## CSR Initiatives

### MidasCare SwarnPrabha

Social Impact at MidasCare is about empowering our consumers, people and processes. Our key empowerment initiative is MidasCare SwarnPrabha. Created by a woman, for women, and of women, MidasCare SwarnPrabha recognizes the multiple roles a woman plays. It gives her the means to excel in every role and recognizes and celebrates her true potential to learn, earn and grow.

Over 1000 women are part of MidasCare SwarnPrabha and through them over 4000 people from their families.

Everyone gets an opportunity to make a difference in this world, few actually make it. We believe, we are privileged to be able to add value to life through everything we do, our products, our ideas, our innovations and our services. Its is our karma to care.

We are **MIDASCARE**

- Relispray decongestant spray is a natural nasal spray is used to treat dryness & blockage inside the nasal passages
- Unique herbal nasal decongestant spray with age old natural ingredients like basil, ginger, capsaicin, carom seeds, mint oil for instant & sustained effect

## Relispray AC

- Aceclofenac based pain relief spray
- Alternate therapy than routine diclofenac spray. In clinical studies Aceclofenac is proven to be more effective than Diclofenac in pain relief

## Relispray Benzocaine Topical Spray

- Benzocaine pain relief spray
- Fast pain relief & soothes minor cuts, scrapes, burns & sunburns
- Formulated with maximum strength 20% benzocaine
- Smart & easy application

# COOL DOWN BURNS INSTANTLY.

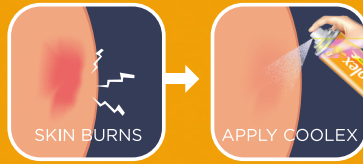

Minor burns can happen anytime in daily life. But you can get relief in no time, with burn relief spray - Coolex. Just spray it and feel the immediate soothing effect.

## How cool is it!

- 100% free from blister formation
- Works as an antiseptic
- Easy to use
- Soothes migraine pain too
- Even provides relief from insect bites, sores and rashes

## Effective on burns

- While cooking
- By bike silencer
- By crackers
- Other minor burns

# A BANDAGE THAT FEELS LIKE SECOND SKIN.

Cuts and wounds are such a common occurrence, but your bandage needn't be the common one. Use antiseptic spray bandage - Mistdress. It's way better than the regular gauze bandage.

## What's better!

- Waterproof, bacteria-proof
- Invisible spray bandage with antiseptic action
- Flexible like natural skin
- Easy to use

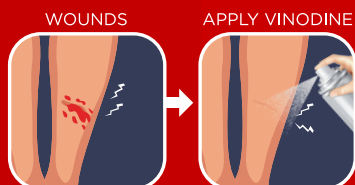

# BEST ANTISEPTIC SOLUTION

It doesn't take long for a cut or wound to catch an infection. Before that happens, use antiseptic germicidal spray - Vinodine. It prevents and treats infections in minor cuts and wounds effectively.

## Its plus points!

- Non-messy
- Easy to use
- Better than antiseptic liquids

## Prevention & treatment of topical wounds & infections.

### Vinodine Spray

- Vinodine is an antiseptic spray
- Easy & quick to apply (can be directly sprayed over wound), covers large area of application
- No chances of spillage as compared to solutions in bottles

### Vinodine Foam

- Vinodine is an antiseptic foam
- Suitable for application in rectal & vaginal areas
- Easy & quick to apply (can be directly sprayed over wound), covers large area of application
- No chances of spillage as compared to solutions in bottles application, no wastage as compared with povidone iodine preparations

### Vinodine Solution

- Vinodine is an antiseptic solution
- It treats and prevents skin infections in minor burns, lacerations (deep cut in the skin), cuts, and abrasions (the first layer of skin is scraped off)
