

Sometimes
it's good
to be

SQUARE

When you're SQUARE you SAVE.

Innovative design significantly saves costs throughout the supply chain due to efficient logistics, improving sustainability performance.

Bulk open-top all-plastic containers for APIs, tablets, powders, flakes, ingredients and dangerous and high-value goods.

Darbox SquarePack™

Ref#	Volume	UN
C651	70 L	4H2/Y50/S, 4H2/X25/S

Volume takes up space, and space costs money. Eco-positive too.

**3 steps to cost-efficient industrial
packaging and improved sustainability
performance.**

1

**Maximize the pallet
footprint** with square-
shaped drums

2

Nestable containers
save space and provide
compact, empty inbound
transport and storage

3

Strong, stable stacking,
certified up to 3m height,
with filled square drums
