FUTURE ROADMAP

2028

FDA

To acquire USFDA approval for our Manufacturing facility.

To Commence a State-of-the-Art Manufacturing Unit for Injectables.

2027

2026

API

To Establish API Manufacturing Unit.

To acquire UK-MHRA, TGA & Health Canada approval for our Manufacturing facility and commence operations in Europe, Central, South and Latin America.

2025

MILESTONES

2007

♦ Inception of BioMatrix Healthcare Pvt. Ltd.

2018

♦ A Year of Surpassing INR 1000 Million Revenue & 250 Product Registrations

2022

♦ Successfully entered the Francophone Region, Commencing Operation in Ivory Coast, Cameroon, Mali, Benin & Madagascar

2024

♦ Accredited the coveted EU-GMP Certification
♦ Surpassed the milestone of over 1000 fully compliant Product Registrations

2013

♦ Completed 100+ Product Registrations

2020

♦ Commissioned a State-of-the-Art, WHO-GMP compliant Manufacturing Facility

2023

♦ Established Research & Development (R&D) Center to Develop Innovative Products & Processes.
♦ Accorded the Status of 3 Star (***) Export House

ORGANIZATION OVERVIEW

- Established in 2007, with a mission of “Supporting Life Worldwide” **BioMatrix Healthcare Private Limited** is one of the fastest growing pharmaceutical company in India.
- BioMatrix has State-of-the-Art Oral Solids, Liquid and Dry Syrup Manufacturing facility which has been accredited by **WHO-GMP, EU-GMP** and complies with ANVISA, UKMHRA and USFDA regulations.
- The company has established its State-of-the-Art **R&D** Center equipped with the latest research infrastructure and manned by domain-leading personnels.
- We are Young, Enthusiastic and Passionate team with one commitment to make this World Healthier.
- With Headquarter in Ahmedabad, currently we are into 100% Export Business. We have operations in African, CIS and LATAM countries with ongoing expansion in Europe, SEA & GCC Markets.
- From the year of inception, we have committed ourselves in providing Affordable and Innovative Healthcare Globally.

MISSION

To Provide Affordable and Innovative Medicines to all for Healthier lives.

VISION

To become a Leading Pharmaceutical Company in India and a Significant Global Player by providing High Quality, Affordable and Innovative Medicines for Healthier lives.

VALUES

Honesty, Integrity, Dedication & Hardwork are the Core Values of BioMatrix.

RESEARCH

With World-Class R&D facility, we are committed to provide branded generics at an affordable cost.

Our Team of **60+** Scientists are constantly putting their efforts and know-how to develop robust and cost-effective formulations.

Our Scientists are experts at developing alternative, patentable processes for generic formulations, as well as in process development, scaling up and registration of products with CTD & eCTD dossiers.

Dosage forms Developed by our R&D Team

- Bi-Layer Tablet
- Direct Compressible Tablet
- Immediate Release Tablet
- Enteric Coated Tablet
- Controlled Release Tablet
- Sustained Release Tablet
- Chewable Tablet

On-going Development

- Effervescent Tablet
- Tablet in Capsule
- Multi Release Tablet

CAPABILITIES

We offer expertise in developing formulations for different dosage forms from Lab to Life Production Capabilities:

BATCH	CAPACITY	
	Solids	Liquids
Laboratory Scale	200 gm to 2 Kg	500 ml to 10 Liters
Exhibit Scale	5 Kg to 30 Kg	120 Liters to 300 Liters
Commercial Scale	30 Kg to 2000 Kg	300 Liters to 4000 Liters

MANUFACTURING

Since March-2020, our State-of-the-Art Manufacturing facility for Tablet, Capsule, Liquid and Dry Syrup is in operation.

We have ensured world-class quality in design, equipment and operations in our Manufacturing facility, which enable us to provide best-in-class products at affordable prices to the patients across the globe.

This State-of-the-Art facility with stringent quality norms will enable BioMatrix to accelerate its growth in the existing International Markets and will help to expand its wings further in to global markets.

Our Annual Production Capacity

5 Billion Tablets/Annum
1 Billion Capsules/Annum

24 Million Bottles of Liquid/Annum
18 Million Bottles of Dry Syrup/Annum

SERVICES WE OFFER

We provide comprehensive range of pharmaceutical services to support every stage of drug development and commercialization.

Which includes...

Formulation & Analytical Development for custom-tailored drug products

Co-Development Partnership Opportunities for Formulations

CDMO services that Streamline drug Manufacturing at all Stages

In/Out Licensing solutions to extend Product's reach into new Market

Contract Manufacturing (CMO) in Production Scale of your Choice with a wide range of dosage forms and Packaging Services through Tech-Transfer

REGULATORY SUPPORT

BioMatrix's vibrant Regulatory Affairs (RA) team is fully equipped to develop regulatory strategy and manage compliance, risks and dossier submissions across the globe. They provide expert regulatory support to ensure compliance with international standards and help navigate the approval process.

Our RA Team is proficient in:

- Product/Dossier development in CTD/ACTD/eCTD format
- Dossiers Compilation & Due diligence
- EU CTD Dossier Filing Through National, DCP & MRP Procedure
- Packaging Design and Development which meets both regulatory and market demands

THREE STAR Export House

CREDENTIAL

- State-of-the-Art **WHO-GMP, EU GMP Approved** manufacturing facility for General Oral Solids, Liquid & Dry Syrup dosage form.
- **1000+ Products Registered** in African, CIS & LATAM countries.
- **500+ Products** under Registration.
- Ongoing expansion in Europe, FWA, SEA and GCC Markets.
- Government Approved “Three Star Export House”.

EXPERIENCE OVER THE YEARS

Vast experience of Management in Domestic and International Market had been the driving force that lead this team forward.

DOMAIN EXPERTISE

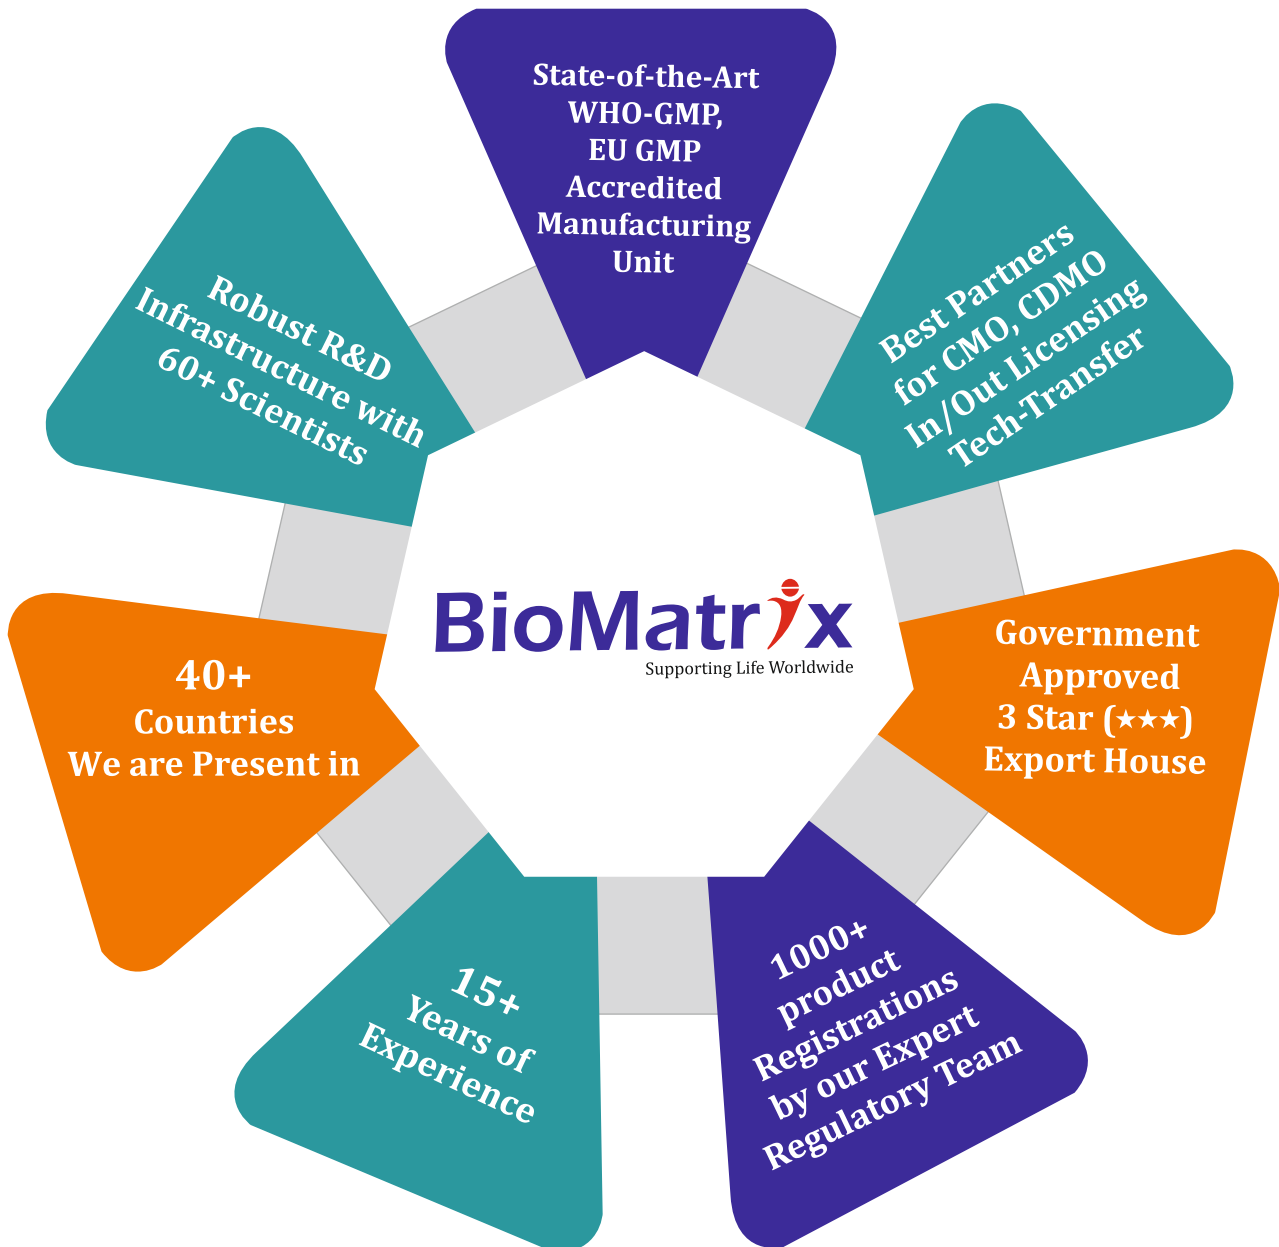

Our team has experience to Innovate & Evolve customer driven marketing strategies to sustain market leading position in this competitive era.

TRUST OF CUSTOMER & ASSOCIATES

Extensive Experience, Core Competency & Strong Business Ethics has made BioMatrix to earn trust of all its Customers & Associates.

KEY STRENGTH & CAPABILITIES

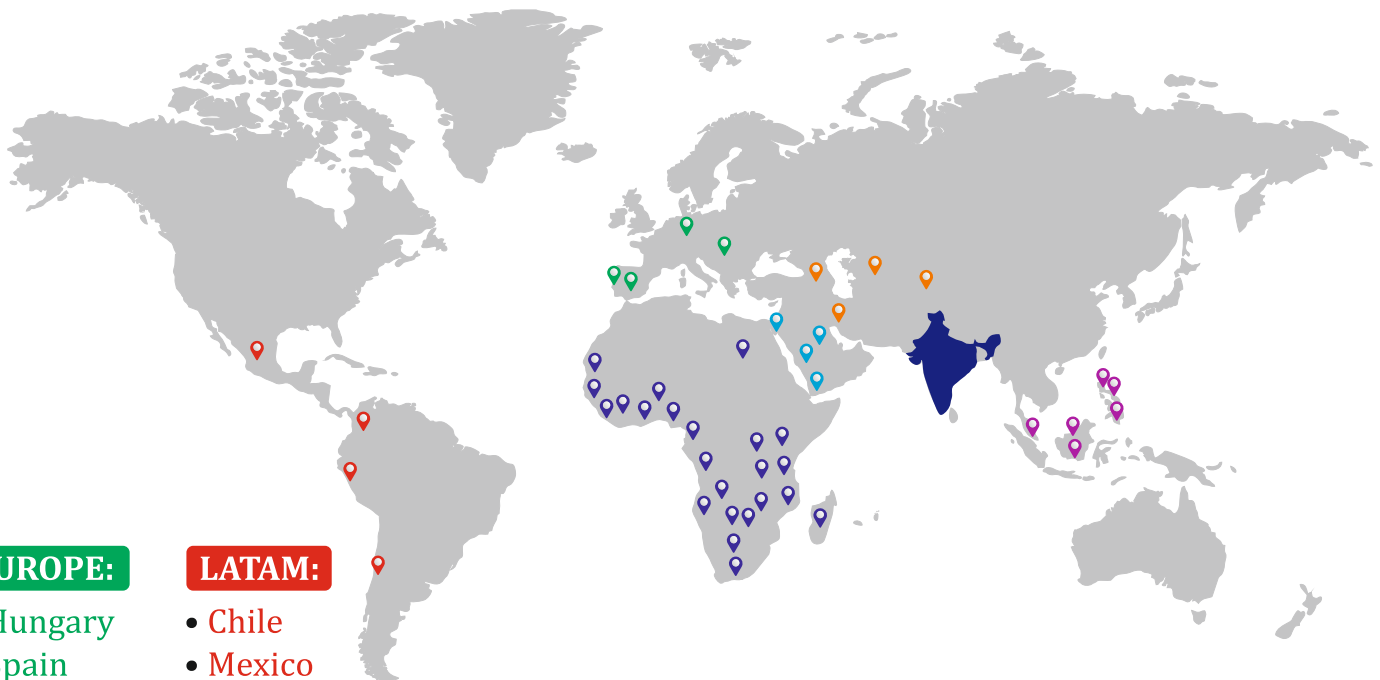

We at BioMatrix believes in Spirit of
“GROWING TOGETHER”

GLOBAL BUSINESS PROFILE

- Current Business operations in African, CIS & LATAM countries through strategic alliances.
- Dominant position in African countries we operate.
- Enjoying sizable market share in specific product segment.
- Ongoing expansion plan in Europe, South-East Asia & GCC Markets.

OUR GLOBAL REACH

EUROPE:

- Hungary
- Spain
- Portugal
