

FULL SERVICE OFFERING

To improve the health and quality of life of patients.

CDMO

WE ARE LOCALLY PRESENT TO ANSWER YOUR NEEDS.

Aspen is a global specialty and branded pharmaceutical company with contract development and manufacturing capabilities. Our purpose is to improve the health of patients across the world through our high quality, affordable medicines.

We are committed to practicing responsible environmental stewardship, community development and health infrastructure support.

A CENTER OF EXCELLENCE

Center of Excellence Products and Strategy :

- Sterile expertise
- Quality and Regulatory strategy

Our experts are working actively with international regulatory organizations (USP, EDQM, etc) and participate at key conferences, seminars and forums (PDA, SFSTP, PIC, etc.)

ALPHAMED

Alphamed is a wholly owned subsidiary of Aspen Pharmicare Holdings Limited, South Africa.

Established in 2006 and now with a compliment of 400 staff, Alphamed, located in Hyderabad, India, has been developing a large number of products for various customers, which are currently marketed across six continents.

Alphamed provides expertise in three main areas:

- Formulation
- Analytics
- Regulatory strategy
