*Making Lives Healthier*

# ABOUT US

## Who we are?

Finecure Pharmaceuticals Ltd., incorporated in the year 2005, is a pharmaceutical and nutraceutical manufacturer and marketer, with strong global footprints, dedicated to its mission of "Making Lives Healthier".

The company has state-of-the-art technology and infrastructure for manufacturing of Finished Dosage Formulation (FDF) and a well-equipped research and development facility, augmented by our expert and dedicated team of 1000+ employees, who are at the core of our strategy and growth.

Our facility is USFDA audited and EU-GMP certified along with GMP from other regulatory agencies.

The product portfolio caters to a wide range of therapeutic segments such as Cardiovascular, Anti-Diabetics, Antibiotics, Gastrointestinal, Neurology, Respiratory, and OTC Products.

Finecure has been recognized as a trusted partner for pharmaceuticals, nutraceuticals, veterinary and cosmetics for finished dosage formulations.

## Vision

To address worldwide healthcare needs, shape a brighter future and establish us as an enterprise deeply rooted in delivering compassionate care.

## Mission

Aligned with our principles of commitment and good ethics, our mission is to deliver high quality medications with affordability, leveraging advancements in science and technology to contribute to a healthier world.

Well-Equipped  
Laboratories

Over 100  
Products  
Registered  
Internationally

Expertise in Formulation  
Development and Drug  
Delivery System

Advancing  
Health  
With  
Finecure

Latest Manufacturing  
Technology Equipment

Presence in USA, Europe,  
Southeast Asia, Latin America,  
Africa, India and Emerging  
Markets

Wide Range  
of Batches

1000+ Dedicated  
Employees

Stringent  
Quality Norms

# POSSIBILITIES

Our robust capabilities encompass a comprehensive range of dosage forms and packaging options, providing customized solutions to meet diverse industry needs.

# Dosage Forms

## Solids

**Tablets**

- Chewable
- Extended Release (XR)
- Immediate Release (IR)
- Film-coated
- Enteric Coated
- Bi-Layered

**Capsules**  
Filled With

- Powders
- Granules
- Pellets
- Dry Powder for Inhaler

**Powder & Granules**

**Dry Powder Injections**

**Powder for Oral Suspension**

## Semi Solids

**Ointments**

**Creams**

**Shampoos**

## Liquids

**Syrups**

**Suspensions**

# Packaging Forms

**Blister**

**Bottle**

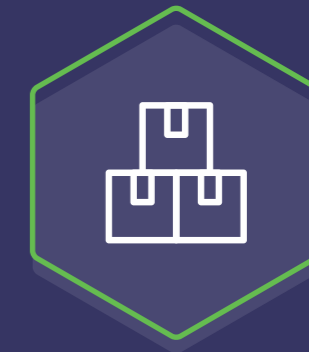

**Tubes**

**Sachet**

**Vial**

**Bulk Packing**

# PRODUCT PROFILE

## Pharmaceuticals

-  Anti-diabetic
-  Cardio-vascular
-  Anti-biotic
-  Gastro-intestinal
-  Neuroprotective
-  Anti-inflammatory
-  Respiratory / Anti-allergic

## Nutraceuticals

-  Gut Health
-  Joint Health
-  Immune Health
-  Mood & Sleep
-  General Health
-  Cognitive Health

# YOUR VISION, OUR EXPERTISE TRANSFORMING VISIONS INTO REALITY

with our highly skilled team, we ensure maximum service and competence for each project we undertake

### R&D Activities

- Process Development
