## Introduction to Brudy Cosmetics

Main goal: To provide effective, high-quality skincare based on science, with safe and sustainable ingredients, adapted to different skin types and life stages.

Key message: Scientific approach, proven efficacy, and environmental responsibility.

# Who we are

A Spanish brand born from scientific expertise and a passion for skincare. Brudy specializes in essential fatty acids (especially highly bioavailable DHA). As a result of this research, we apply our knowledge to develop innovative cosmetic formulas that improve skin health and appearance.

Introduction to Brudy Cosmetics

# Our Team

# Philosophy and Values

BRUDY COSMETICS: SCIENCE,  
INNOVATION, AND  
SUSTAINABILITY FOR YOUR  
SKIN

- Scientifically backed formulas: All our formulas are designed to care for the skin at a cellular level.
- Commitment to sustainability: Vegan products, with high levels of natural ingredients and environmentally respectful processes.
- Comprehensive care: From cleansing to hydration and repair, Brudy Cosmetics offers solutions for every stage of skincare.

Vegan Products: All our formulas are free from animal-derived ingredients.

High Natural Content: Products with a high percentage of carefully selected natural ingredients.

Sustainability: Recyclable packaging and responsible processes to minimize environmental impact.

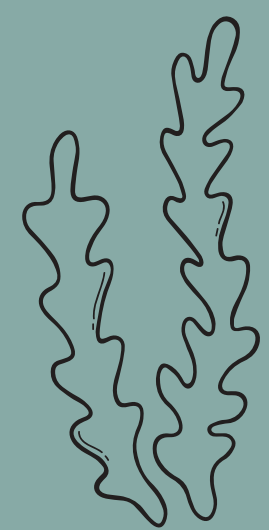

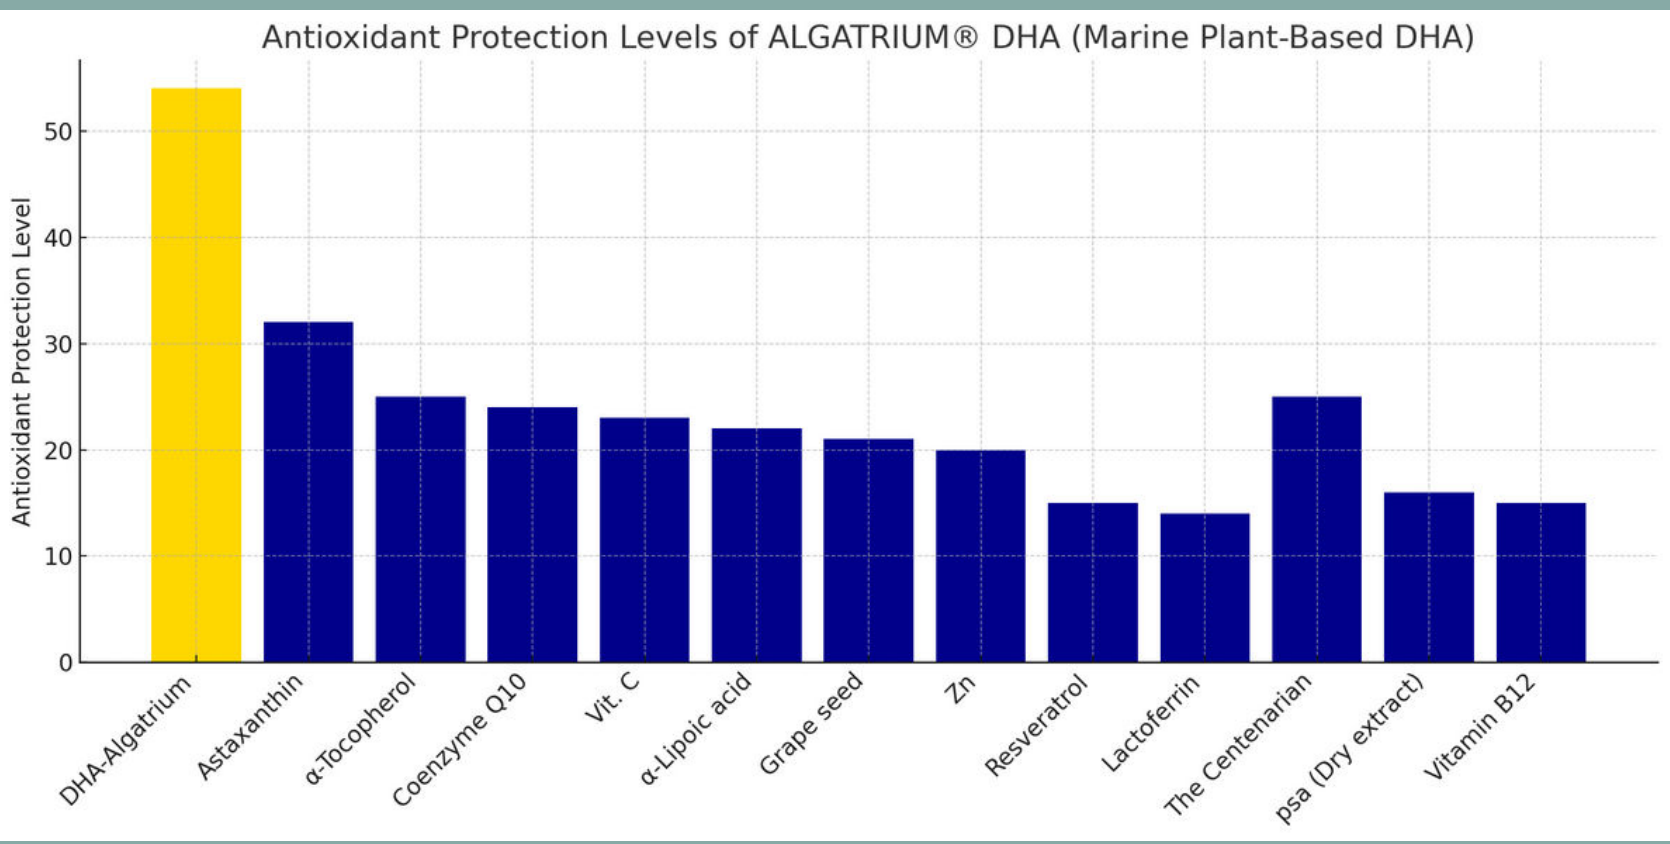

# Sustainability and Commitment

# Our DHA

At Brudy Cosmetics, we rely on a star ingredient that sets us apart: our exclusive marine plant-based DHA, developed with proprietary technology that ensures maximum purity, stability, and bioavailability. Unlike others, our DHA stands out not only for its quality but also for its powerful antioxidant action, capable of protecting the skin against premature aging and external aggressions. This innovation places us at the forefront of active cosmetics, committed to effective formulas that are scientifically backed and respectful of the skin.

Antioxidant protection level of ALGATRIUM®  
DHA from marine plant origin

# Product Range

IN ADDITION TO DHA-ALGATRIUM, THE KEY INGREDIENTS OF EACH PRODUCT ARE AS FOLLOWS:

### CLEANSING FOAM

- Glycerin and Betaine: Ingredients that provide hydration and softness.
- Allantoin: Its keratolytic action stimulates wound healing and skin cell renewal.
- Organic plant extracts of Green Tea and Ginger: With antioxidant properties.

#### Benefits:

- Skin hydration
- For dry skin
- Acne reduction

### EYE CONTOUR

- Vegan Sodium Hyaluronate: Penetrates the dermis, moisturizing and providing elasticity thanks to its high water retention capacity.
- Butcher's Broom, Centella Asiatica, and Licorice Extracts: Improve microcirculation and capillary quality, preventing puffiness due to fluid retention.
- Glycerin: A humectant that softens and enhances the absorption of active ingredients.

#### Benefits:

- Reduction of dark spots
- Reduction of cellular aging
- Reduction of hyperpigmentation

### SERUM NIGHT REPAIR (BEST SELLER)

- Niacinamide: A vitamin B3 derivative, ideal for sensitive skin and redness.
- Bakuchiol Oil: A plant-based antioxidant and anti-aging agent that evens skin tone and reduces wrinkles.
- Australian Caviar Lime: A gentle plant-based exfoliant that renews skin and strengthens the skin barrier.

#### Benefits:

- Reduces hyperpigmentation
- Improves wrinkles and fine lines
- Fights oxidation and premature skin aging

## Mixed Skin Range

### DAY CREAM MIXED SKIN

- Regenerates, soothes, and protects the skin thanks to DHA, Centella exosomes, and bisabolol.
- Controls acne, pores, and shine with smart actives and witch hazel water.
- Hydrates and nourishes without greasiness using hyaluronic acid and light oils.
- Defends the skin from external aggressors with plant extracts and vitamin E.

### Benefits

- Acne control and shine reduction
- Hydration and nourishment without greasy feel
- Firmer skin, better protected against aging

### NIGHT CREAM MIXED SKIN

- Potent antioxidant and anti-aging action with DHA, bakuchiol, and vitamin E.
- Brightens and evens out skin tone, reducing dark spots and redness.
- Deep hydration and nourishment without greasy residue.
- Soothes and protects skin from blue light and external aggressors.

### Benefits

- Cellular regeneration and renewal overnight
- Balanced hydration without greasy feel
- Calmer, more even skin

## Dry Skin Range

### DAY CREAM – DRY SKIN

- Long-lasting hydration, nourishment, and comfort for dry and sensitive skin.
- Light and silky texture, fast-absorbing and non-greasy.
- With advanced actives like DHA, exosomes, and peptides that revitalize and protect.
- Hyaluronic acid that boosts elasticity and combats dehydration.

### Benefits:

- Intense hydration for dehydrated skin, improving elasticity and firmness
- Reduction of fine lines around the eyes and mouth, resulting in more nourished, smoother skin
- Antioxidant protection against oxidative stress and signs of aging

### CREMA DE NOCHE PIEL SECA

- Intensive nourishment and quick absorption without residue on the pillow.
- Ideal for dry, sensitive, or dull skin, with a rich and comfortable texture.
- With advanced actives like DHA, peptides, and Lactococcus lysate to repair and revitalize.
- Low molecular weight hyaluronic acid for deep hydration and anti-aging effect.

### Benefits:

- Nourishment, hydration, and skin regeneration while reducing the appearance of wrinkles
- Regulation of circadian rhythm and protection against blue light overexposure thanks to its chronoprotective effect
- Skin brightening for a radiant awakening

#### HAND CREAM

- Algae and plant extracts (fucus, rosemary, and bitter orange): Anti-aging, cell-protective, and purifying properties.
- Vegetable glycerin: Moisturizing and skin-protective.
- Xanthan gum: Forms a protective shield against dehydration.

#### Benefits:

- Hydrates and repairs, restoring softness and comfort to the hands.

#### BODY OIL

- Alpha-Bisabolol: Soothes skin after UV exposure and pollution, reduces spots and wrinkles.
- Linseed, Monoi, and Rosehip oils: Promote regeneration, healing, and skin replenishment.
- Coco-Caprylate/Caprato: Improves spreadability and product absorption.

#### Benefits:

- Deep hydration
- Improves skin elasticity
- Fades scars

HAND CLEANSING  
SPRAY

- Aqua, Denatured Alcohol, Glycerin: Moisturizing.
- Echinacea Extract.
- Lavender Fragrance.

## Benefits

- Clean skin
- Disinfected hands

CREMA CORPORAL

- Jojoba Oil
- Water-soluble extract of algae and plants
- DHA-Algatrium®

## Benefits

- Deep hydration
- Improved skin elasticity
- Scar fading

NEW  
NEW  
NEW

EYE WASH

Aqua, Glycerin, Disodium Laureth Sulfosuccinate, Sodium Lauryl Sulfoacetate, Cocamidopropyl Betaine, Phenoxyethanol, Bisabolol, Ethylhexylglycerin, Triethanolamine, Sodium hydroxide

## Benefits

- Removes makeup residue, impurities, and accumulated oil.
- Additional hydration
- Preparation for aftercare

# Discover Excellence in Aesthetic Care

AT BRUDY COSMETICS, WE OFFER A LINE OF INNOVATIVE, HIGH-QUALITY PRODUCTS FORMULATED TO ENHANCE THE RESULTS OF TREATMENTS IN AESTHETIC CENTERS. OUR RANGE COMBINES ADVANCED SCIENCE AND NEXT-GENERATION ACTIVES TO ENSURE HEALTHIER, MORE RADIANT, AND REJUVENATED SKIN.

#### 5X ACTIVE HYDRATATION CREAM

- Sodium Hyaluronate: A form of hyaluronic acid with high moisturizing power and plumping effect.
- Centella Asiatica Extract: Soothing, reparative, and antioxidant; ideal for sensitive skin.
- Panax Ginseng Root Extract: Stimulates microcirculation, revitalizes the skin, and improves tone.

#### Benefits

- Repairs and soothes sensitive skin
- Deep hydration and plumping effect

#### REJUVENATING SERUM CREAM

- Bakuchiol: Plant-based retinol alternative; improves wrinkles and firmness without irritation.
- Niacinamide (Vitamin B3): Evens skin tone, controls oil, soothes, and strengthens the skin barrier.
- Ascorbyl Glucoside: A vitamin C derivative with powerful antioxidant and brightening effects.

#### Benefits

- Evens out tone and controls oil
- Brightens and protects against oxidative damage

#### FIRMING EYE CONTOUR CREAM

- **Oligopeptide-2:** A peptide that stimulates cell regeneration and improves skin firmness.
- **Glucosyl Hesperidin:** Active ingredient that enhances microcirculation and reduces dark circles and puffiness.
- **Ruscus Aculeatus Root Extract:** Excellent for draining and reducing puffiness around the eye area.

#### Benefits

- Reduces dark circles and puffiness
- Drains and decongests

#### DECONGESTING SORBET GEL-CREAM

- **Aloe Barbadensis Leaf Juice:** Powerful soothing, anti-inflammatory, and hydrating agent, ideal for decongesting the skin.
- **Schizochytrium Limacinum Oil:** A rich source of DHA (omega-3 fatty acid) with anti-inflammatory and reparative properties.
- **Sodium Hyaluronate:** Deep moisturizer that keeps the skin plump and elastic.

#### Benefits

- Soothes irritations and refreshes
- Anti-inflammatory and reparative
