

Pontis Technology

Your Bridge to Success

Pontis utilizes a wide range of front-end and back-end competencies to help companies build unique software and complex AI-enabled solutions.

ABOUT PONTIS TECHNOLOGY

Global presence:

We are a Croatian IT service company with offices in Croatia, Germany, and Bosnia and Herzegovina.

Serving clients across five continents, we collaborate with businesses in countries like the USA, UK, Germany, Switzerland, Japan, Australia, and Israel.

Part of a Global Group:

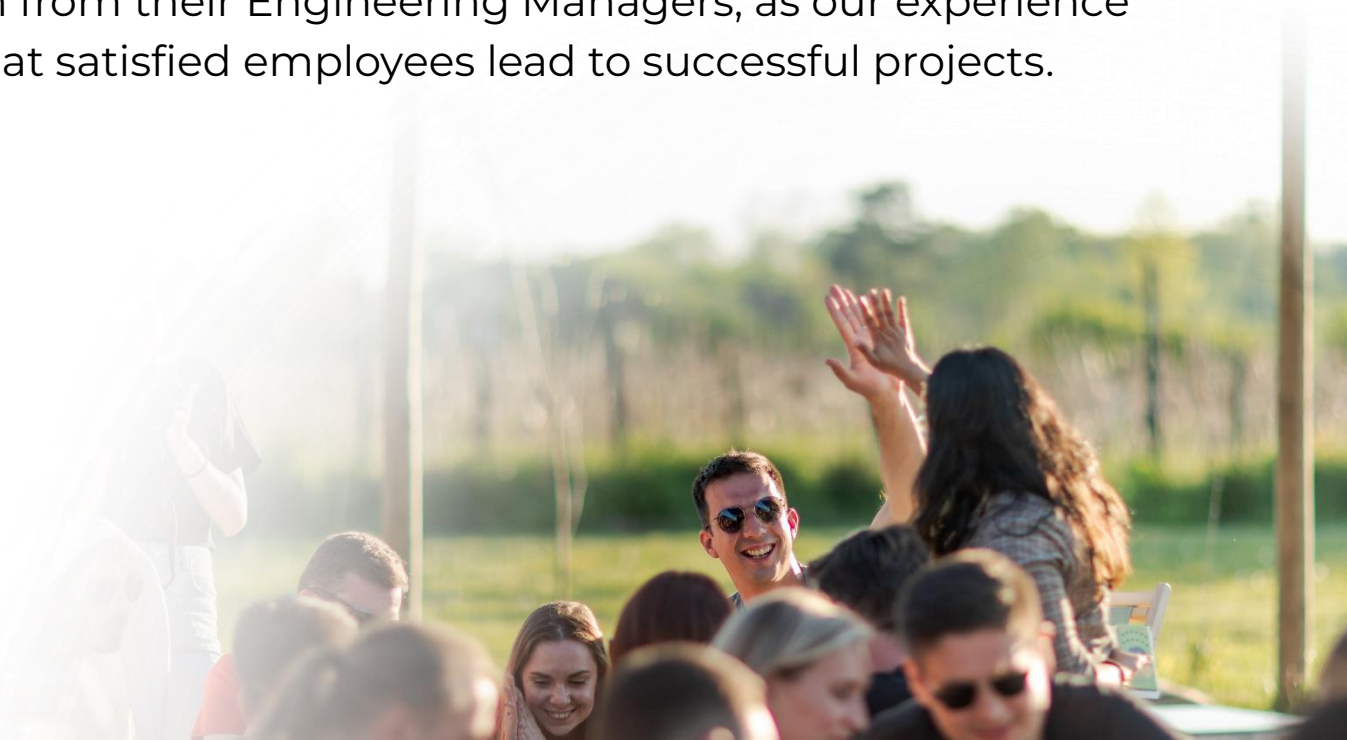

We are a part of the Bridgewest Group, a private investment firm, leveraging its international reach to deliver world-class IT solutions.

Our company consists of more than a 100

Back-End and Front-End Engineers, QA Testers, Data Engineers, Machine Learning Engineers, DevOps Engineers, UX/UI Designers, Project Managers and Technical Writers.

Rapid growth and satisfied employees:

Despite our rapid growth, each employee receives individual attention from their Engineering Managers, as our experience shows that satisfied employees lead to successful projects.

Power Platform // Power Apps // Power BI
Azure migration

INFRASTRUCTURE & DEVOPS

cloud // on-premise
continuous integration // deployment

PROJECT SPECIFICATION & MANAGEMENT

discovery workshops
project management // business analysis
scrum practices

WHAT OUR CLIENTS SAY ABOUT US

“ Pontis rewrote our automation testing from the ground up with professionalism and technical expertise. Their automated testing quickly identified integration issues, reducing manual intervention and allowing our team to focus on other projects.

ANDREJ PEŠA MATANOVIĆ
MANAGER, IT QA AND TESTING @ TEVA

“ Pontis quickly delivered highly skilled experts, ensuring a smooth and seamless process with their attention to detail, communication, and expertise. Their professionalism and dedication were unmatched, and I highly recommend them for any IT project, confident they'll exceed expectations as they did mine.

MIRKO GRBAVAC
TRIBE LEAD @ OTP HRVATSKA

WHY PONTIS: TALENT, SPEED, AND STRATEGIC ADVANTAGE

TOP TALENT & EXPERTISE: Our team consists of rigorously selected experts who work with the most modern technologies.

FAST & FLEXIBLE SCALING: We rapidly assign top talent, helping you avoid lengthy hiring processes and focus on your core products.

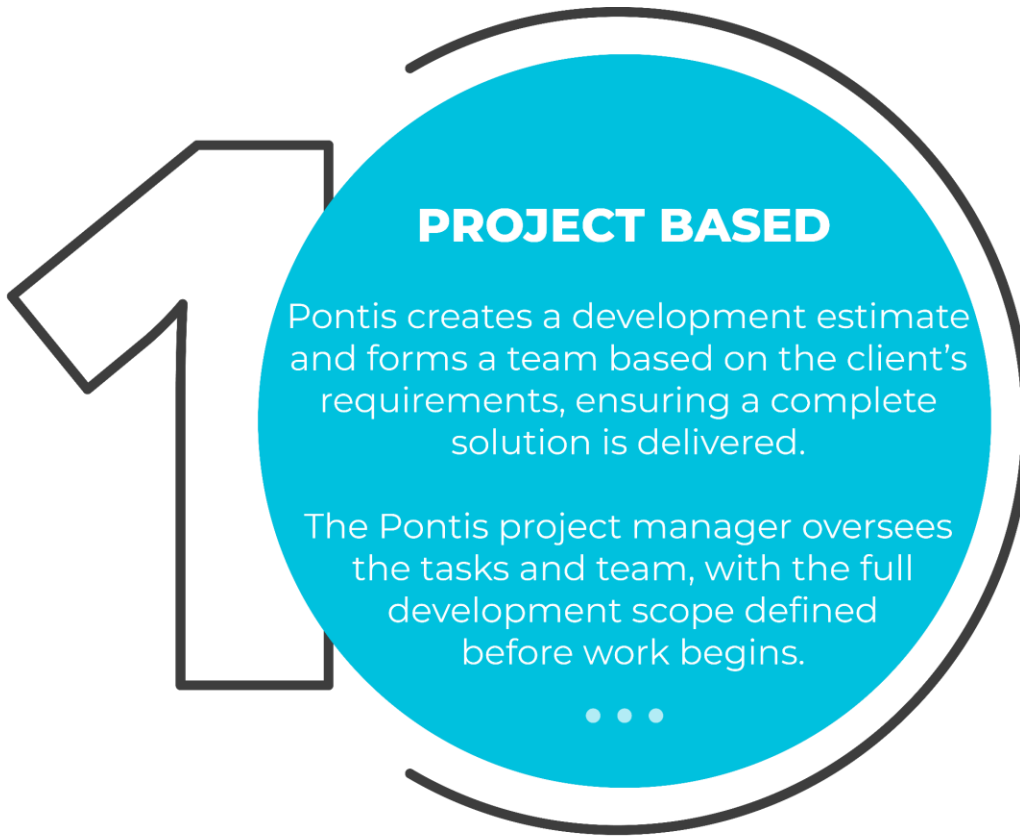

STRATEGIC LOCATION: Based in Croatia, an EU member, we're located within 3 hours of major European capitals, offering top IT skills above the EU average.

LONG-TERM PARTNERSHIPS: We build lasting relationships with clients, becoming trusted partners who reduce your management overhead.

COST-EFFECTIVE SOLUTIONS: Our location and talent allow us to provide high-quality IT services efficiently and competitively.

OUR TECHNICAL EXPERTISE CAN FIT ALL YOUR NEEDS

1

PROJECT BASED

Pontis creates a development estimate and forms a team based on the client's requirements, ensuring a complete solution is delivered.

The Pontis project manager oversees the tasks and team, with the full development scope defined before work begins.

This section features a large outline number '1' on the left. To its right is a large blue circle containing the text. The circle is partially enclosed by a black arc at the top and bottom. Three small white dots are centered at the bottom of the circle.

2

DEDICATED TEAMS

Pontis assigns a dedicated team of developers with relevant expertise, including a team lead as the client's point of contact.

Developers work full-time on client projects, with daily tasks assigned by the client's team, and any team changes are communicated.
