JIANGSU GUOTAI GUOMIAN TRADING CO.,LTD.

Guotai Guomian

Provide customers with higher-quality and personalized products

Company Introduction

Pharmaceuticals & Chemicals

The company is a core member of the public company: Jiangsu Guotai International Group Co., Ltd. (GTIG, stock code#: 002091). GTIG was ranked the 332th among the Top 500 Enterprises in China in 2022.

Based on the core business of int'l trading for Apparel & Pharmaceuticals -Chemicals, the company is actively constructing the high quality global Supply Chain system and strives to become an integrated one-stop solution provider for global apparel, pharmaceuticals, veterinary drugs, argi-chemicals & fine chemical industries, from very beginning of R&D, production arrangement till commercial service. In 2023, the company's export volume exceeded us\$200 million.

The company's object is to try to help customers meet their full needs in the manufacturing process by a more economical and creative way and is committed to become a trusted expert of the integrated solutions for chemical & pharmaceutical manufacture.

Pharmaceuticals & Chemicals Division

Establishment: In the year of 1998.

Main business: Supply Chain Management (Int'l trading & Technical service)

Main products: APIs, Excipients, Intermediates, and Fine Chemicals.

Business Features:

Resource integration capability: The company has always been focusing on the integration of trade, manufacturing & technology. The company has established a wide range of strategic partnerships with various upstream and downstream customers, having a number of well-known pharmaceutical & chemical companies' authorized agency agreement of their hot products. The company has good channel advantages in Asia-Pacific, Latin America, Africa and Eastern Europe markets.

Technical service capability: Based on high technology and R&D innovation, the company has worked strategically with domestic research companies, labs & factories to provide customers with customized R&D and production services.

ACTIVE PHARMACEUTICAL INGREDIENTS

ANTIBIOTIC

Cephalosporins

| |
|-----------------------------------|
| Cefalexin compacted/ powder |
| Cefazolin Sodium Sterile |
| Cefepime HCl with Arginine |
| Cefoperazone Sodium |
| Cefotaxime Sodium |
| Ceftazidime with sodium carbonate |
| Ceftizoxime Sodium |
| Ceftriaxone Sodium sterile |

Penicillin

| |
|---|
| Amoxicillin powder/compact |
| Ampicillin powder/compact |
| Ampicillin Sodium & Sulbactam Sodium(2:1) |
| Oxacillin Sodium (buffered) |

β -lactamase Inhibitors

| |
|---|
| Aztreonam |
| Clavulanate potassium and silicon Dioxide 1:1 |
| Clavulanate Potassium-MCC (1:1) |

Macrolide Antibiotics

| |
|----------------------------|
| Azithromycin |
| Clarithromycin |
| Clindamycin Phosphate/ HCl |
| Lincomycin HCl |
| Rapamycin |
| Tiamulin Fumarate |
| Tilmicosin (Phosphate) |
| Tylosin tartrate |

Tetracycline Antibiotics

| |
|---------------------------|
| Doxycycline Hyclate |
| Oxytetracycline Base/ Hcl |
| Tetracycline HCl |

Sulfonamide Antibiotics

| |
|----------------------------|
| Phthalylsulfathiazole |
| Sulfadiazine (Sodium) |
| Sulfadimidine base/ Sodium |
| Sulfadoxine |
| Sulfaguanidine |
| Sulfathiazole |
| Trimethoprim |

Quinolones

| |
|--------------------------|
| Ciprofloxacin HCl |
| Enrofloxacin Base/ HCl |
| Levofloxacin Hemihydrate |
| Norfloxacin Base |

Polypeptides Antibiotics

| |
|-------------------|
| Bacitracin Zinc |
| Colistin sulphate |
| Vancomycin HCl |

Aminoglycoside Antibiotics

| |
|-------------------------------|
| Amikacin Sulfate |
| Gentamycin Sulphate |
| Neomycin sulphate |
| Spectinomycin Dihydrochloride |
| Tobramycin Sulphate |

Other Antibiotics

| |
|-----------------------------|
| Chloramphenicol (Levo & DL) |
| Florfenicol |
| Fosfomicin Sodium |
| Fusidic Acid (Sodium) |
| Metronidazole (Benzoate) |
| Mupirocin (Calcium) |
| Secnidazole |

ACTIVE PHARMACEUTICAL INGREDIENTS

| GLP-1 |
|--|
| Semaglutide / Salcaprozate Sodium (SNAC) |
| Tirzepatide |
| Liraglutide |

| Antiparasitic |
|-----------------------------|
| Albendazole |
| Amprolium Hcl |
| Diclazuril |
| Fenbendazole |
| Hydroxychloroquine Sulphate |
| Ivermectin |
| Levamisole HCl |
| Praziquantel |
| Spinosad |
| Tetramisole Hcl |
| Toltrazuril |

| Cardiovascular |
|-----------------------|
| Benazepril HCl |
| Candesartan Cilexetil |
| Captopril |
| Coccarboxylase |
| Enalapril Maleate |
| Ezetimibe |
| Guanfacine |
| Indapamide |
| Lisinopril |
| Losartan Potassium |
| Olmesartan Medoxomil |
| Rosuvastatin Calcium |
| Simvastatin |
| Valsartan |

| Gastrointestinal |
|------------------|
| Orlistat |
| Pancreatine |
| Sucralfate |
| Tegoprazan |

| CNS |
|--------------------------------------|
| Adenosine Triphosphate Disodium salt |
| Caffeine Anhydrous |
| Chlorpromazine Hcl |
| Citicoline sodium |
| GABA |
| Gabapentin |
| Levodopa |
| Methyldopa |
| Phenobarbital |
| Phenybut |
| Piracetam |
| Pregabalin |
| Quetiapine Fumarate |
| Topiramate |

| Antiviral |
|-----------|
| Acyclovir |
| Ribavirin |

| Anticancer |
|---------------------|
| Abiraterone Acetate |
| Azacitidine |
| Bortezomib |
| Decitabine |
| Enzalutamide |
| Fulvestrant |
| Gemcitabine HCl |
| Pemetrexed Disodium |

| Antidiabetics |
|-----------------------|
| Acarbose |
| Epalrestat |
| Gliclazide |
| Sitagliptin Phosphate |

| Diuretics |
|---------------------|
| Hydrochlorothiazide |
| Spironolactone |

ACTIVE PHARMACEUTICAL INGREDIENTS

| Antifungal |
|-------------------|
| Clotrimazole |
| Econazole Nitrate |
| Griseofulvin |
| Micafungin Sodium |
| Terbinafine HCl |

| Hormone |
|--------------------------------------|
| Dexamethasone base/ Sodium Phosphate |
| Epinephrine |
| Finasteride |
| Gestrinone |
| Hydrocortisone Acetate |
| Medroxyprogesterone Acetate |
| Prednisolone /Acetate |

| Immunodepressant |
|------------------|
| Cyclosporin |
| Febuxostat |
| Tacrolimus |

| NSAID |
|-------------------|
| Antipyrin |
| Diclofenac Sodium |
| Ibuprofen |
| Indomethacin |
| Paracetamol |
| Piroxicam |

| Others |
|----------------------|
| Alpha Chymotripsin |
| Borax |
| Diphenhydramine hcl |
| Ichthammol |
| Iron Dextran |
| Methenamine |
| Nafamostat |
| Oclatinib Maleate |
| Pimobendan |
| Povidone K-30/K-90 |
| Trilostane |
| Ursodeoxycholic Acid |

PACKAGING MATERIALS

| Aluminium Foil | |
|---|------------------------------------|
|  | (Various Size, color and printing) |

| Empty Capsules | |
|---|--|
|  | (Size:00,0,1,2,3,4 with various color) |

| Aluminium Caps | |
|---|----------------|
|  | (Various Size) |

| PVC Film | |
|---|------------------------------------|
|  | (Various Size, color and printing) |

EXCIPIENTS & ADDITIVES

| No. | Product name | No. | Product name |
|------|-------------------------------------|------|--------------------------------------|
| B001 | Acesulfame-K | B037 | Tween 80 |
| B002 | Aspartame | B038 | Potassium Citrate |
| B003 | Benzoic acid | B039 | Potassium sorbate |
| B004 | Benzoic Sodium | B040 | Resveratrol |
| B005 | Biotin | B041 | Sodium Ascorbate |
| B006 | Calcium Lactate | B042 | Sodium benzoate |
| B007 | Citric acid mono / anhydrous | B043 | Sodium bicarbonate |
| B008 | Coenzyme Q10 | B044 | Sodium Citrate |
| B009 | Corn starch | B045 | Sodium CMC |
| B010 | Dextrose Monohydrate / Anhydrous | B046 | Sodium EDTA |
| B011 | Dipotassium Phosphate (Anhy & Mono) | B047 | Sodium Erythorbate |
| B012 | DL-Aspartic acid | B048 | Sodium Hyaluronate |
| B013 | EDTA-2Na | B049 | Sodium Sacharine |
| B014 | Fish oil soft capsules | B050 | Sorbic acid |
| B015 | Folic acid | B051 | Sorbitol Solution |
| B016 | Gelatin | B052 | Soybean Isoflavone (20% & 40%, 98%) |
| B017 | Glycine | B053 | Stevioside |
| B018 | L(+)-Choline Bitartrate | B054 | Sucralose |
| B019 | Lactose (Mono) | B055 | Tartaric acid |
| B020 | L-Arginine Base (HCl) | B056 | Titanium dioxide |
| B021 | L-Cysteine | B057 | Tricalcium Phosphate |
| B022 | L-Cystine | B058 | Vanillin |
| B023 | L-Fumaric acid | B059 | Vitamin A |
| B024 | L-Isoleucine | B060 | Vitamin A Acetate |
| B025 | L-Leucine | B061 | Vitamin B1 HCl |
| B026 | L-Lysine HCl | B062 | Vitamin B2 |
| B027 | L-Ornithin-L-aspartate (LOLA) | B063 | Vitamin B6 |
| B028 | Lutein, (5% & 10% & 90%) | B064 | Vitamin B12 |
| B029 | Magnesium Stearate | B065 | Vitamin C (Powder & Coated) |
| B030 | Magnesium Tricillate | B066 | Vitamin D2 (crystal, powder, or oil) |
| B031 | MCC101, 102 | B067 | Vitamin D3 (crystal, powder, or oil) |
| B032 | Mono Potassium Phosphate (MKP) | B068 | Vitamin K1 (10% & 20% & 98%) |
| B033 | Monosodium Glutamate (MSG) | B069 | Vitamin K3 |
| B034 | N-Acetyl-L-Cysteine | B070 | Xanthan Gum |
| B035 | N-Acetyl-DL-Methionine | B071 | Xylitol |
| B036 | Nicotinamide | B072 | Zeaxanthin (5% & 10% & 20%) |

FINE CHEMICALS

| No. | Product name | No. | Product name |
|------|---|------|----------------------------------|
| C001 | 1 Fluoro Naphthalene | C035 | Dimethylol Proionic Acid |
| C002 | 1 Naphthol | C036 | Ethylene carbonate |
| C003 | 1,2,4-1H-Triazole | C037 | Fluorene |
| C004 | 1,4 Naphthoquinone | C038 | Fluoro Benzene |
| C005 | 1,5 Pentanediol | C039 | Hexamethyldisilazane |
| C006 | 1,6 Hexane Diol | C040 | Imidazole |
| C015 | 2 Chloro Phenol | C041 | Iso Butyric Acid |
| C007 | 2 Naphthol | C042 | Isovaleraldehyde |
| C018 | 2 Octanol | C043 | Maleic Anhydride |
| C008 | 2,3-Dichloro-5-(trifluoromethyl) Pyridine | C044 | Melamine |
| C009 | 2,4 Dichloro Phenol | C045 | N Butyric Acid |
| C010 | 2,4-Dichloro Benzyl Chloride | C046 | N-Heptane |
| C011 | 2,4-Dichloro Toluene | C047 | N-Hexane |
| C012 | 2,6-Dichloro Phenol | C048 | Ortho Chloro Benzoic Acid (OCBA) |
| C013 | 2,6-Dichloro Toluene | C049 | Ortho Chloro Benzotrile (OCBN) |
| C014 | 2-Chloro Benzyl Chloride | C050 | Ortho Chloro Toluene |
| C016 | 2-Methyl Imidazole | C051 | Para Chloro Benzaldehyde |
| C017 | 2-Methyl Tetrahydrofuran | C052 | Para Chloro Benzotrile (PCBN) |
| C019 | 3 Chloro 2 Methyl Aniline | C053 | Para Chloro Benzyl Cyanide |
| C020 | 3'-Chloro Propiophenone | C054 | Para Chloro Toluene |
| C021 | 3-Chloro Benzyl Chloride | C055 | Para Hydroxy Acetophenone |
| C022 | 3-Methyl-4-Nitro Benzoic Acid | C056 | Phenyl Hydrazine Hcl |
| C023 | 4 Chloro Phenol | C057 | R-(+)-Phenyl Ethyl Amine |
| C024 | 4 Chloro-2-Nitro Toluene | C058 | Salicylaldehyde |
| C025 | 4 Hydroxy Benzaldehyde | C059 | Sodium Borohydride |
| C026 | 8 Hydroxy Quinoline | C060 | Succinimide |
| C027 | Acetonitrile | C061 | Sulfamide |
| C028 | Acetophenone | C062 | Tetrahydrofuran (THF) |
| C029 | Chloro Acetone | C063 | Tetrahydrofurfuryl Alcohol |
| C030 | D/S Mandelic Acid | C064 | Thiophene |
| C031 | Decane | C065 | Triethyl Ortho Formate (TEOF) |
| C032 | Diethyl Carbonate | C066 | Trimethyl Ortho Acetate (TMOA) |
| C033 | Dimethyl Carbonate | C067 | Trimethyl Ortho Formate (TMOF) |
| C034 | Dimethyl Formamide | C068 | Triphosgene |
