

MAGNESIUM+

Elevate Your Health with Magnesium+

Unlock the full potential of your well-being with Magnesium+, a premium food supplement meticulously formulated to support brain health, enhance sleep quality, promote relaxation, and bolster muscle function.

Each convenient sachet combines the power of Magtein® (magnesium L-threonate) with two other high-quality magnesium salts to deliver a comprehensive approach to overall health.

MAGTEIN®

MG CITRATE

MG MALATE

Brain Health

Magtein®, our exclusive form of magnesium L-threonate, is renowned for its ability to cross the blood-brain barrier, supporting cognitive function and memory. Enhance mental clarity and cognitive performance with this cutting-edge ingredient.

Enhanced Sleep

Struggling with restless nights? Magnesium+ helps regulate sleep patterns and promotes a restful night's sleep, allowing you to wake up refreshed and revitalized.

Relaxation

Experience a sense of calm and stress relief with the synergistic blend of magnesium salts. This formulation helps ease tension and fosters relaxation, making it easier to unwind after a busy day.

Muscle Health

Magnesium is essential for muscle function, and our supplement provides support for muscle recovery and overall strength. Perfect for athletes and active individuals looking to maintain peak performance.

Overall Health

Beyond its targeted benefits, Magnesium+ supports general well-being with its balanced magnesium profile. This essential mineral is crucial for numerous bodily functions, including energy production and cardiovascular health.

Convenient and Easy to Use:

Designed for your busy lifestyle, Magnesium+ comes in easy-to-use sachets that dissolve effortlessly in water. Enjoy a refreshing drink with each dose and effortlessly integrate this supplement into your daily routine.

Experience the Difference with Magnesium+

Empower your health journey with a supplement that blends science and convenience. Choose Magnesium+ for comprehensive support in brain health, sleep, relaxation, and muscle function. Elevate your well-being with every sachet.
