
- **Dermatology** (SQUDO, GLUDAT, PROLISET COMPLEX, CICATRIX LINE)
- **Neurology** (GLUDAT, ANSIVOR, PROLISET DOL)
- **Urology** (PROLISET COMPLEX, PROLISET DUO)
- **Dentistry** (PROLISET COMPLEX, PROLISET DUO)
- **Otology** (PROLISET COMPLEX, PROLISET DUO, FLAVOFORT)
- **Osteoarticular system** (CONDROXOL ORTO, PROLISET DUO, FERACHEL, CIBIDES)
- **Gynaecology** (FERACHEL, SQUDO, GYNACID OVULES, PROLISET DUO, PROLISET DOL, GLUDAT)
- **Nephrology** (FERACHEL, PROLISET DUO, GLUDAT, SQUDO)
- **Surgery** (PROLISET COMPLEX, PROLISET DUO, FERACHEL, PROLISET DOL, SQUDO)
- **Sport Medicine** (PROLISET DOL, CIBIDES, FERACHEL, GLUDAT)

Ferachel[®]

Line

FERRIC SODIUM EDTA

Iron evolution

Indications:

martial therapy of hypoferremia and / or iron deficiency anemia in:

general medicine

hematology

nephrology

oncology

geriatrics

gynecology

gastroenterology

interventional surgery

Gluten free

Lactose free

Clinical study

Made in Italy

Ferachel forte[®]
24 acid-resistant capsules of 550 mg

Nutritional Facts:

Ingredients	Daily dose (1cps)	%DRV*
Ferric sodium EDTA	230 mg	---
equal to Iron	30 mg	214
Vitamin C	150 mg	187.5

- Fissures even after proctological surgery
- Injuries caused by radiotherapy or chemotherapy

Active Ingredients:

Sucralfate
Glycine

Gynacid ovules[®]

Vaginal Ovules

To keep natural pH
and hydration

Indications:

Gynacid ovules[®] it is useful in the prevention and treatment of

vaginal dryness
also in mycotic character

It helps reducing irritations, burning
and itching.

Gynacid ovules[®] is a medical device that helps maintain the natural defenses of the vagina and enhances the recovery the normal vaginal flora; containing hyaluronic acid, boric acid and lactic acid it helps delete the symptoms due to unbalanced vaginal hydration and/or vaginal pH.

- Hyaluronic Acid in its sodium salt form at a 10 mg/ovule dosage exerts an hydrating and lubricating action against vaginal dryness and contributes to restore a natural and comfortable vaginal environment.
- Lactic Acid, normally present in the vagina, favors an immediate pH correction and facilitates the natural recovery of the delicate vulvo-vaginal ecosystem.
- Boric Acid, thanks to its persistence in the vaginal environment, favors a lowering of pH prolonged over time.

Ingredients:

One ovule contains: Boric Acid, Hyaluronic Acid Sodium Salt, Polycarbophyl, Lactic Acid, Tocopheryl Acetate, Vitamin A, 18-beta-glycyrrhetic Acid, Tea Tree Oil, Semisynthetic Triglycerides, Phosphatidylcholine.
