COMPANY OVERVIEW

Centurion Healthcare is an India based Manufacturer and Exporter of pharmaceutical products committed to improve the lives of patients.

Established in 2012, Centurion Healthcare Private Limited in Gujarat State, India seeks to deliver truly innovative and life changing treatments by forging partnerships using some of the worlds most advanced pharmaceutical technology.

Centurion Healthcare has more than 750+ formulations registered in different countries, on the back of strong regulatory support to our clients.

It was a pioneering venture in the area of pharmaceutical products aimed at addressing a big vacuum in the market for high quality products.

The Company is engaged in the manufacturing of various dosage forms i.e. Tablets, Capsules, Oral liquids, Ointments and Injections, etc.

Our offered products are manufactured using optimum quality raw material, in tandem with international quality standards by a team of highly qualified professionals. Further, we make sure these products are available to the customers at adequate prices in the market within stipulated time frame, in order to stand efficiently by their expectations.

We supply at competitive prices with minimum and maximum quantity according to the requirement of the customers. We are capable of fulfilling the urgent and bulk requirements of the clients in the best possible manner. We export our products in different parts of world. Considering the rapidly growing pharmaceutical market the company has upgraded the facilities to meet the requirements of national and international agencies and authorities.

WHAT WE OFFER

We are among the leading industries engaged in manufacturing and export of quality assured range of pharmaceutical products to our clients.

We have wide range of products like,

- Analgesics
- Antibiotics (General, Beta-lactam & Cephalosporins)
- Anti-allergic
- Anesthetic Drugs
- Central Nervous System Drugs
- Cardio vascular Drugs
- Diabetic Drugs
- Dermatology Products
- Gastrointestinal Drugs
- Immunosuppressants

// WHY CENTURION HEALTHCARE PVT. LTD. ?

- Dynamic and professional organization dedicated to customers.
- Our product meets the highest quality standards to ensure safe medical supplies.
- Our strong supply capacity to ensure timely supplies to support our strategic partner with product availability in the market.
- Offer a wide portfolio of products ranging from pharmaceuticals, critical care, OTC.
- We believe in offering a single solution for all your product needs.
- Transparent and professional approach to our partner to ensure mutually fruitful long-term partnership.
- Offer market exclusivity for our products to the buyer, based on buyer potential.
- Our experience in handling different market requirements successfully.
- We can manufacture according to the need of the buyer or according to the demand in market.

2. MANAGEMENT TEAM

Mr. Dhruval Patel

FOUNDER AND CEO

Possessing a graduate degree in pharmacy from a prestigious university as well as masters degree in business management, Mr. Dhruval Patel is the founder and CEO of Centurion Healthcare Pvt Ltd.

Mr. Dhruval Patel founded centurion in 2015 after discovering a need for more innovative pharmaceuticals in India. In just 3 short years, he has turned Centurion Healthcare into a formidable Manufacturer and exporter of pharmaceuticals.

He Develops and execute the company's business strategies in order to attain the goals considering accurate view of the market and the company's future.

Mr. Chetan Patel

MANAGING DIRECTOR

Mr. Chetan Patel graduate in pharmacy from prestigious university.

Mr. Chetan Patel has a strong background in project management, international business development and technical sales.

With his efficient communicating skills he maintains trust relationships with shareholders, business partners and authorities
