Concept Evolution of OneSSIP - A Medwise Innovation

At Medwise, innovation is our identity. Backed by a legacy in pharma manufacturing and global exports, we deliver smarter, safer, and more user-friendly healthcare for modern lifestyles.

To meet the rising demand for hygienic, portable, and compliant OTC medicines, we developed OneSSIP™—our flagship innovation in liquid oral medicine delivery.

OneSSIP™ is a single-dose liquid sachet system that makes health and wellness products easy to consume, carry, and trust. It delivers pharma-grade precision with lifestyle-friendly convenience.

More than a product, OneSSIP™ is a platform for smarter healthcare delivery. Backed by Medwise's expertise and global vision, it's innovation that makes a difference— OneSSIP™ at a time.

VS

	Syrup Bottle	OneSsip Sachet
 Accurate Dose	 Measured manually	 Pre-measured No guesswork
 Hygienic	 Risk of contamination from repeated handling	 Single-use pack No contamination
 Portability	 Bulky, breakable, Inconvenient for travel	 Pocket-size Easy to Carry Travel-Friendly
 Patient Compliance	 Some patients skip doses due to the hassle of measuring	 Easier for paediatric, geriatric use
 Storage & Stability	 Product degrades faster after bottle opening	 Individual sachets maintain stability longer
 Zero Wastage	 Prone to accidental spillage and wastage	 Minimal risk of spillage
 Convenience of Use	 Require spoon or cup, which can be messy	 Easy to tear and consume, no tools needed
 Shelf Space & Storage	 Needs more space and is heavier	 Compact storage in pharmacy or kit
 Appeal to Modern Users	 Viewed as traditional and outdated	 Seen as modern, premium, and patient-friendly
