COMPANY PRESENTATION

WWW.CAUSEWAYPK.COM

A trusted link between manufacturers and formulators.

Since 1979, Causeway International has connected the world's leading pharmaceutical raw material manufacturers with finished-dose formulators across the region. From our headquarters in Karachi, with commercial reach across the country and the wider region, we provide the marketing, sales, regulatory and technical expertise that turns a supply relationship into a lasting partnership.

Our principals hold approvals from the world's leading regulatory authorities — including US FDA, EDQM/CEP, WHO-GMP, EU-GMP and PMDA — and operate under strict cGMP conditions. We build long-term, transparent relationships grounded in integrity, accountability and results.

Vision

Improve healthcare outcomes by delivering solutions tailored to the unique needs of every client we serve.

Mission

Contribute to the product journey — from inception to commercialisation — through innovative strategy and unmatched service quality.

Quality Policy

Consistently deliver products that meet international standards, guided by integrity, fairness, respect and transparency.

A front-end partner for manufacturers entering new markets.

We offer integrated marketing, regulatory and pharmacovigilance services to global pharmaceutical partners as a leading front-end solutions provider, helping them establish a presence in the markets they choose to enter — with principals sourced from across the globe.

We build strong, sustainable relationships through transparency and a values-driven culture — introducing groundbreaking molecules across therapeutic areas, and regularly onboarding new partners to keep our offering advanced and effective.

Our competitive edge: in-depth market insight, specialised technical knowledge, and decades of regional experience.
