Dear colleagues and business partners,

As a first generation entrepreneur, chasing of a big dream of serving the common man with quality medicines and anti-cancer drugs at affordable price was far from possible. What followed over the years has been the reward of sheer perseverance, passion, zeal and enthusiasm. This journey with its own ups and downs has reinforced my belief that 'Nothing is impossible', provided one religiously follows the core values-Focus, Quality, Unwavering Ethics, Transparency, Commitment and Customer Satisfaction, needless to say our strength at **BRAWN**.

Today we are among the fastest growing Pharma Indian multinationals, **Brawn** has grown exponentially in the last decade and made a distinct presence across the globe with its quality products.

Our state-of-the-art manufacturing facility is equipped with the latest equipment in pharmaceutical technology, a highly professional and educated staff who work as a family towards our mission and vision. A multi-tier quality control and assurance mechanism ensure that every product is a promise **for better life....** Our in-house team of highly dedicated regulatory departments has made the challenging task of the company's entry into the global markets including the regulated ones a smooth ride.

It makes me really proud to share the news of our upcoming **US FDA and EU GMP** compliant plant at **Halol, Gujarat**. This will further boost our production capacities to serve humanity.

With renewed and strategic focus on **R&D**, the company has recently ventured into exclusive **R&D** setup for **API and Formulations** conforming to international standards. The **DSIR**-approved facility has highly skilled scientists and doctors working on new generation molecules and innovative products, especially in the oncology field.

Over the time, diversification has been our key strategy and **Brawn** has ventured into various domains of pharmaceutical universe. **Brawn** has won the trust of customers across all the fields like **Pharmaceuticals Herbal & Cosmetics/High end Complex Oncology API/Medical Devices & Surgicals/Pharmaceutical Print & Packaging/Clean Room HVAC** etc..

Today **Brawn Group of Companies** has carved a niche for itself and its viewed as **Reliable Global Partner** catering to diversified industry needs under one roof.

My heartfelt thanks to all my colleagues, business partners and all the customers who believed in us and our products. Together we have and we will work for serving humanity **for better life....**

**B.R. Gupta**  
Managing Director  
(Brawn Group of Companies)
