THIS IS HOW IT WORKS

BACILLUS SUBTILIS (DE111®) IS:

- ✓ Supports digestive health and immune health in adults and children
- ✓ Activates quickly inside the gut, to provide speedy results
- ✓ Can handle a wide range of pH, so it can survive the stomach
- ✓ GRAS, Non-GMO Project verified
- ✓ Has been genome-sequenced and passed 30+ safety and efficacy tests
- ✓ Comes in a gummy-friendly, high soluble, concentrated form

DOUBLE IMPACT

By offering probiotics* in a tasty and convenient format we make life so much easier for people trying to stay healthy. They don't have to worry about refrigeration. And they don't have to wrinkle their nose and hold their breath when trying to swallow a pill. They can enjoy downing these helpful bacteria as a delicious guilt-free treat.
