

Supporting
Manufacturer
for **CDMOs**

dwf

GMFC Labs supports CDMO partners worldwide with advanced chemistry, integrated R&D and manufacturing with a commitment to quality, confidentiality and intellectual property protection.

OUR OFFERINGS

CDMO SERVICES

From Development to Commercial Manufacturing

SPECIALTY CHEMICALS

Precision Chemistry for Specialized Applications

CUSTOMER-SPECIFIC APIs

Your Innovation. Manufactured with Confidence.

OUR APPROACH

600 KL
Reactor Capacity

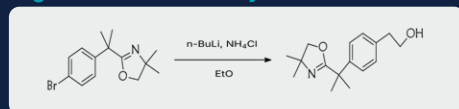

2
GMP Manufacturing Sites

2
R&D Centers

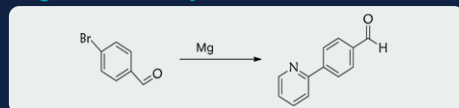

1150 KL
Expansion Scope

TYPE OF REACTIONS HANDLED

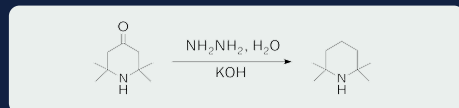

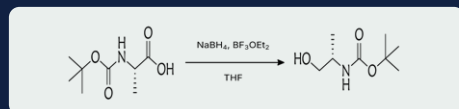

Organo lithium chemistry

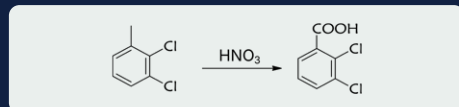

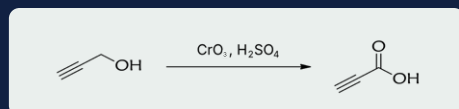

Grignard chemistry

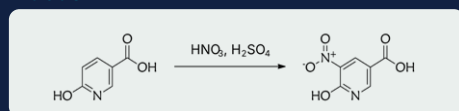

Reduction

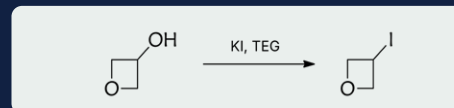

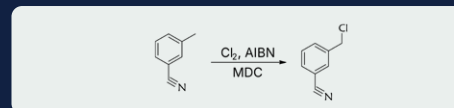

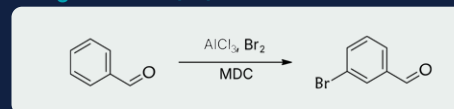

Oxidation

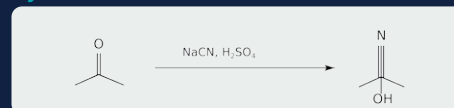

Nitration

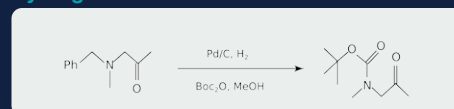

Halogenation (Br/Cl/I)

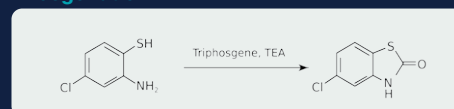

Cyanation

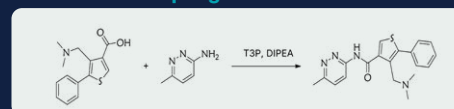

Hydrogenation

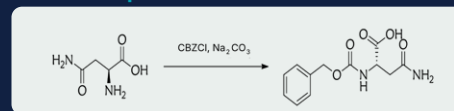

Phosgenation

Acid-Amine coupling

Amino acid protection

FACILITIES

UNIT -1
Capacity: **400KL**
Total Area: **36037 sqm**
Location: **Visakhapatnam, India**

UNIT -2
Capacity: **200KL**
Total Area: **20500sqm**
Location: **Visakhapatnam, India**

R&D CENTERS
INDIA
LOCATION: **HYDERABAD, INDIA**

JAPAN
LOCATION: **SAGAMIHARA, JAPAN**

ACCREDITATIONS

CDSCO (Indian FDA)
EU Written Confirmation

EDQM-CEP
Certificate of
Suitability – European
Pharmacopoeia

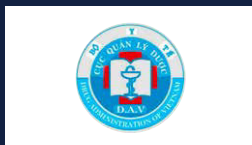

NMPA (China)
Product Registered

TFDA (Taiwan)
Product Registered

AFM (Japan)
Certification

VIETNAM

ISO 9001:2015
Quality Management
Systems Certification
