DESCRIPITON

Dermolivo Vulvar Gel is an intimate gel based on hyaluronic acid, purified extract of oat, wheat germ and polyphenols concentrated from the olive oil. It acts on the irritating areas of the skin and mucous membranes, counteracting oxidative stress and providing deep hydration. Effective against redness, itching, burning, swelling, flaking and ongoing degenerative processes.

Cutting-edge delivery system based on Hyalurosomial Hyaluronic acid allows active ingredients to penetrate deeper layers of the skin
