K.Sevantilal & Co, the flagship company of the Sevantilal Amabalal Group, was founded in the year 1947 by Mr. Sevantilal A. Shah as a family enterprise, specialising in Imports & Distribution of surgicals & bulk drugs.

Almost seven decades down the line, the group has steadily expanded its product portfolio, & currently is ranked amongst the top Importers-Distributors of Vitamins, Bulk Drugs, Carotenoids, Nutraceuticals, Food & Aroma chemicals in India.

Today, the group is headed under the able guidance of Mr. Ravi Shah, who has a vast & rich experience in the Industry.

The company has technically qualified personnel for promoting the latest molecules to its vast & ever expanding loyal & valued clientele, which includes all the leading local & multinational Pharmaceutical & nutraceutical formulators, manufacturers of food & Aroma chemicals.

The group has a strategically located office in the new upcoming business district of Lower Parel, & has its warehousing hub in the outskirts of the city at Bhiwandi, an area known for its well developed logistics network, reaching out to the farthest corners of the country.

The company looks forward to partnering with global manufacturers looking for establishing a distribution channel in India.
