

Cysturo junior

Intended for children with recurrent urinary tract infections!

A tasty drink with the unique properties of natural **herbal extracts** of **cranberry, horsetail, nettle and parsley**, enriched with **vitamin C**.

- Intended **for children** suffering from **recurrent urinary tract infections**.
- Suitable for children **older than 1 year**.
- Recommended **during antibiotic therapy**.
- Ideal for children who have **difficulty taking tablets and capsules**.

Cranberry helps prevent the adhesion of **pathogenic bacteria** to the walls of the **urinary tract**.

Nettle and **parsley** have **antibacterial** and **diuretic effects**

Horsetail helps **flush** the urinary tract.

Easy to use – taken once daily.
