

KAIVEXIN[®]

Enoxaparin Sodium Inj. 20/40/60/80 mg

The Efficacious Enoxaparin

Sycure[®] AD Advantage

Innovative auto-disable system

- Prevents misuse of PFS
- Individual always receives the right dosage of Enoxaparin
- Ease of administration
- Helps to reduce human error

DMF grade API

Kaisha Lifesciences committed to provide world class medicines.
