

SILVER-BASED ANTIMICROBIALS

- ✓ Silver offers powerful antimicrobial properties and long-lasting action, making it highly effective against a wide range of bacteria and fungi. In pharmacy and medical products, silver helps prevent infections and promotes faster wound healing.

TANNIC ACID DERIVATIVES ANTIDIARRHEALS

- ✓ These antidiarrheal compounds are used to treat acute gastroenteritis by forming a protective film on the intestinal wall, providing astringent and antibacterial effects, reducing inflammation, and restoring normal intestinal permeability.
