WHO GMP

ISO 9001 2015

API

- Our own portfolio
- Reliable supply
- Injectable grade
- CEP filed with EDQM

CMO

- Custom campaigns for you
- APIs and intermediates
- Your process and specification
- Full quality agreement

CDMO

- Independent R&D facility
- Route development
- Process optimisation
- End to end service

VISION

To become a knowledge-driven global pharmaceutical company with the highest level of operational excellence in all spheres.

MISSION

To grow as a company that stands for the highest levels of quality standards, innovation, customer service levels and commitments in its business.

PRODUCT PORTFOLIO

Six commercial APIs and eleven products in development, manufactured at our EU GMP certified facility at Cheyyar, Tamil Nadu.

Commercial products

#	PRODUCT	PHARMACOPOEIA	REGULATORY STATUS
ANTI-INFECTIVES - FLUOROQUINOLONES			
1	Levofloxacin Hemihydrate	IP · BP · USP · EP	CEP filed
2	Ofloxacin	IP · BP · USP · EP	CEP filed
3	Ciprofloxacin Hydrochloride	IP · BP · USP · EP	CEP under filing
4	Norfloxacin	IP · BP · USP · EP	CEP under filing
5	Moxifloxacin	IP · BP · USP · EP	CEP under filing
NEUROPROTECTANT			
6	Edaravone	IH · JP	CEP to be filed

INJECTABLE GRADE ACROSS THE PORTFOLIO

Our APIs can be manufactured to injectable-grade, non-sterile specifications on request, agreed product by product.

Pipeline products

PRODUCT	THERAPY AREA
Prucalopride Succinate	Gastrointestinal
Ketoconazole	Antifungal
Nicardipine HCL	Cardiovascular
Bisoprolol Fumarate	Cardiovascular
Apixaban	Miscellaneous
Rocuronium Bromide	Neuromuscular blocker

PRODUCT	THERAPY AREA
Vecuronium Bromide	Neuromuscular blocker
Atovaquone	Anti-infective
Vonoprazan	Gastrointestinal
Vildagliptin	Antidiabetic
Moxastine	Antihistamine

CEP - Certificate of Suitability to the monographs of the European Pharmacopoeia, issued by the EDQM. Further molecules are under development; the full development list is available on request. We also manufacture and develop APIs and intermediates under contract

UPCOMING PRODUCTS

Isavuconazonium sulfate
Hyoscine butylbromide
Fluconazole
Parecoxib sodium
Itraconazole
Cisatracurium besilate
Acetazolamide
Otilonium bromide
Fosphenytoin sodium
Furosemide

Spironolactone
Voriconazole
Atracurium besilate
Atropine sulfate
Empagliflozin
Clotrimazole
Miconazole
Pancuronium bromide
Procainamide hydrochloride
Neostigmine methylsulfate

Quetiapine fumarate
Clarithromycin
Roxithromycin
Dantrolene sodium
Clobazam
Fluphenazine decanoate
Tirofiban hydrochloride
Acepromazine maleate
Propentofylline
Trientine dihydrochloride

Active Pharmaceutical Ingredients CMO & CDMO Services

Factory Address:

Plot No. C-29B,
SIPCOT Industrial Complex,
Cheyyar Phase-II, Mathur,
Vembakkam, Tiruvannamalai,
Tamilnadu - 631 701, India.

Corporate / Registered Office:

#2A, Ganga Nagar,
4th Street, Kodambakkam,
Chennai 600 024,
India
