

MagSnooze

MagSnooze is a specially formulated supplement designed to enhance your quality of sleep.

Each sachet contains a blend of nutrients known for their calming and sleep-promoting properties, including Magtein® (L-threonate), Melatonin, and L-theanine.

Magtein® (L-threonate): Supports cognitive function and enhances memory. Magnesium plays a key role in maintaining overall brain health.

Melatonin: Helps regulate your sleep-wake cycle, promoting restful and uninterrupted sleep.

L-theanine: Induces relaxation and reduces stress, contributing to a more peaceful sleep experience.
