We aim to be a leading global brand in the field of dermocosmetics and healthcare with innovative and natural solutions based on scientific foundations. With our products formulated with clinically tested, reliable and effective ingredients; we aim to offer the best solutions to all healthcare professionals and consumers, especially dermatology and ophthalmology specialists.

Certificates

The quality of our products is certified by international certifications such as FDA, CE and ISO. Furthermore, as the first and only domestic lens solution manufacturer in Turkey, we export to more than 50 countries with our wide product portfolio, including Blefaritto Lens Solution.

Marketing and Sales Strategies

With our team of 70+ medical sales representatives across Turkey, we regularly promote products and provide information to physicians specialized in dermatology and ophthalmology.

Our products are shipped from pharmaceutical warehouses (Selçuk, Hedef, Alyans, BEK, GEK, Sancak) to all pharmacies in Turkey. In addition, 700+ pharmacies are dealers of our products.

Marketing and Sales Strategies

We provide sponsorship support to global and leading medical and cosmetic congresses in dermatology and ophthalmology. We actively participate in congresses in order to closely follow the developments in the sector.

We contribute to scientific research by providing 1000+ microscope support to our doctors.

We present stands, presentations, satellite symposiums, promotional materials and informative publications of our scientific studies at the congresses. By promoting our products through congresses, we establish direct communication with experts in the sector.

The world's first mechanically effective 100% eyelash base cleaning medical product

We are ready to take our place on store shelves **with our products!**

With 23 years of dermocosmetic expertise, we are preparing to step into the store channel to reach consumers more easily.

We aim to bring our success in online sales to the physical retail space and be with our customers in their daily shopping.

With our powerful formulas, FDA-registered products and wide customer base, we are ready to evaluate cooperation opportunities to be on store shelves!

TTO Thermal Tea Tree Oil (Melaleuca Alternifolia) is a 100% pure and organic certified oil obtained by water vapor distillation of the leaves of the tea tree growing on the Australian coast.

Effective in skin care with its antibacterial and antifungal properties, this oil can be actively used in many cosmetic products such as shampoo, tonic, lotion, shower gel and cream. When applied topically in cases such as acne, irritation and itching on the skin surface, it soothes the skin and creates a protective shield against microorganisms. **For external use only, not to be taken orally.**

How to use?

A few drops can be applied directly to the application area or diluted with a carrier oil. Avoid contact with the eye area. For external use only.

Made in
Türkiye

100% Organic Certified Pure Tea Tree Oil

- Antibacterial and antifungal properties
- Soothing and protective effect on the skin
- Support against conditions such as acne, irritation and redness

TTO THERMAL

Sea Buckthorn Oil

Sea Buckthorn Fruit Oil is a natural ingredient enriched with acids, vitamins and antioxidants that support skin health. With its high palmitoleic acid (Omega 7) content, it nourishes, repairs and protects the skin against environmental factors.

Thanks to the valuable fatty acids such as palmitic acid, stearic acid, oleic acid, linoleic acid and linolenic acid and vitamin E in its natural composition, it helps prevent free radical-induced damage to the skin.

It is widely used in cosmetic products such as shampoo, tonic, lotion, shower gel and cream.

It is used topically, not taken orally.

How to use?

A few drops can be applied directly to the application area or diluted with a carrier oil. Avoid contact with the eye area. For external use only.

Made in
Türkiye

100% Pure Wild Needle Fruit Oil

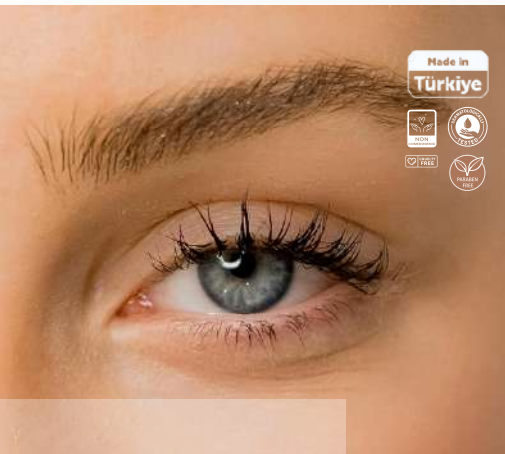

- Rich Omega 7 content (palmitoleic acid)
- Natural source of vitamin E
- Skin regenerating and repairing effect
- Protective against free radicals

BLEPHARITTO

Eye Contour Shampoo

BlepharITTO®

Made in
Türkiye

With its formula specially developed for the eye area, it gently cleanses debris on the eyelids, eyelash bases and eyebrow area. It helps soothe itching, redness and irritation that may occur around the eye area, while providing a healthier and well-groomed appearance with regular use.

Aloe Vera Gel Known for its soothing effect, aloe vera relaxes, refreshes and supports moisture balance.

Glutathione a powerful antioxidant, helps protect the skin against environmental factors and supports cell renewal. **Hyaluronic Acid** Deeply moisturizes the skin, leaving a soft and smooth feeling around the eye area. **Chamomile Extract and Pure Chamomile Oil** Reduces sensitivity and improves comfort around the eye area thanks to its natural soothing properties. **Taurine** Strengthens the skin barrier and supports the healthy appearance of the eye contour. **Tea Tree Oil (TTO)** Helps remove microorganisms around the eye area with its antibacterial and purifying effect. Provides supportive care especially in cases such as blepharitis and sty.

Vitamin E Protects the skin against free radicals and contributes to a more vibrant and healthy appearance of the eye contour.

Panthenol Moisturizes and soothes the skin and helps prevent dryness around the eyes. Geothermal Water Nourishes the skin and provides natural care with its mineral-rich content.

Blepharitto not only cleanses but also soothes, moisturizes and provides long-lasting care for the eye contour with its active ingredients. It is an ideal product for daily use for anyone who cares about the hygiene of the base of the eyelashes.

How to use?

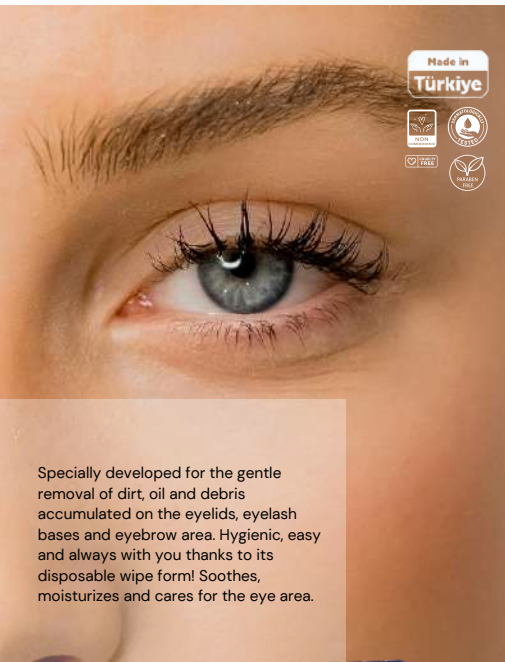

It can be used twice a day, morning and evening. Apply a small amount of shampoo to the eyelids, eyelash bases and eyebrow area. Gently massage in a circular motion with a clean cotton swab or fingertips. Leave on for 1-2 minutes and rinse with lukewarm water. Avoid direct contact with eyes.

BLEPHARITTO

Eye Contour Wipes

BlepharITTO®

Made in
Türkiye

Specially developed for the gentle removal of dirt, oil and debris accumulated on the eyelids, eyelash bases and eyebrow area. Hygienic, easy and always with you thanks to its disposable wipe form! Soothes, moisturizes and cares for the eye area.

Blepharitto Eye Contour Wipes provide moisture, care and comfort while supporting daily eye contour hygiene. With its practical use, it is always at hand when traveling, at work or at home.

How to use?

Can be used 1-2 times a day for the eye area. Remove the disposable wipe from the package and gently apply to the eyelids, eyelash bases and brow area. It is recommended to use a separate wipe for each eye. No rinsing required.

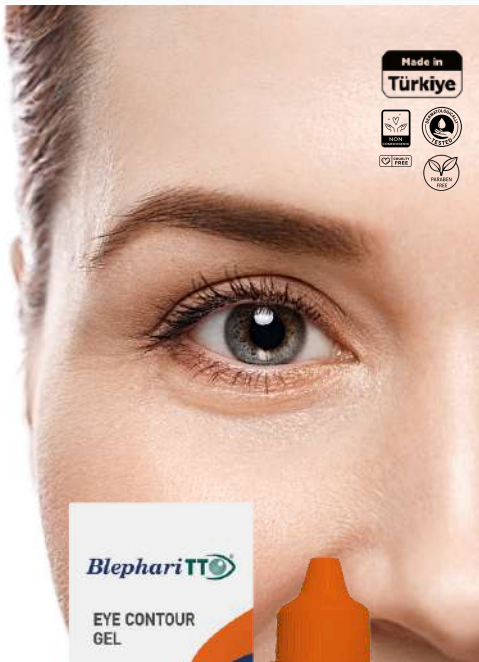

Taurine Supports the skin barrier and helps reduce sensitivity around the eyes.
Chamomile Extract & Pure Chamomile Oil With its natural soothing effect, it relieves symptoms such as itching and redness and refreshes the skin.
Hyaluronic Acid Intensely moisturizes the eye contour, providing softness and elasticity.
Glutathione Protects against environmental pollutants and supports skin health with its antioxidant properties.
Azelaic Acid Helps prevent clogged pores and reduces irritation around the eyes.
Tea Tree Oil (TTO) Helps remove micro-organisms around the eyes with its antibacterial and purifying effect. Provides supportive care especially in cases such as blepharitis.
Vitamin E Protects the skin against free radicals and supports the eye contour to look more vibrant and healthy.
Panthenol Soothes and moisturizes the skin, reducing the feeling of dryness and tightness around the eyes.
Geothermal Water Enriched with natural minerals, it cares and balances the skin.

BLEPHARITTO

Eye Contour Care Gel

BlephariTT®

It provides hygiene and comfort around the eye area and helps prevent reoccurring discomfort by strengthening the skin barrier with regular use.

How to Use ?

After cleansing the eye area, gently apply a small amount of gel with your fingertips on and around the eyelid. Do not let the product touch the eyes. It is recommended to use preferably in the morning and evening.

Tea Tree Oil Reduces problems caused by blepharitis and demodex with its antibacterial and anti-parasitic effect.

Sea Buckthorn Oil Supports cell regeneration with its high antioxidant content, soothes and repairs the eye contour.

Azelaic Acid Reduces skin inflammation, purifies pores and helps maintain microbial balance.

Glutathione Reduces oxidative stress on the skin and offers a regenerating and protective effect.

Hyaluronic Acid Provides deep moisture with its double density formulation and improves skin elasticity.

Niacinamide Evens skin tone, supports barrier function and reduces sensitivity.

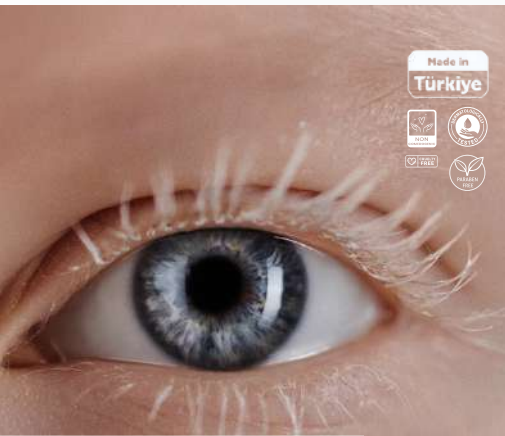

Taurine Helps cellular protection, reduces irritation and fatigue around the eye area.

Chamomile Extract Alleviates redness and irritation with its natural soothing effect.

Provides effective support for common eye contour conditions such as chronic blepharitis and ocular demodicosis. Powerful active ingredients soothe itching, redness, flaking and inflammation on and around the eyelid, providing long-lasting care.

TTO THERMAL SOFT Eye Contour Shampoo

TTO
THERMAL

Made in
Türkiye

Thanks to its sensitive formula, it provides effective cleansing without damaging the skin barrier. With regular use, it provides a feeling of freshness and comfort while maintaining the hygiene of the eye contour.

How to use?

It can be used 1-2 times a day, morning and evening. Take a few drops of shampoo on a sterile cotton ball or fingertip. Apply gently to the eyelids, eyelash bases and the surrounding area. Then rinse with plenty of water or clean with a sterile cloth.

TTO Thermal Soft Eye Contour Shampoo is specially formulated for the hygiene of eyelids, eyelash bases and the eye contour. With its gentle ingredients, it offers a care that can be safely used by all age groups, including sensitive and allergic skin. It is preferred in the hygiene process before and after surgery, for removing make-up residues, for delicate cleaning in children and babies, for daily eye contour care.

Tea Tree Oil (TTO) Helps purify dirt, oil and microorganisms around the eyes with its antibacterial properties. Provides effective cleaning without irritation.

Pure Chamomile Oil Soothes the skin with its natural soothing effect and helps relieve symptoms such as redness and itching.

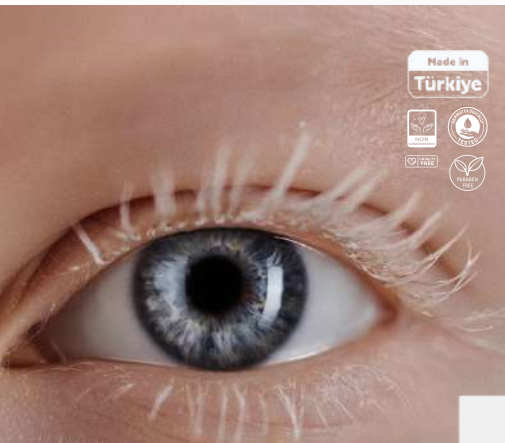

Geothermal Water With its natural mineral-rich content, it cares for the skin, provides balance and leaves a refreshing feeling.

TTO THERMAL SOFT

Eye Contour Foam with Applicator

TTO
THERMAL

Cleanses without drying the skin with its foam form and provides hygienic application thanks to its silicone applicator. Helps keep the eye contour healthy with daily use.

How to use?

Can be used 1-2 times a day. Squeeze a small amount of foam onto the applicator head. Apply gently in a circular motion to the eyelid, eyelash base and contour. Then rinse with warm water or wipe with a sterile cloth. Clean the applicator head thoroughly after use.

Thanks to its special silicone applicator, it provides effective cleansing of the eyelid, eyelash base and eye contour. It offers hygienic and practical use with its antibacterial and easy-to-clean head. It is safely preferred for pre- and post-operative care, for children and babies with sensitive and allergic eye structure, and for gently removing make-up residues.

Tea Tree Oil (TTO) Removes microorganisms with its natural antibacterial effect and provides hygiene around the eye area.

Panthenol Moisturizes, soothes and strengthens the barrier function of the skin.

Taurine Provides cellular protection and helps reduce the sensitivity around the eyes.

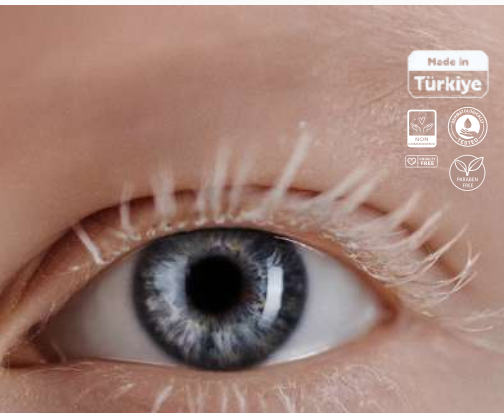

Sea Buckthorn Oil Protects the skin against external factors with its antioxidant-rich content and offers a restorative effect.

Geothermal Water Balances the skin with its natural mineral structure and provides a feeling of freshness and comfort.

TTO THERMAL SOFT Eye Contour Wipes

TTO
THERMAL

Specially developed for sensitive and allergic eye structure, TTO Thermal Soft Eye Contour Wipes offer an effective and gentle solution for eyelid, eyelash base and eye contour hygiene. It provides hygienic use thanks to its disposable form. With its structure suitable for hot application, it creates a relaxing effect around the eyes.

It can be safely used for daily hygiene of eyelids and eyelash bases, before and after eye surgeries, for allergic and sensitive children and babies, for daily make-up removal and to relax the eye muscles with hot compress method.

How to use ?

Gently apply the wipe directly to the eyelid and surrounding area. For more intense relief, hot use may be preferred: The wipe can be soaked in hot water for a few minutes and then applied to the eye area. It is recommended to use a separate wipe for each eye.

Tea Tree Oil Purifies dirt and debris with its natural antibacterial properties and supports hygiene around the eye area.

Panthenol Soothes, moisturizes and helps prevent irritation.

Vitamin E Protects the skin around the eyes against free radicals with its antioxidant effect.

Hyaluronic Acid Provides intense moisture, making the skin smooth and soft.

Chamomile Oil Relieves irritation and provides comfort with its natural soothing effect.

Geothermal Water Purifies and balances the skin with its mineral-rich content.

TTO THERMAL Facial Cleansing Gel

TTO
THERMAL

TTO Thermal Facial Cleansing Gel gently cleanses your skin with its special formula, removing excess oil, refreshing the skin, and supporting its natural pH balance. It helps reduce the appearance of pores, revitalizes the skin, and promotes a healthier-looking complexion with regular use.

Tea Tree Oil Purifies the skin and provides effective care against acne.

Sea Buckthorn Oil Strengthens the skin barrier with its nourishing and restorative properties.

Niacinamide Evens out skin tone and helps reduce the appearance of pores.

Collagen Enhances skin elasticity and radiance.

Glycolic Acid Removes dead skin cells and supports skin renewal.

Centella Asiatica Soothes and strengthens the skin with its calming effect.

5 Types of Hyaluronic Acid Provides intense hydration, keeping the skin plump and moisturized.

Cleanses deeply without drying the skin, leaving it feeling refreshed and purified.

How to Use

Gently massage onto your wet face. Lather and leave on for a few minutes. Then rinse thoroughly with plenty of water. Suitable for daily use, both morning and evening.

TTO CLINIC Facial Cleansing Gel

TTO CLINIC Facial Cleansing Gel deeply cleanses your skin with its special formula, balances excess oil, and preserves the skin's natural pH level. With regular use, it revitalizes the skin, maintains moisture balance, and promotes a healthier complexion.

It purifies without drying, leaving your skin feeling refreshed and rejuvenated.

How to Use

Gently massage onto your wet face. Create a lather and leave it on for a few minutes. Then rinse thoroughly with plenty of water. Suitable for daily use, both morning and evening.

Tea Tree Oil Purifies the skin and provides effective care against acne.

Sea Buckthorn Oil Strengthens the skin barrier with its nourishing and restorative properties.

Azelaic Acid Evens out skin tone and helps reduce the appearance of redness and blemishes.

Salicylic Acid Deeply cleanses pores, removes dead skin cells, and helps prevent acne formation.

Retinol Accelerates skin renewal, reduces the appearance of fine lines, and enhances skin vitality.

Hyaluronic Acid Provides intense hydration, keeping the skin plump and moisturized.

Centella Asiatica Soothes and strengthens the skin with its calming effect.

TTO THERMAL Face Cleansing Foam

TTO
THERMAL

Cildin doğal dengesini bozmadan etkili bir temizlik sunar; yumuşak dokusu sayesinde cildi tahriş etmeden arındırır ve gün boyu ferah, canlı bir his bırakır.

How to Use

Can be used twice daily, morning and evening. Gently apply 2-3 pumps of foam onto damp skin. Massage into your skin using circular motions, then rinse off with lukewarm water. Suitable for daily use.

TTO Thermal Facial Cleansing Foam, specially developed for dry and sensitive skin, purifies your skin while providing moisturizing and soothing care simultaneously. It supports the skin barrier, gently cleanses without drying, and leaves a refreshing feeling all day long.

Tea Tree Oil (TTO) Gently cleanses the skin from dirt and excess oil with its purifying effect.

St. John's Wort Oil Soothes the skin and helps reduce sensitivity.

Sea Buckthorn Oil Supports the skin with its restorative effect and protects against external factors.

Coconut Oil Nourishes and softens the skin.

Lavender Oil Relaxes with its refreshing scent and helps balance the skin.

Shea Butter Provides deep hydration and soothes dryness.

Vitamin E Protects the skin against free radicals and promotes a healthy appearance.

Hyaluronic Acid Maintains skin's moisture balance, leaving it plump and smooth.

TTO CLINIC

Face Cleansing Foam

TTO CLINIC Face Cleansing Foam gently purifies the skin while providing moisture and nourishment. With its refreshing formula, it cleanses without leaving any heaviness, supporting a brighter, smoother, and healthier-looking complexion with regular use.

How to Use

Use twice daily, morning and evening. Gently apply 2-3 pumps of foam onto damp skin. Massage into your skin using circular motions, then rinse thoroughly with lukewarm water. Suitable for daily use.

Niacinamide Evens out skin tone and helps reduce the appearance of pores.

Glutathione Brightens the skin and provides antioxidant protection against free radicals.

Sea Buckthorn Oil Strengthens the skin barrier with its nourishing and restorative properties.

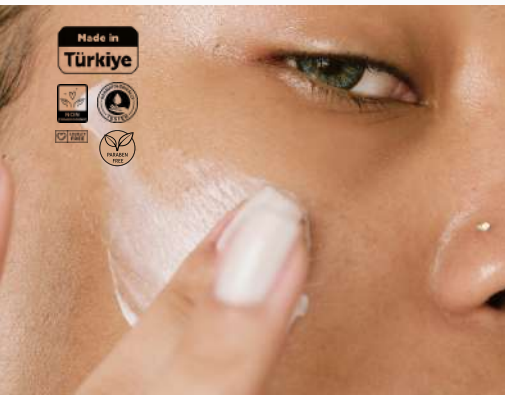

Hyaluronic Acid Provides intense hydration, keeping the skin plump and moisturized.

Salicylic Acid Deeply cleanses pores and helps prevent blackheads and acne formation.

DERMODICOS Plus Cream

DERMO
DICOS

It cares for the skin without disrupting its natural balance or causing sensitivity. With regular use, it evens out skin tone and helps reduce the appearance of acne and blemishes. Its lightweight formula absorbs quickly without feeling heavy, leaving the skin soft and smooth.

How to Use

Apply a pea-sized amount to cleansed skin in your evening routine. Gently massage into the skin using circular motions with your fingertips. Avoid contact with the eye area. No rinsing needed. Can be followed by a moisturizer suitable for your skin type.

Formulated specifically for Acne Vulgaris, Rosacea, pregnancy-related spots, melasma, and skin blemishes. Its powerful and balanced ingredients help reduce skin sensitivity, lighten the appearance of spots, and restore the skin's healthy structure. Safe for daily use in your skincare routine.

TTO (Tea Tree Oil) Purifies the skin with its antibacterial properties and helps prevent acne formation.

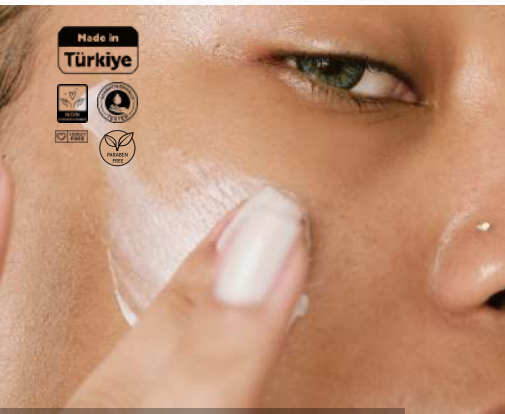

Azelaic Acid Evens out skin tone and reduces the appearance of spots and redness.

5-Complex Hyaluronic Acid Provides intense hydration and enhances skin elasticity.

Geothermal Water Nourishes and balances the skin with its mineral-rich composition.

DERMODICOS Cream

Made in
Türkiye

It provides moisturizing and soothing effects without disrupting the skin's natural balance. With regular use, it helps reduce redness and inflammation, supporting a smoother skin appearance.

How to Use

In your evening routine, apply a pea-sized amount to cleansed skin. Gently massage into the skin using circular motions with your fingertips. Avoid contact with the eye area. No rinsing required. Can be followed by a moisturizer suitable for your skin type.

Used for Scabies, Perioral Dermatitis, and Various Dermatological Conditions.

Dermodicos Cream is specially formulated to treat a range of skin issues. It effectively works on scabies, perioral dermatitis, and other skin problems, helping to relieve discomfort. Enriched with natural oils and active ingredients, it nourishes and heals the skin.

TTO (Tea Tree Oil) Helps prevent skin irritations with its antibacterial and antifungal properties.

Sea Buckthorn Oil Nourishes, moisturizes, and soothes the skin.

St. John's Wort Oil Calms the skin and accelerates the healing process.

Hyaluronic Acid Hydrates the skin and strengthens the skin barrier.

TTO THERMAL Moisturizing Lotion

TTO
THERMAL

Specially formulated for dry and sensitive skin. Its natural ingredients help maintain the skin's moisture balance, increase elasticity, and strengthen the skin's resilience against environmental factors. By repairing the skin barrier, it supports the preservation of a healthy skin structure. With daily use, it meets the skin's hydration needs and leaves a soft, smooth feel.

How to Use

Apply a thin layer to cleansed skin morning and evening. Gently massage into the skin using your fingertips. Avoid contact with the eye area. No rinsing needed. Provides a hydrated and fresh-looking complexion throughout the day.

Thanks to its specially formulated formula for dry and sensitive skin, it helps restore moisture balance and elasticity, enhances the skin's resistance to environmental factors, and supports the maintenance of a healthy skin structure.

TTO (Tea Tree Oil) Cleanses skin microbes with its antibacterial and antifungal properties, protecting skin health.

Sea Buckthorn Oil Nourishes, moisturizes, and soothes the skin.

Zinc Oxide Soothes inflammation and strengthens the skin barrier by forming a protective layer.

Panthenol Moisturizes the skin, supports skin renewal, and improves skin health with its soothing effect.

TTO CLINIC Collagen Cream

TTO CLINIC Collagen Cream maintains the moisture balance of the skin with its specially developed formula for dry and sensitive skin, increases elasticity, and creates a protective barrier against environmental factors. With regular use, the skin achieves a healthier, plumper, and more radiant appearance.

How to Use

Apply gently with massage movements to cleansed skin twice daily, morning and evening. Regular use provides effective results.

Tea Tree Oil Purifies the skin and provides soothing care.

Collagen Increases skin elasticity, firmness, and vitality.

5-Complex Hyaluronic Acid Delivers intense hydration to both the upper and deeper layers of the skin with different molecular weights, plumping and moisturizing the skin.

Provitamin B5 Soothes the skin, maintains moisture balance, and strengthens the skin barrier.

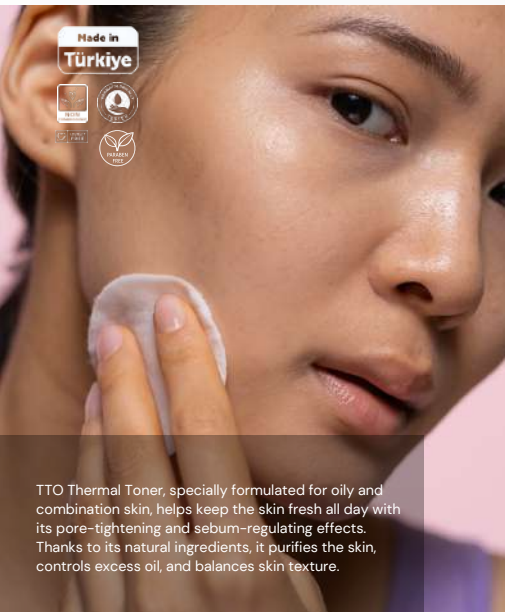

Vitamin C Brightens the skin, helps reduce the appearance of dark spots, and supports collagen production.

Vitamin E Protects the skin against free radicals with its antioxidant effect, promoting softness and elasticity.

TTO THERMAL Toner

TTO
THERMAL

TTO Thermal Toner, specially formulated for oily and combination skin, helps keep the skin fresh all day with its pore-tightening and sebum-regulating effects. Thanks to its natural ingredients, it purifies the skin, controls excess oil, and balances skin texture.

TTO (Tea Tree Oil) Cleanses skin microbes with its antibacterial and antifungal properties, protecting skin health.

Tea Tree Oil Deeply cleanses pores, regulates sebum, and revitalizes the skin.

Geothermal Water Moisturizes, soothes the skin, and strengthens the skin barrier with natural minerals.

AHA (Alpha Hydroxy Acid) Gently exfoliates dead skin cells, supports skin renewal, and evens out skin tone.

With daily use, it gives the skin a fresh, healthy, and radiant appearance. It strengthens the skin barrier to protect against environmental factors and reduces the appearance of pores, leaving a smoother skin texture.

How to Use

Apply gently to cleansed skin morning and evening using a cotton pad. Avoid contact with the eye area. No rinsing needed. With regular use, it leaves the skin purified, balanced, and radiant.

TTO CLINIC

Skin Care Toner

Made in
Türkiye

TTO CLINIC Skincare Toner purifies, balances, and hydrates the skin with its versatile active ingredients.

It helps tighten pores, renew skin texture, and supports a healthier, more radiant complexion.

How to Use

After cleansing your skin, gently apply the toner to your face using a cotton pad or your hands. Avoid the eye area. Suitable for daily use, morning and evening.

Glycolic Acid Exfoliates dead skin cells, supports skin renewal, and promotes a smoother appearance.

Salicylic Acid Penetrates pores to remove excess sebum, helping prevent blackheads and acne formation.

Centella Asiatica Soothes the skin and strengthens the skin barrier with its restorative effects.

Sea Buckthorn Oil Nourishes, moisturizes, and protects the skin against external factors with its rich content.

Tea Tree Oil Provides purifying and balancing effects on acne-prone skin.

Copper Tripeptide Supports skin renewal, increases elasticity, and offers anti-aging care.

Hyaluronic Acid Delivers intense hydration, prevents moisture loss, and creates a plump, fresh appearance.

Niacinamide Evens out skin tone, reduces pore appearance, and supports the skin's natural barrier.

TTO CLINIC Peptide Eye Contour Cream

Made in
Türkiye

TTO CLINIC Peptide Eye Cream provides intensive care for the eye area with its anti-wrinkle and revitalizing formula.

With regular use, it supports a firmer, brighter, and healthier-looking eye contour.

How to Use

Apply to clean eye area twice daily, morning and evening. Gently pat in using your fingertips. Avoid direct contact with the eyes.

Peptide Supports collagen production in the skin and helps reduce the appearance of fine lines and wrinkles.

Glutathione Brightens the eye area with its antioxidant effect and reduces signs of fatigue.

Collagen Enhances elasticity and supports the texture of the skin around the eyes.

Hyaluronic Acid Provides intense hydration, helping keep the eye area plump and moisturized.

Arbutin Helps reduce the appearance of dark circles under the eyes and evens out skin tone.

Niacinamide Brightens the eye area, adds radiance, and contributes to barrier repair.

TTO CLINIC

Postbiotic Eye Contour Cream

Made in
Türkiye

TTO CLINIC Postbiotic Eye Cream provides comprehensive care for sensitive eye areas with its brightening and repairing effects. With regular use, it supports a more radiant, healthy, and balanced eye contour.

How to Use

Apply to clean eye area twice daily, morning and evening. Gently pat in using your fingertips. Avoid direct contact with the eyes.

Postbiotic Balances the skin microbiota and strengthens and repairs the natural defense barrier of the eye area.

Glutathione Brightens the eye area and helps reduce signs of fatigue.

Collagen Improves elasticity and reduces the appearance of fine lines.

Hyaluronic Acid Provides intense hydration, keeping the eye area plump and moisturized.

Arbutin Helps reduce the appearance of dark circles and brightens the skin.

Niacinamide Evens out skin tone, adds radiance, and supports barrier functions.

TTO CLINIC

Blemish Serum & Blemish Cream

Made in
Türkiye

TTO CLINIC Spot Serum and Spot Cream target dark spots and uneven skin tone with their powerful active ingredients. With regular use, they support a brighter, more even-toned, and healthier-looking complexion.

How to Use

Serum Apply a few drops to cleansed skin in the morning and/or evening. Gently massage until fully absorbed.

Cream After serum or alone, apply gently to the areas with spots or all over the face. For daytime use, it is recommended to use alongside sunscreen.

Tea Tree Oil Purifies the skin and supports the skin barrier with its soothing effect.

Arbutin Helps reduce the appearance of dark spots and evens out skin tone.

Tranexamic Acid Targets color irregularities and lightens the appearance of dark spots.

Hyaluronic Acid Provides intense hydration, giving the skin a plump and healthy appearance.

Licorice Root Extract Brightens the skin tone and offers soothing care for sensitive skin.

Centella Asiatica Extract Soothes, repairs, and strengthens the skin's resistance against external factors.

TTO CLINIC

Mix Skin Care Serum

TTO CLINIC Mix Skincare Serum offers versatile care addressing uneven skin tone, signs of aging, pore appearance, and sensitive skin concerns. It provides supportive treatment for skin issues like acne, rosacea, and eczema, aiming for a more balanced, healthy, and radiant complexion.

How to Use

Apply a few drops to clean, dry skin in the morning and/or evening. Gently massage until fully absorbed. For daytime use, it is recommended to apply alongside sunscreen.

Tea Tree Oil (TTO) Purifies the skin and provides soothing and balancing effects for acne-prone skin.

Retinol Supports skin renewal and reduces the appearance of fine lines and wrinkles.

Hyaluronic Acid Delivers intense hydration, strengthens the skin barrier, and promotes a plump, radiant appearance.

Centella Asiatica Extract Soothes and repairs sensitive skin, helping to reduce redness and irritation.

Hydrolyzed Collagen Increases skin elasticity and supports a firmer, more youthful appearance.

TTO CLINIC

Rose Skin Care Serum

TTO CLINIC Rose Skincare Serum is specially formulated for sensitive, redness-prone, and blemished skin.

It provides supportive care for skin issues like acne and rosacea, helping to balance skin tone and promote a calmer, brighter complexion.

How to Use

Apply a few drops to clean, dry skin in the morning and/or evening. Gently massage until fully absorbed. For daytime use, it is recommended to use alongside sunscreen.

Tea Tree Oil (TTO) Purifies the skin and provides balancing and soothing effects for acne-prone and sensitive skin.

Azelaic Acid Targets uneven skin tone and helps reduce signs of acne and rosacea.

Centella Asiatica Extract Soothes the skin, reduces redness, and supports barrier repair.

Hyaluronic Acid Provides intense hydration, helping the skin look plump and healthy.

Niacinamide Evens out skin tone, minimizes pore appearance, and adds radiance to the skin.

TTO CLINIC

Pro-C Skin Care Serum

TTO CLINIC Pro-C Care Serum protects the skin against external factors with its powerful antioxidant content while supporting skin renewal. This serum targets a bright, firm, and healthy complexion, contributing to a more energized and balanced appearance with regular use.

How to Use

Apply a few drops to clean, dry skin during your evening routine. Gently massage until fully absorbed. It is recommended to use alongside sunscreen.

Vitamin C Brightens the skin with its powerful antioxidant effect, helping to reduce dark spots and even out skin tone.

Glutathione Protects the skin against free radicals, balances skin tone, and imparts a radiant complexion.

Collagen Increases skin elasticity, providing a firmer and more vibrant appearance.

Bakuchiol A plant-based retinol alternative that supports skin renewal, ideal for sensitive skin as an anti-aging ingredient.

Centella Asiatica Soothes, repairs, and strengthens the skin barrier.

Vitamin E Provides antioxidant protection, softens the skin, and defends against environmental damage.

TTO CLINIC Moisturizing Lotion

TTO CLINIC Moisturizing Lotion hydrates and protects your skin with its special formula designed for face and body. Keeps your skin feeling fresh and comfortable all day long.

How to Use

Gently apply to cleansed skin on the face and body whenever needed throughout the day. Absorbs quickly without leaving any stickiness.

INTENSE HYDRATION

Ceramide Strengthens the skin barrier, prevents moisture loss, and forms a protective layer.

Tea Tree Oil Protects the skin with antibacterial properties and provides soothing and balancing effects.

Hyaluronic Acid Delivers intense hydration, keeping the skin plump and elastic.

Sea Buckthorn Oil Nourishes the skin structure and has reparative properties.

Centella Asiatica Soothes the skin, aids the repair process, and reduces redness.

TTO CLINIC

Foot and Heel Care Cream

Made in
Türkiye

TTO CLINIC Foot and Heel Care Cream is effective for the care of dry, hardened, and cracked-prone skin on the feet. With regular use, it is an ideal solution for soft, healthy, and smooth feet.

How to Use

Gently massage onto clean, dry feet and heel area once or twice daily, especially before bedtime. Regular use helps soften and smooth the heels.

Tea Tree Oil Supports foot health with its antibacterial and antifungal properties and provides a refreshing effect.

Hyaluronic Acid Delivers intense hydration, softens the skin, and increases elasticity.

Ceramide Strengthens the skin barrier, prevents moisture loss, and forms a protective layer.

Niacinamide Strengthens the skin structure, soothes, and supports moisture balance.

Urea Softens keratin and helps repair hardened and cracked heels.

Shea Butter Provides intense nourishment and hydration, soothing and softening the skin.

Sea Buckthorn Oil Supports the skin barrier and promotes a healthy appearance with its reparative effects.

TTO CLINIC

Foot and Heel Care Foam

TTO CLINIC Foot and Heel Care Foam simplifies foot care with its advanced formula and silicone applicator tip.

With regular use, it keeps feet soft, healthy, and well-maintained.

How to Use

Using the applicator tip, gently apply to clean, dry feet and heel area once or twice daily. After 5-10 minutes, rinse thoroughly with plenty of water.

Tea Tree Oil Supports foot health with its antibacterial and antifungal properties, providing a refreshing effect.

Salicylic Acid Softens dead skin and hardened areas, offering a gentle exfoliating effect.

Lavender Oil Provides a relaxing and soothing sensation, leaving feet feeling refreshed.

Urea Helps repair cracked and rough areas by softening keratin.

Proctone Olamine Offers protection against fungal formation.

Centella Asiatica Supports skin repair and delivers a calming effect.

Sea Buckthorn Oil Strengthens the skin barrier, providing nourishing and protective benefits.

Silicone Applicator Tip Facilitates easy application, offering hygienic and practical use.

TTO THERMAL

Climbazole Hair & Body Shampoo

TTO Thermal Climbazole Shampoo, specially formulated for both hair and body, targets skin issues caused by demodex. It provides supportive care for conditions such as hair loss, dandruff, itching, flaking, rosacea, and eczema. Helps prevent hair thinning and revitalizes hair follicles.

With regular use, it supports the maintenance of healthy hair and skin. Cleanses the scalp and provides care against dandruff and hair loss with its balancing effect.

Softens, moisturizes, and soothes irritated skin.

How to Use

Gently apply to wet hair and body. Lather by massaging with fingertips. Leave on for 2-3 minutes, then rinse thoroughly. Can be used daily or a few times a week. Avoid contact with eyes.

TTO (Tea Tree Oil) Targets microorganisms on the skin and scalp with its antibacterial and antifungal properties; helps combat conditions like demodex, acne, and eczema.

Climbazole Effective against fungal skin issues. Helps relieve dandruff, flaking, and scaling.

Thyme Oil Purifies the skin and scalp with its natural antiseptic effect, reduces irritation, and provides relief.

Sea Buckthorn Oil Nourishes and soothes the skin and scalp while strengthening the barrier with its moisturizing properties.

Vitamin E Protects skin and hair cells from free radicals with its antioxidant effect and supports a healthy appearance.

Rosemary Oil Promotes blood circulation, helps strengthen hair roots, and is effective against hair loss.

TTO THERMAL

Black Hair & Body Shampoo

TTO
THERMAL

TTO Black Shampoo, specially developed for hair and body, provides supportive care particularly against skin parasites such as scabies and demodex. Formulated to help with dandruff, hair loss, itching, rosacea, and acne.

It soothes scalp irritation, gently purifies the skin surface, and leaves a refreshing sensation.

Made in
Türkiye

With regular use, it helps reduce hair thinning and hair loss.

Strengthens the skin barrier and supports the maintenance of healthy hair and skin.

How to Use

Gently apply to wet hair and body. Lather by massaging with fingertips and leave on for 2–3 minutes, then rinse thoroughly. Use 2–3 times a week or as needed. Avoid contact with eyes.

TTO (Tea Tree Oil) Fights harmful microorganisms on the skin and scalp with its antibacterial and antifungal properties. Provides effective protection against various skin conditions such as scabies, demodex, acne, and eczema.

Azelaic Acid Reduces redness, irritation, and inflammation with its anti-inflammatory and antibacterial effects. A supportive ingredient for rosacea, acne, and sensitive skin concerns.

Salicylic Acid Removes dead skin cells, clears pores, and supports skin renewal. Helps reduce dandruff, flaking, and itching.

TTO THERMAL

Anti-Hair Loss Shampoo

TTO
THERMAL

TTO Anti-Hair Loss Shampoo, specially formulated for hair prone to shedding, strengthens hair follicles to help prevent hair loss.

Its rich ingredients nourish the scalp, thicken hair strands, and prevent dandruff formation.

Supports the natural structure of hair, giving it a fuller and more vibrant appearance.

Aminexil Prevents hardening of hair roots, reducing hair loss. Maintains hair strand thickness and contributes to longer-lasting hair.

TTO (Tea Tree Oil) Cleanses the scalp with antibacterial and antifungal effects, creating a healthy environment for hair growth.

Climbazole Prevents fungal growth that causes dandruff, helping to relieve scalp flaking and itching.

Thyme Oil Soothes and refreshes the scalp with its natural antiseptic properties, revitalizing hair roots.

Sea Buckthorn Oil Moisturizes the scalp, nourishes hair strands, and helps maintain natural hair shine.

Vitamin E Protects hair roots from environmental damage with antioxidant properties and enhances hair vitality.

Rosemary Oil Supports blood circulation to hair roots, promoting hair growth.

Propopil Strengthens hair roots, helps reduce hair loss, and increases hair density.

Niacinamide Strengthens the scalp barrier, maintains moisture balance, and promotes a healthy hair structure.

Panthenol Moisturizes and softens hair strands, improving hair elasticity.

Wheat Oil Nourishes hair with natural vitamins and proteins, supporting repair of damaged hair.

With regular use, it helps reduce hair loss and supports healthy hair growth. Soothes the scalp, reducing itching and irritation.

How to Use

Massage onto wet hair, leave on for 2–3 minutes, then rinse thoroughly. Can be used daily or several times a week. Avoid contact with eyes.

TTO THERMAL CP Body Lotion

TTO
THERMAL

TTO Thermal CP Body Lotion, specially developed for strawberry leg appearance, ingrown hairs, and post-laser skin sensitivities, gently purifies the skin to reveal a smoother and more even-toned complexion.

Its powerful acid blend helps open pores, clear blockages, and restore the skin's natural radiance.

Thanks to its skin barrier, strengthening and intense moisturizing properties, regular use increases skin elasticity and reduces roughness. It provides soothing care for skin sensitive after laser hair removal.

How to Use

Apply to clean, dry skin, massaging especially into problematic areas.

Use daily. It is recommended to apply sunscreen before sun exposure.

Avoid contact with eyes.

Urea Helps maintain skin's moisture balance, preventing dryness and flakiness. Strengthens the skin barrier.

Retinol Supports skin cell renewal, evens skin tone, and promotes a smooth appearance.

Azelaic Acid With antibacterial and anti-inflammatory effects, targets redness, acne, and folliculitis. Reduces the appearance of pores.

Salicylic Acid Clears pores of blockages and gently removes dead skin cells. Helps reduce the appearance of strawberry legs.

Ammonium Lactate Acts as an exfoliant to gently renew skin and smooth skin texture.

Hyaluronic Acid Provides intense hydration, plumps the skin, and increases elasticity.

Centella Asiatica Soothes, repairs, and protects the skin against irritation. Ideal support for sensitive skin.

Tea Tree Oil Natural antibacterial properties help fight unwanted microorganisms and support skin cleansing.

Sea Buckthorn Oil Nourishes, softens, and provides soothing care to the skin.

Made in
Türkiye

Dermdex Spray, which protects against itching, redness, insect bites, acne, unidentified skin sensitivities, and environmental factors, makes your daily skincare routine easier. Its rich formula soothes the skin surface, reduces itching, and keeps the skin moisturized throughout the day.

Tea Tree Oil cleanses the skin of microorganisms with its natural antibacterial and antifungal properties, helping to reduce itching and irritation.

Ceramide strengthens the skin barrier, prevents moisture loss, and protects against external factors.

Centella Asiatica soothes and repairs the skin, providing effective support for inflammatory skin issues.

Lavender Oil calms the skin with its antiseptic and soothing effects, offering relief from insect bites and itching.

Hyaluronic Acid deeply moisturizes the skin, increases elasticity, and adds softness.

Zinc provides anti-inflammatory and soothing support for acne, eczema, and similar skin problems.

With its supportive formula against skin issues such as scabies, demodex, ticks, and mosquitoes, it can be safely used for both children and adults. It cares for the skin without disrupting its natural balance.

How to Use:

Spray onto clean, dry skin from a distance of 15–20 cm on the desired area. Gently spread if needed. No rinsing required. Recommended to use 2–3 times daily. Avoid contact with eyes.

Made in
Türkiye

It provides intensive care specially developed for dry, flaky, cracked, and lichenified skin. Its natural oil combination helps maintain the skin's moisture balance, softens, and creates a smooth appearance.

TTO cleanses the skin of microbes with its antibacterial and antifungal effects, supporting skin health.

Lavender Oil soothes sensitive and irritated skin, helping to reduce redness and itching.

Almond Oil deeply nourishes the skin, increases elasticity, and helps prevent dryness-related cracks.

Liquid Paraffin forms a protective layer on the skin, preventing transepidermal water loss and providing long-lasting moisture.

Regular use helps increase skin elasticity to prevent stretch marks that may occur during pregnancy. It provides soothing relief for dry skin conditions such as eczema.

How to Use

Apply to clean, dry skin, especially on dry areas, massaging in circular motions. Suitable for daily use. No rinsing required.

TTO THERMAL Liquid Soap

TTO
THERMAL

Made in
Türkiye

Provides cleansing support for eczema, psoriasis, and other dermatological conditions.

While aiding the treatment process, it protects the skin's natural structure and can be safely used in the daily cleansing routine.

How to Use

Apply gently to wet skin, lather, cleanse, and rinse off. When used regularly morning and evening, it provides a refreshing and clean feeling on the skin.

TTO Liquid Soap is specially formulated for acne prone, fungal-affected, or sensitive skin.

TTO (Tea Tree Oil) deeply purifies the skin with its antibacterial and antifungal properties. It helps soothe skin issues such as acne vulgaris, acne rosacea, and folliculitis.

Hyaluronic Acid prevents skin dryness with its intense moisturizing effect, strengthens the skin barrier, and increases elasticity.

Sea Buckthorn Oil nourishes, repairs, and supports skin renewal with its antioxidant properties.

TTO THERMAL GOLD NAIL Nail Solution

TTO
THERMAL

Made in
Türkiye

Gold Nail Nail Solution provides supportive care for issues such as thickening, yellowing, cracking, and deformities of the nails. With regular use, it helps you achieve healthier, stronger, and smoother nails.

How to Use

Apply 1–2 times daily to clean nail surfaces. Allow to dry without rinsing. Long-term use is recommended.

TTO with its high concentration provides strong antifungal and antibacterial effects that prevent infections on the nail surface. It helps protect nail health and prevent fungal growth.

Liquid Paraffin softens the nail and surrounding skin, preventing moisture loss and providing care.

Aluminum Chloride controls sweating, reduces fungal formation in moist environments, and contributes to protecting the nail plate and lowering infection risk.

TRX Spray is suitable for use on areas with intense sweating such as underarms, palms, and soles of the feet. With regular use, it reduces sweating and provides a fresh and dry feeling.

How to Use

Apply to clean, dry skin in the evening. It can be rinsed off in the morning. Use daily for the first week, then 2–3 times a week thereafter. Do not use on shaved or irritated skin.

Aluminum Chloride provides an effective solution for excessive sweating (hyperhidrosis). It regulates the activity of sweat glands to control perspiration. **TTO** reduces irritation and side effects caused by aluminum chloride on the skin. Its antibacterial properties help prevent body odor and soothe the skin.

Made in
Türkiye

TRX Roll-On is specially designed for daily use, especially in the underarm area. It provides effective care and comfort for individuals experiencing excessive sweating.

How to Use

Apply a thin layer to clean, dry underarms. Use daily for the first week, then 2-3 times per week thereafter. Avoid applying to shaved or irritated skin.

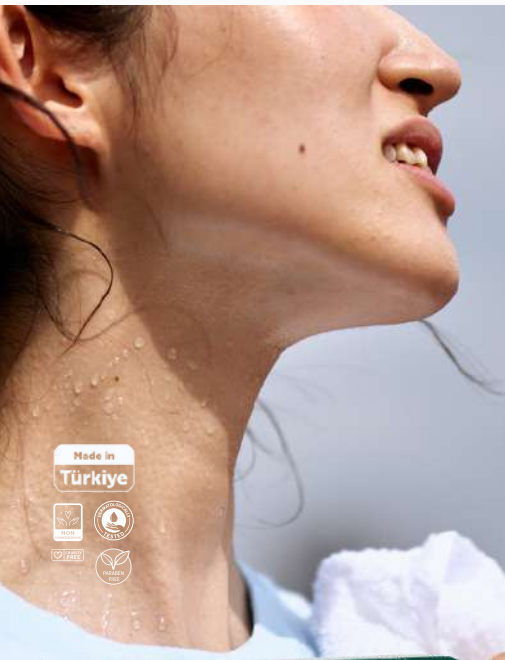

Aluminum Chloride provides an effective solution for hyperhidrosis (excessive sweating). It regulates the overactivity of sweat glands and reduces perspiration.

TTO reduces skin sensitivities caused by aluminum chloride. Its antibacterial effect helps prevent unpleasant odors. It soothes the skin and leaves a fresh, clean feeling.

TTO
THERMAL

Made in
Türkiye

With Urea and Hyaluronic Acid, it provides deep hydration your skin needs. Targeting dryness, sensitivity, and flakiness, it supports the skin's natural moisture barrier and leaves a silky-smooth touch.

Urea & Hyaluronic Acid Provides essential moisture and prevents water loss. Leaves the skin feeling smooth, soft, and silky.

Ceramide Strengthens the skin barrier and protects against external factors. Helps prevent dryness and sensitivity.

Tea Tree Oil & Sea Buckthorn Oil Support skin health with their antibacterial and soothing properties. Help reduce redness, irritation, and sensitivity.

Centella Asiatica Promotes skin regeneration and revitalizes the skin with its restorative effects.

Thanks to powerful ingredients like Ceramide and Centella Asiatica, it strengthens the skin barrier, helps prevent irritation, and supports skin renewal. Infused with Tea Tree Oil and Sea Buckthorn Oil, it offers a refreshing feel and natural protection to the skin. Its light, water-based formula absorbs quickly without leaving a greasy residue, making it ideal for daily use.

How to Use

Apply to clean, dry skin in the morning and/or evening. Gently massage into the areas in need using circular motions.

ÜRETTO

Lipo Body Lotion

TTO
THERMAL

It is a specially formulated oil-based lotion developed to deeply nourish and repair the skin with urea and rich botanical oils. It provides effective care especially for skin experiencing dryness, cracking, and sensitivity.

Made in
Türkiye

With its powerful active ingredients, it provides long-lasting hydration, protects the skin's natural barrier, and promotes a smooth appearance. Ideal for those seeking intense moisture and repair in their daily skincare routine.

How to Use

Apply to clean, dry skin in the morning and/or evening. Gently massage into the desired areas until fully absorbed.

Urea softens the hardened dead skin on the surface, increases moisture levels, and helps create a smooth skin texture.

Tea Tree Oil, with its antibacterial and antifungal effects, removes harmful microorganisms from the skin and supports a healthy skin structure.

Sea Buckthorn Oil nourishes and soothes the skin, moisturizes, reduces irritation, and strengthens the skin barrier.

Hyaluronic Acid traps moisture in the skin, providing plumpness and increasing elasticity.

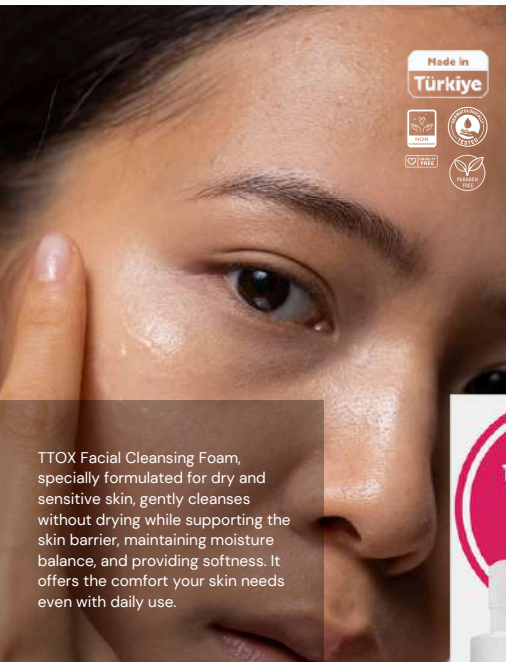

Centella Asiatica soothes the skin, supports repair, and helps reduce redness.

TTO X

Face Cleansing Foam- Dry Skin

TTO X
THERMAL

Made in
Türkiye

TTOX Facial Cleansing Foam, specially formulated for dry and sensitive skin, gently cleanses without drying while supporting the skin barrier, maintaining moisture balance, and providing softness. It offers the comfort your skin needs even with daily use.

Shea Butter provides intense moisture, soothes dryness, and improves skin elasticity.
Pentavitin is known for its long-lasting hydration, providing moisture effects for up to 72 hours.
Salicylic Acid gently cleanses the skin and helps keep pores clear.
Avocado Oil nourishes, softens, and repairs the skin with its rich vitamin content.
Centella Asiatica strengthens the skin barrier and helps reduce sensitivity.
Sea Buckthorn Oil protects the skin against free radicals and offers restorative effects.

To gently cleanse dry, dehydrated, and sensitive skin during daily cleansing routines without causing irritation; to support the skin's natural moisture balance, leaving it soft and comfortable. At the same time, to provide long-term care by strengthening the skin barrier with its active ingredients.

How to Use?

Use twice daily, morning and evening. Gently apply 2-3 pumps of foam onto damp skin. Massage in circular motions to cleanse your skin, then rinse thoroughly with lukewarm water.

TTO X Face Cleansing Foam- Sensitive Skin

TTO X
THERMAL

Made in
Türkiye

To gently cleanse sensitive and reactive skin types during daily cleansing without causing damage. At the same time, to support the skin barrier and moisturize with nourishing ingredients, helping the skin achieve a more resilient, healthy, and balanced appearance.

How to Use?

Use twice daily, morning and evening. Gently apply 2-3 pumps of foam onto damp skin. Massage in circular motions to cleanse your skin, then rinse thoroughly with lukewarm water.

TTO X Facial Cleansing Foam, specially developed for sensitive, redness-prone, and environmentally vulnerable skin; gently cleanses without stressing the skin while protecting and supporting the skin barrier. Its skin-friendly formula offers maximum comfort with daily use.

Prebiotic Complex supports the skin microbiota and strengthens the skin's natural protective barrier.

Avocado Oil deeply nourishes, softens, and soothes the skin.

Centella Asiatica helps reduce redness and sensitivity, calming the skin.

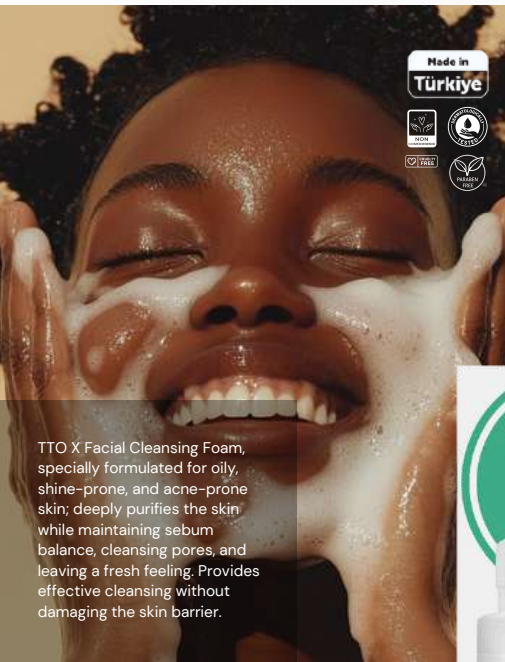

Collagen increases skin elasticity, promoting a healthy and vibrant appearance.

Hyaluronic Acid provides intense hydration, helping the skin stay plump and smooth.

TTO X Face Cleansing Foam- Oily Skin

TTO X
THERMAL

Made in
Türkiye

TTO X Facial Cleansing Foam, specially formulated for oily, shine-prone, and acne-prone skin; deeply purifies the skin while maintaining sebum balance, cleansing pores, and leaving a fresh feeling. Provides effective cleansing without damaging the skin barrier.

Azelaic Acid reduces the appearance of pores, balances sebum production, and evens out skin tone. **Salicylic Acid** penetrates pores to help prevent blackheads and acne formation.

Avocado Oil softens and nourishes the skin against cleansing effects. **Tea Tree Oil** fights acne with its antibacterial properties.

Centella Asiatica soothes the skin and reduces redness.

Collagen supports skin elasticity, giving a vibrant appearance.

Hyaluronic Acid moisturizes the skin without leaving an oily feeling and helps maintain moisture balance.

To gently yet effectively cleanse oily and acne-prone skin daily; control excess sebum while cleansing pores to reveal a purified, balanced complexion. At the same time, support a healthy skin barrier without disrupting the skin's moisture balance.

How to Use

Use twice daily, morning and evening. Gently apply 2-3 pumps of foam onto damp skin.

Massage in circular motions to cleanse your skin. Rinse thoroughly with lukewarm water.

TTO X Children's Toothpaste

TTO X
THERMAL

Made in
Türkiye

To make children's teeth cleaning fun while protecting oral health, encouraging the habit of brushing teeth, and providing natural protection with clove oil.

How to Use

It is recommended to use twice daily, morning and evening. Apply a pea-sized amount of toothpaste on the toothbrush.

For children under 6 years old, use under adult supervision.

TTO X Children's Toothpaste is specially formulated for children's sensitive oral care needs. With its strawberry flavor, it makes brushing enjoyable while providing natural protection for teeth and gums thanks to the clove oil it contains. Suitable for daily use and fluoride-free.

Clove Oil supports gum health and protects the oral cavity with its natural antiseptic properties.

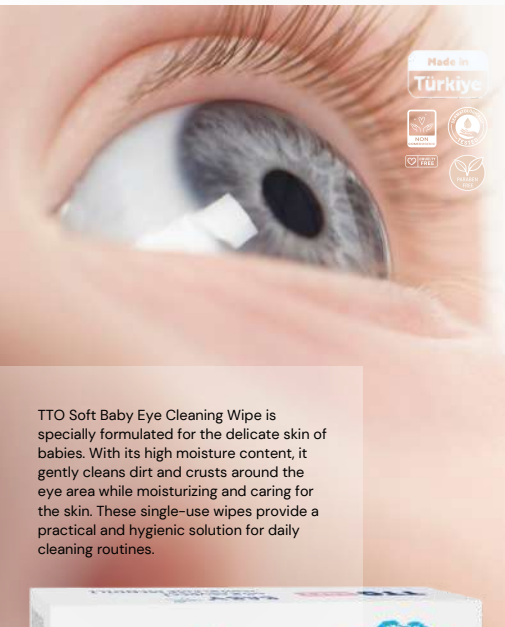

Strawberry Flavor provides a sweet and fun brushing experience that children will love.

Fluoride-Free Formula ensures safe use for children, causing no concern even if swallowed.

TTO SOFT

Eye Contour Cleansing Foam

TTO SOFT

Made in
Türkiye

TTO Soft Baby Eye Cleaning Wipe is specially formulated for the delicate skin of babies. With its high moisture content, it gently cleans dirt and crusts around the eye area while moisturizing and caring for the skin. These single-use wipes provide a practical and hygienic solution for daily cleaning routines.

To gently cleanse and moisturize babies' sensitive eye area while protecting the skin barrier. Designed for daily use to provide convenience and enhance babies' comfort.

How to Use?

You can use it daily to gently clean your baby's eye area. Use a new disposable wipe each time for cleaning around the eyes. No rinsing is required after use.

Chamomile Oil soothes and calms the skin.

Vitamin E protects and nourishes the skin against free radicals.

D-Panthenol helps maintain skin's moisture balance and provides softness.

TTO SOFT Foaming Hair and Body Shampoo

TTO SOFT

TTO Soft Baby Foaming Hair and Body Shampoo is specially formulated for babies' sensitive skin and hair. It gently cleanses while nourishing the skin and scalp with its natural ingredients, helping to maintain moisture balance. Its tear-free formula makes it safe for use from birth onward.

Tea Tree Oil protects and cleanses the skin with its natural antiseptic properties.

Chamomile Oil soothes the skin and helps prevent irritation.

Glycerin moisturizes and softens the skin.

Panthenol supports skin and hair health while maintaining moisture balance.

Vitamin E protects and nourishes the skin against free radicals.

To gently cleanse babies' sensitive skin and hair, provide care with natural ingredients, and protect the skin barrier. Ensures safe and effective cleansing for daily use.

How to Use?

Wet your baby's hair and skin with warm water. Take an adequate amount of shampoo into your palm or a washcloth.

Gently massage the foam onto your baby's hair and skin.

Rinse thoroughly until all foam is removed.

TTO SOFT Foaming Soap

TTO SOFT

TTO Soft Baby Foaming Soap is specially formulated with a gentle formula for sensitive baby skin, making it safe for daily cleansing routines. Its foaming texture allows for easy application and quick rinsing. Thanks to its natural ingredients, it cleanses without irritating the baby's skin while providing moisture and leaving a soft, gentle feel.

Tea Tree Oil gently cleanses your baby's skin with its natural antibacterial properties and helps protect against microbial growth.

Chamomile Oil soothes the skin, reducing irritation, redness, and sensitivity, providing a refreshing touch to your baby's skin.

Vitamin E strengthens the skin barrier, locks in moisture, and protects the skin from external factors.

Suitable for use on all babies from newborns onward. Its tear-free formula provides a pleasant and gentle cleansing experience for both babies and mothers.

How to Use?

Take a small amount of foam into your palm and gently apply it to your baby's wet skin. Rinse thoroughly with water afterward. Avoid contact with the eyes.

TTO Soft Baby Shampoo is specially formulated for babies' sensitive scalp and fine hair. Thanks to its natural ingredients, it gently cleanses the hair while preventing moisture loss, providing a soft and nourishing care.

Tea Tree Oil naturally cleanses your baby's scalp with its antibacterial properties and helps prevent irritation.

Chamomile Oil soothes and calms the scalp, reducing redness that may occur on sensitive skin.

Glycerin softens hair, making it easier to comb while maintaining moisture balance and protecting against dryness.

Panthenol deeply moisturizes the hair and scalp, strengthens hair strands, and supports healthy hair growth.

Its tear-free formula and soothing effect transform your baby's bath into a comfortable ritual. Safe for use from newborns onward.

How to Use?

Apply an adequate amount to wet hair, gently lather, and then rinse thoroughly with water. Avoid contact with the eyes.

ÜRETTO

It leaves a soothing effect on the skin and provides protective care.

How to Use?

Gently apply the foam to the external genital area and massage to cleanse. No rinsing is required. Then, continue with your daily care routine.

TTO Thermal Intimate Foam is specially formulated for cleansing the external genital area, featuring a fragrance-free and natural ingredient blend. Enriched with thermal water, it gently cleanses while moisturizing and soothing the skin. Suitable for daily use, it helps maintain the skin's natural pH balance and provides a refreshing feeling.

Thermal Water soothes the skin, moisturizes, and maintains pH balance.

Tea Tree Oil exhibits antibacterial properties, purifies, and soothes the skin.

TTO THERMAL Intim Cleansing Wipes

TTO
THERMAL

Made in
Türkiye

It protects and balances your skin, making it ideal for daily use.

How to Use?

Gently apply the wipe to clean skin using circular motions. No rinsing is needed. Complete your care routine with a moisturizer afterward. Suitable for daily use.

Thermal Water soothes the skin, moisturizes, and maintains pH balance.

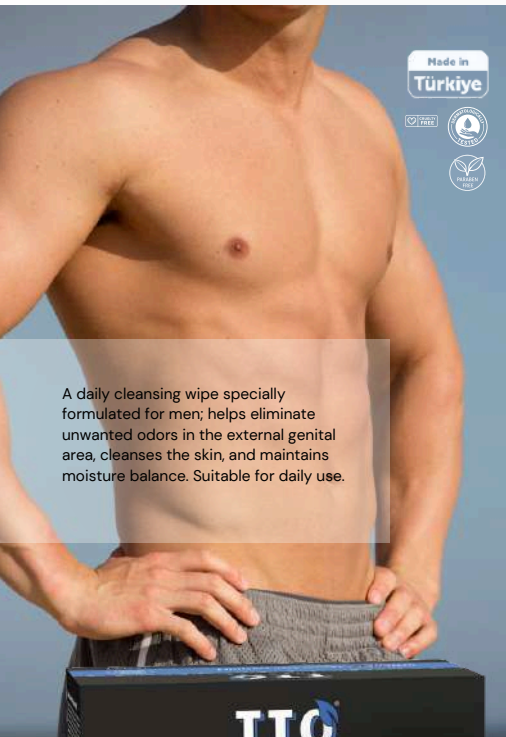

Tea Tree Oil has antibacterial properties, purifies, and soothes the skin.

TTO Thermal Intimate Wipes are specially formulated for cleansing the external genital area, featuring a fragrance-free and natural ingredient composition. They gently cleanse while maintaining the skin's pH balance and provide a refreshing feeling. Enriched with thermal water, they purify, moisturize, and soothe the skin.

TTO THERMAL

IntiMen Cleansing Wipes

A daily cleansing wipe specially formulated for men; helps eliminate unwanted odors in the external genital area, cleanses the skin, and maintains moisture balance. Suitable for daily use.

Made in
Türkiye

Thanks to its skin-compatible formula, it cleanses without causing irritation; enriched with Tocopherol (Vitamin E), Glycerin, and botanical extracts, it soothes and cares for the area. The Lactic Acid content helps maintain the natural pH balance of the external genital area.

It offers a practical solution for hygiene anytime and anywhere. Safe to use after sports, during travel, or whenever daily cleansing is needed.

How to Use?

Remove the wipe from the packaging and gently cleanse the external genital area. No rinsing is required. Can be used 1-2 times daily or as needed.

Tea Tree Oil With its antibacterial and antifungal properties, it deeply cleanses the external genital area and provides protection against infections.

Tocopherol Soothes the skin and offers care by fighting free radicals.

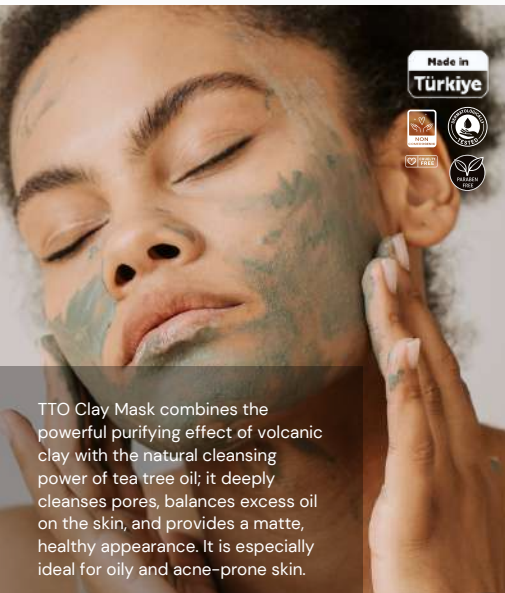

Glycerin Maintains skin moisture, reducing the risk of dryness and irritation.

Lactic Acid Helps maintain pH balance and provides gentle cleansing specially suited for the external genital area.

TTO THERMAL Clay Mask

TTO
THERMAL

TTO Clay Mask combines the powerful purifying effect of volcanic clay with the natural cleansing power of tea tree oil; it deeply cleanses pores, balances excess oil on the skin, and provides a matte, healthy appearance. It is especially ideal for oily and acne-prone skin.

Made in
Türkiye

To cleanse excess oil and impurities from the skin, reduce the appearance of pores, and leave the skin feeling fresh and smooth.

How to Use?

Apply a thin layer to clean skin, avoiding the eye and lip areas. Leave on for 10-15 minutes, then gently rinse off with lukewarm water. Use 1-2 times a week for best results.

Volcanic Clay absorbs dirt, oil, and toxins accumulated in pores, helping the skin to breathe.

Tea Tree Oil purifies the skin with its antibacterial effect and helps prevent acne and blackhead formation.

TTO CLINIC Makeup Remover Wipes

Purifies the skin, moisturizes, and leaves a refreshing feeling.

How to Use?

Apply a thin layer evenly over clean skin, avoiding the eye and lip areas. Leave on for 10-15 minutes, then gently rinse off with lukewarm water. Use 1-2 times a week for best results.

Tea Tree Oil purifies the skin with its antibacterial properties and provides a refreshing sensation.

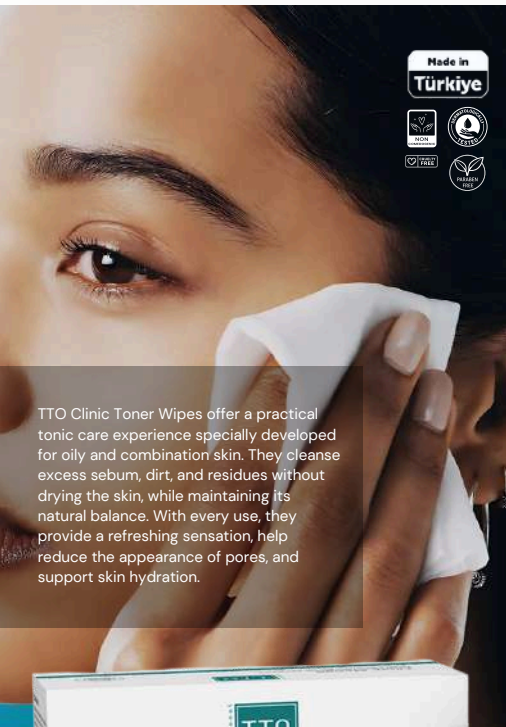

Aloe Vera Gel moisturizes, soothes, and helps protect against irritation.

Sea Buckthorn Oil nourishes and strengthens the skin barrier.

Centella Asiatica soothes the skin and supports its repair.

TTO Clinic Makeup Removing Wipes gently cleanse away makeup, dirt, and impurities accumulated throughout the day without drying out your skin. Enriched with carefully selected active ingredients, they provide both cleansing and care for your skin. With their practical use, they are set to become an essential part of your daily skincare routine!

TTO Clinic Toner Wipes offer a practical tonic care experience specially developed for oily and combination skin. They cleanse excess sebum, dirt, and residues without drying the skin, while maintaining its natural balance. With every use, they provide a refreshing sensation, help reduce the appearance of pores, and support skin hydration.

Cleanses and tightens pores, promoting a purified skin appearance. Ideal for quick and effective daily care.

How to Use?

Gently apply the wipe to clean skin using circular motions. No rinsing required. Afterwards, complete your skincare routine with a moisturizer. Suitable for daily use.

Aloe Vera Gel soothes, moisturizes, and provides a refreshing sensation to the skin.

Tea Tree Oil purifies the skin with its antibacterial effect and is effective against acne formation.

Sea Buckthorn Oil nourishes and offers restorative care.

Glycolic Acid gently exfoliates dead skin cells and supports skin renewal.

Salicylic Acid cleanses pores and is effective against blackheads and acne.

Centella Asiatica soothes the skin and strengthens its barrier.

Copper Tripeptide-1 supports skin regeneration and promotes a healthy appearance.

Inulin balances the skin flora, protecting and strengthening the skin.

Collagen increases skin elasticity, offering a firmer appearance.

Rose Yeast adds vitality and provides natural radiance to the skin.

TTO THERMAL SPF 50+ Sunscreen Stick

TTO
THERMAL

Made in
Türkiye

TTO Thermal SPF 50+ Sunscreen Stick provides high-level protection against UVA and UVB rays, and its practical stick form allows for easy reapplication throughout the day. With its lightweight, comfortable texture that leaves no white residue, it offers a reliable shield against the harmful effects of the sun.

SPF 50+ Broad Spectrum Protection

Provides high-level defense against both UVA (aging) and UVB (burn) rays.

Stick Form Portable, easy to apply, and practical—ideal for an active lifestyle.

Thermal Water Content Moisturizes and soothes the skin.

Skin-Friendly Formula Non-comedogenic and leaves no greasy feeling.

Can Be Applied Over Makeup Allows easy touch-ups throughout the day.

Effectively protects the skin against harmful UVA/UVB rays from the sun while providing ease of use to support the habit of daily protection throughout the day. Offers comfortable protection with the support of thermal water, especially for sensitive and delicate skin.

How to Use?

Apply the stick directly to clean skin 15-20 minutes before sun exposure. Reapply after sweating, swimming, or towel drying.

TTO CLINIC

SPF 50+ Sunscreen Lotion

TTO Clinic Sunscreen Lotion not only provides a strong shield against the harmful effects of the sun but also delivers moisture, protection, and repair to the skin with its rich active ingredients. Its lightweight texture is easily absorbed by the skin, leaves no white residue, and offers a refreshing feeling throughout the day.

Made in
Türkiye

To protect the skin against UVA/UVB rays with high-level defense while providing moisture and care to support a healthy skin appearance.

How to Use?

Apply a sufficient amount to clean, dry skin 15-20 minutes before sun exposure.

Reapply especially after swimming, sweating, or towel drying. Suitable for daily use.

Hyaluronic Acid Complex helps maintain the skin's moisture balance, providing a plump and healthy appearance. **Tea Tree Oil** soothes the skin and offers protection against environmental factors with its antibacterial properties.

Provitamin B5 moisturizes and softens the skin while supporting protection against irritation caused by sun exposure.

Vitamin E is a powerful antioxidant that protects the skin from free radicals and helps delay signs of aging. **Collagen** supports skin elasticity, promoting a firm and vibrant look.

TTO CLINIC SPF 50+ Tinted Sunscreen

Effectively protects the skin against UVA/UVB rays while its tinted formula evens out skin tone and imparts a radiant appearance. Provides hydration and care to support a healthy, balanced skin look.

How to Use?

Apply evenly to clean, dry skin 15–20 minutes before sun exposure. Reapply especially after swimming, sweating, or towel drying. Suitable for daily use.

TTO Clinic Tinted Sunscreen not only provides high SPF 50 protection but also evens out skin tone, moisturizes, and enhances the skin's natural radiance. Its lightweight formula absorbs easily, feels weightless on the skin, and offers comfortable wear throughout the day.

Niacinamide evens skin tone, reduces the appearance of pores, and strengthens the skin barrier.

Arbutin helps prevent the formation of dark spots and brightens the skin.

Centella Asiatica soothes the skin, supporting the reduction of redness and irritation.

Tea Tree Oil protects the skin with its antibacterial properties and is effective against acne formation.

Sea Buckthorn Oil nourishes, repairs, and protects the skin from environmental factors.

TTO CLINIC

SPF 50+ Sunscreen

Made in
Türkiye

TTO Clinic Sunscreen, with its high SPF 50+ protection, effectively shields your skin from UVA/UVB rays while supporting moisture balance, soothing, and promoting a healthy appearance. Its lightweight formula absorbs easily, feels weightless on the skin, and provides comfortable wear throughout the day.

Niacinamide evens skin tone, reduces the appearance of pores, and strengthens the skin barrier.

Hyaluronic Acid provides intense hydration, making the skin smooth and plump.

Pentavitin offers long-lasting moisture, leaving a lasting soft feeling on the skin.

Centella Asiatica soothes the skin and helps reduce redness and sensitivity.

Tea Tree Oil protects the skin with its antibacterial properties and is effective against acne formation.

Sea Buckthorn Oil nourishes, repairs, and protects the skin against free radicals.

Its anti-spot formula helps prevent sun-induced dark spots and evens out skin tone. It moisturizes the skin while protecting it against environmental factors.

How to Use?

Apply evenly to clean, dry skin 15-20 minutes before sun exposure. Reapply especially after swimming, sweating, or towel drying. Suitable for daily use.

TTO X

Aloe Vera Lotion – After Sun Care

TTO X Aloe Vera Lotion is a plant-based care product specially developed for skin exposed to the sun and prone to sensitivity. Its lightweight and fast-absorbing formula provides a cooling and soothing effect on the skin. As a supportive part of dermatological care, it can be used in clinics, pharmacies, and professional skincare treatments.

TTO X Aloe Vera Lotion helps to reduce redness, sensitivity, and dryness in after-sun skin care.

How to Use?

On days with sun exposure, apply a thin layer to clean skin. Reapply as needed throughout the day. Suitable for use on both face and body.

Aloe Vera soothes post-sun sensitivity, cools, and moisturizes the skin. Panthenol increases the skin's moisture retention capacity and supports barrier repair.

Vitamin C provides antioxidant protection against free radicals and helps balance skin tone.

Tea Tree Oil offers natural protection against irritation and redness on the skin.

Sea Buckthorn Oil supports skin renewal and stands out with its soothing effect.

St. John's Wort Oil calms sun-related irritation and restores skin comfort.

Allantoin reduces skin roughness and provides softening and repairing effects.

TTO CLINIC Body Oils deeply moisturize the skin while also appealing to your senses with their aromatherapeutic effects. Enriched with Strawberry, Rose, and Chocolate scents, their special formula leaves your skin feeling silky smooth and pleasantly fragranced.

Ideal for dry and damaged skin. Its lightweight texture absorbs easily without leaving a greasy feeling. Suitable for daily use.

How to Use?

Apply an adequate amount to clean, dry skin and gently massage until fully absorbed.

Use morning and evening as part of your daily moisturizing care routine.

- **Provides intense hydration and nourishment to the skin.**
- **Offers a sensory care experience with its pleasant fragrance.**
- **Leaves the skin feeling soft and smooth.**

TTO X Hair Care Mask

TTO X
THERMAL

TTO X Hair Care Mask is specially formulated for damaged, dull, and hair prone to hair loss. It aims to strengthen hair roots, repair hair strands, and balance the scalp. It can be preferred as a complementary product in clinics, hair salons, and professional care routines.

Procapil, Caffeine, and Ginseng are effective against hair loss; they stimulate hair follicles and support blood circulation.

Keratin, Collagen, and Biotin repair hair strands, providing elasticity and strength.

Ceramide strengthens the hair's moisture barrier and protects against external factors.

Rosemary Oil, Wheat Oil, Argan Oil, and Coconut Oil nourish and moisturize hair, adding shine and softness.

Prebiotics support the scalp's microbiota, promoting a healthy scalp environment.

TTO X Hair Care Mask is specially formulated for damaged, dull, and thinning hair. It can be used as a supportive treatment alongside clinical and professional hair care applications. It supports scalp health and strengthens hair by improving its quality.

How to Use?

Apply to clean, damp hair and massage into the scalp.

Leave on for 5-10 minutes, then rinse thoroughly.

TTO CLINIC

Collagen Care Shampoo

TTO CLINIC Collagen Care Shampoo provides intensive care and protection for your hair. Its formula, enriched with collagen and keratin, strengthens hair strands while argan oil and vitamin complexes help maintain moisture balance, leaving hair shiny and healthy-looking. With regular use, your hair feels stronger, fuller, and more vibrant.

Made in
Türkiye

Collagen strengthens hair strands, increases elasticity, and helps prevent breakage. It contributes to a fuller and more voluminous hair appearance.

Keratin repairs hair structure, smooths hair, and reduces damage to split ends.

Argan Oil deeply nourishes hair, provides moisture, adds shine, and enhances softness.

Provitamin B5 maintains hair's moisture balance, strengthens strands, and soothes the scalp.

Vitamin C offers antioxidant protection, shielding hair roots from free radicals and supporting healthy hair growth.

Vitamins B3 and B6 nourish the scalp, improve blood circulation, and help keep hair follicles healthy.

The formula's provitamin B5, vitamin C, and vitamins B3-B6 nourish the scalp, supporting healthy hair growth and strengthening hair follicles. It increases your hair's resistance against daily stress and environmental factors, helping to repair damaged and fragile hair.

How to Use?

Gently massage onto wet hair and scalp. Work into a rich lather, then rinse thoroughly with plenty of water. Regular weekly use helps strengthen hair and promotes a healthy appearance.

TTO CLINIC Anti-Dandruff Shampoo

Tea Tree Oil prevents itching and dandruff on the scalp with its antimicrobial properties and soothes the skin.

Argan Oil intensely nourishes and moisturizes, softens hair, adds shine, and maintains scalp balance.

Biotin strengthens hair roots, helps reduce hair loss, and supports healthy hair growth.

Ginseng improves blood circulation in the scalp, strengthens hair follicles, and promotes healthier, more vibrant hair.

TTO CLINIC Anti-Dandruff Shampoo deeply cleanses the scalp with its special formula, reduces dandruff formation, and helps keep your hair healthy and strong. With regular use, it maintains the natural balance of your scalp, leaving a fresh and clean feeling.

How to Use?

Gently massage onto wet hair and scalp. Work into a rich lather, then rinse thoroughly with plenty of water. Regular use helps reduce dandruff appearance and supports a healthy scalp.

TTO CLINIC

Hair Vinegar & Tonic

TTO Clinic Hair Vinegar & Tonic revitalizes your hair without weighing it down, thanks to its special herbal formula. It purifies the scalp, softens hair strands, and adds freshness to your care routine, leaving your hair shiny and healthy-looking.

Rosemary Oil stimulates and revitalizes the scalp, supporting healthier hair growth.

Pelvetia Canaliculata protects the scalp with its antioxidant effects and enhances hair vitality.

Rubus Idaeus (Raspberry Extract) adds shine to the hair and provides a soft, voluminous feel.

Made in
Türkiye

Removes residue and excess oil accumulated on the scalp, allowing pores to breathe. Smooths hair strands, reduces frizz, and makes hair easier to comb.

How to Use?

After cleansing your hair, apply evenly to the entire hair and scalp. Leave on for a few minutes, then rinse thoroughly. It is recommended to use 2-3 times a week.

Purifies: Gently cleanses and refreshes the scalp.

Revitalizes: Energizes dull and lifeless hair.

Softens: Maintains the natural moisture balance of hair, leaving it soft.

Adds Shine: Gives hair a natural glow and healthy appearance.

TTO CLINIC Eyebrow & Eyelash Serum

Made in
Türkiye

It nourishes and strengthens eyebrows and eyelashes while preventing shedding and weakening. With regular use, it helps eyebrows and eyelashes grow healthily, providing a fuller and more vibrant appearance.

How to Use?

To apply, gently apply the serum to eyebrows and eyelashes using a clean brush. It is recommended to use twice a day, morning and evening. You can achieve maximum results with regular use.

TTO CLINIC Eyebrow & Eyelash Serum nourishes, strengthens, and volumizes your eyebrows and eyelashes with natural extracts and active ingredients in its content. Its formula containing Tea Tree Oil, Hyaluronic Acid, Sweet Almond Oil, Argan Oil, Castor Oil, Keratin, and Biotin nourishes your eyelashes and eyebrows, providing a healthier appearance.

Tea Tree Oil Nourishes hair follicles and provides a healthy growth environment.

Hyaluronic Acid Helps eyebrows and eyelashes become stronger and healthier with its moisturizing effect.

Sweet Almond Oil Helps soften and strengthen eyebrows and eyelashes.

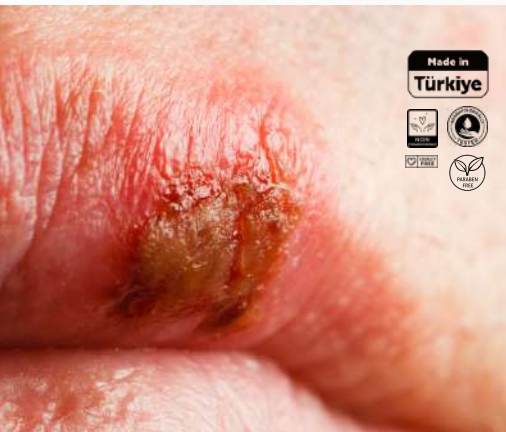

Argan Oil Maintains the moisture balance of eyebrows and eyelashes with its nourishing properties.

Castor Oil Supports the growth of eyebrows and eyelashes, promotes their healthy extension.

Keratin Strengthens the structure of eyebrows and eyelashes, makes them appear fuller and healthier.

Biotin Supports the healthy growth of eyebrows and eyelashes, prevents shedding.

Thanks to the natural antibacterial and antiviral properties of Tea Tree Oil, it targets sensitivities that may occur in the skin around the lips. Sea Buckthorn Oil, on the other hand, nourishes the skin, supporting the rapid healing and renewal process. This special care cream for the lip area protects the skin barrier and helps prevent recurring cold sore formations.

How to Use?

Apply a thin layer to clean and dry skin around the lips. Can be reapplied as needed throughout the day. For external use only. Avoid contact with eyes.

TTO THERMAL UX Cream is a special formula developed for use in cold sore formations on and around the lips. It contains a high percentage (10%) of Tea Tree Oil (TTO) and Sea Buckthorn Oil, known for its skin-repairing effect.

TTO Has natural antibacterial and antiviral properties. Helps eliminate microorganisms that can cause cold sore formation on the skin. It also cleanses the skin surface and supports the relief of the irritated area.
Sea Buckthorn Oil Nourishes the skin, renews it, and creates a protective barrier against external factors. It especially soothes the sensitized area around the lips after cold sores, maintains moisture balance, and helps the skin recover.
