

KOMTERO PROBIOTICS

Your Daily Balance - 30 Billion CFU Probiotic Complex

Support your gut, boost your immunity,
and enhance your well-being.

Each capsule delivers 30 billion live cultures from five probiotic strains designed to promote a balanced digestive system and a healthy immune response:

Bifidobacterium animalis

Enhances digestion and nutrient absorption

Bifidobacterium longum

Promotes a healthy gut environment

Lactobacillus rhamnosus

Supports gut and immune health

Lactobacillus acidophilus

Helps maintain intestinal balance

Lactobacillus casei

Assists in restoring beneficial bacteria

Formulated with a balanced dose of high-potency probiotic blend, each capsule is designed for daily use, ensuring optimal gut flora and overall health.

1 box contains 60 capsules.

Directions for use: Take one to two capsules daily.
