

ATHULITHA LABORATORIES PRIVATE LIMITED

QUALITY. TRUST. INNOVATION

“Your Trusted Veterinary API Partner”

India's Fastest-Growing Manufacturer of Veterinary APIs

About Us

Athulitha Laboratories Private Limited is one of India’s fastest-growing manufacturers of veterinary Active Pharmaceutical Ingredients (APIs) and intermediates. With a state-of-the-art, GMP-compliant facility located at Jeedimetla, Hyderabad, Telangana, India. We specialize in the development and manufacturing of high-quality products across therapeutic classes including Anthelmintics, Antiprotozoals, and NSAIDs.

Driven by our commitment to quality, integrity, and sustainability, Athulitha delivers products that meet the highest global manufacturing standards, ensuring consistency and reliability. We continue to expand our presence through innovation, operational excellence, and trusted partnerships in the veterinary pharmaceutical industry.
