2023 - Launching Crenes Care, A Superspecialty Division

2022 - Dubai Office establishment

- Office Establishment in Bolivia, Panama & California (USA)
- Expansion into the Latin America Market.
- Top Ten leader in Pharma & Lifescience Industry 2022 (April Issue) of CEO Insight Magazine
- SBRG Cleantech Operations started
- Approval from Mexico
- SBRG Medtech Operations initiated

2022-2023

2019 - Established new offices – Kenya, Philippines & Nigeria

2019 - Achoo 2in1 receives Best Innovative Product of the Year by Dainik Bhaskar group

2018 - DSIR Approval received at R&D

2018 - Ayush approved Herbal manufacturing facility (Brawn Cosmetics & herbal Pvt. Ltd.) started;

2017 - Foil printing facility(Shashi Prints) started

2017 - Received Plant Approvals from Tanzania, South Sudan, Kenya

2016 - R&D- API And DF Operations started

2016-2019

2021 - USFDA compliant OSD Plant construction started at Halol

- Domestic operations including Pharma, OTC & Institutional shifted to new Domestic Office

- API manufacturing Plant Construction at Dahej started

2020 - Inaugrated New R&D Centre

- Monocarton printing started at new facility of Shashi Prints;

2020-2021

2015 - Sai Medicos started

2014 - Received Plant approvals from Zimbabwe, Ethiopia, Ivory Coast & Yemen

2012 - Established new offices – Myanmar, Cambodia

2011 - Introduction of new Formulation Technologies – PFS & Lyophilized

2011-2015

2010 - Received Plant approvals from Ghana, Iraq & Afghanistan

2008 - Star Export House Certification received

2006 - Established office in Vietnam, Hanoi

2006-2010

2000 - Different Blocks Betalactum; Non betalactum; Cepha Block; Parenteral Block started

1995 - Brawn Biotech listed on BSE; First public issue

1990 - Acquired bigger manufacturing facility at Faridabad with Tablet, Capsule, Liquid, Dry Syrup, Dry Powder Injection, Liquid Injection Sections

1988 - Acquired retail pharmacy shop in front of AIIMS-SDM

1986 - Started Manufacturing plant in Okhla with Tablet, Capsule & Liquid Sections

1985 - Became leading distributor of various reputed companies

1978 - Started Gupta Agencies- Distribution of various pharma companies

1976 - Started career as Medical Rep

1976-2000

2005 - Operational office established in Peru

2004 - Capacity Enhancement of Different lines to meet increased demand

2002 - Initiated Export operations

2001 - WHO-GMP Certificate Received

2001-2005

JOURNEY SO FAR...

ABOUT US

Shri B.R. Gupta
Managing Director

The Journey of **Brawn Laboratories Ltd.** began in 1986 with the keen efforts of **Shri B.R. Gupta**. As a medical representative, the chasing of a big dream of serving the common man with quality medicines and anti-cancer drugs at affordable price was far from possible. What followed over the years has been the reward of sheer perseverance, passion, zeal and enthusiasm. This journey with its own ups and downs has reinforced my belief that 'Nothing is impossible', provided one religiously follows the **core values- Focus, Quality, Unwavering Ethics, Transparency, Commitment and Customer Satisfaction, needless to say our strengths at BRAWN.**

MISSION

"To develop and market affordable research based quality generic formulations for better life all across the globe."

VISION

"To be one of the 50, strategic & research based generic global healthcare corporation, creating value for the stakeholders by empowering people to provide quality products & services through regulatory compliance & operational excellence."

US FDA, EU GMP COMPLIANT PLANT

-  Expanding the business with new subsidiaries
-  Venturing into API manufacturing like Anti-Cancer API, Complex API at Gujarat
-  New US FDA / EU GMP compliant plant to be set up in Halol, Gujarat

BRAWN LABORATORIES LIMITED

YOUR RELIABLE GLOBAL PARTNER

Our **state-of-the-art manufacturing facility** is equipped with the latest equipment in pharmaceutical technology, a highly professional and educated staff who work as a family towards our mission and vision. A multi-tier quality control and assurance mechanism ensure that every product is a promise for better life....Our in-house team of **highly dedicated regulatory departments** has made the challenging task of the company's entry into the global markets.

Registered COPPs

STATE-OF-THE-ART MANUFACTURING PLANT

For over **38 years**, we have been making difference in the lives of people across more than **60 countries**. The R&D unit is duly recognized by the Department of **Scientific & Industrial Research (DSIR), Government of India**.

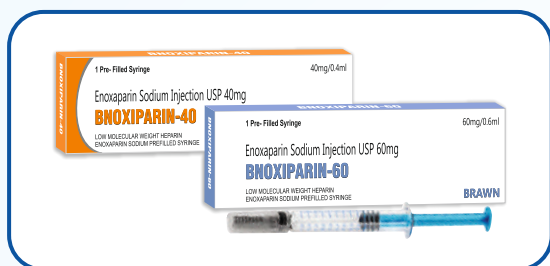

OUR MANUFACTURING EXCELLENCE

Newer Technologies

Brawn is one of the few Indian companies which has the technology for producing **freeze dried (lyophilized) formulations** and **pre filled syringe (PFS)** in its manufacturing facility.

PFS

Lyophilized

Bilayered

The facility has the capability of producing **bilayered tablets** (tablets with two different ingredients on its two sides) and **sustained release tablets**, which has a dissolution profile of more than 12 hours.

Exclusive Packaging

Products from the facility can be made available in different packing style like: **Alu-Alu**, **Blister & Strips** as per the product requirement and market needs.

Alu-Alu

Blister

Strip

Sachet

RESEARCH AND DEVELOPMENT CENTER

Driven & Served by Science

Brawn Research and development Center (BRCG) is the core of our innovation- Driven by science and served by science. We are constantly exploring opportunities in pharma research under these specific categories:

- **DSIR Approved R&D for API & Formulation**
- **Collaborative research and development**
- **In-licensing of technologies/NMEs**
- **Out-licensing/co-development of Brawn Research & Development Center for drug and drug products candidates**

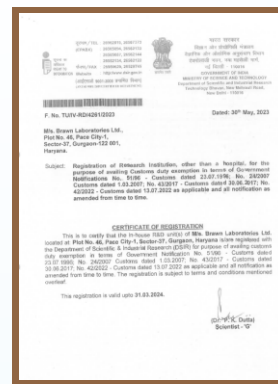

MISSION

- ✓ Develop Innovative Technologies
- ✓ Provide Affordable Drugs to The Public
- ✓ Create Value by Continuous R&D

VISION

- ✓ To Emerge as A Global Centre for Technology Development & Innovation and An Integrated Platform Providing R&d Solutions, Creating Value by Continuous R&D

LIFE AT BRAWN

At **BRAWN**, we provide opportunities for continuous learning, career growth, and skill enhancement, acknowledging the importance of maintaining a healthy work-life balance, prioritizing employee health and wellness, both physically and mentally. Encouraging a collaborative environment where diverse teams work together seamlessly. We care not only for humans but also for those who love us unconditionally without any verbal communication. Our CSR activities which are implemented through **“Women Empowerment, Animal Welfare (Sansthanam Abhay Danam) & Skill Development”** foundation which mainly focus on animal and bird welfare.

OUR WORK CULTURE

OUR CSR ACTIVITIES

Women Empowerment

Providing free ration to the female employees of our organisation

Animal Welfare

Working in collaboration with “Sansthanam Abhay Danam” which caters to the needs of Animals and Birds.

Skill Development

Provide access to various seminars/webinars and courses to our employees for further skill development.

OUR ORGANIZATIONAL JUBILATION

**“WE FULFILL POSITIVE
& SUPPORTIVE WORK
ENVIRONMENT”**

for better life...
