Project Name	Indications	Discovery	PCC	IND	Phase I	Phase II	Phase III	NDA	Approval
Allisartan Isoproxil Tablets	Hypertension/CKD								
Enarodustat Tablets	Renal Anemia								
Alisartan Isoproxil and Amlodipine Tablets	Hypertension								
Fotagliptin Benzoate Tablets	Diabetes								
Sacubitril Allisartan Calcium Tablets	Hypertension								
SAL086	Chronic Heart Failure								
Allisartan Indapamide Sustained-Release Tablets	Hypertension								
SAL0130	Hypertension								
SAL0112	Diabetes/Obesity/NASH								
SAL0114	Antidepressant/AD Agitation								
SAL0119 (CHN & US)	Rheumatoid Arthritis								
SAL0120	Hypertension/IgA Nephropathy								
SAL0125	Diabetes/Obesity/NASH								
SAL0117	Ulcerative Colitis								
SAL0123	Chronic Heart Failure								
SAL0127	Thrombus								
SAL0118	Psoriasis								
Recombinant Teriparatide for Injection	Osteoporosis								
Teriparatide Injection	Osteoporosis								
SAL056	Osteoporosis								
SAL007 (CHN & US)	Chronic Heart Failure								
SAL003	Hypercholesterolemia								
SAL023	Osteoporosis								
SAL008 (CHN & EU)	Tumor								
SAL006	Tumor								
SAL012	Tumor								

World-leading Medical Devices

Project Name	Therapeutic Area	Preclinical Studies	FIM	Clinical Trials	Registration	Launch
Maurora Rapamycin Drug Eluting Vertebral Artery Stent	Neurology intervention					
LAMaxLAAC® Left Atrial Appendage Occlude System	Structural heart disease					
SaExten® Vena Cava Filter System	Peripheral vascular intervention					
Intracranial Balloon Dilation Catheter*	Neurology intervention					
Rapamycin Drug Eluting Coronary Balloon Catheter	Coronary intervention					
Rapamycin Drug Eluting Vertebral Artery Stent System (Intracranial Segment)	Neurological intervention					
Rapamycin Drug Eluting Peripheral Balloon Catheter	Peripheral vascular intervention					
GStream® Drug Eluting Peripheral Arterial Stent System	Peripheral vascular intervention					
Iliac Vein Stent System	Peripheral vascular intervention					
Peripheral Balloon Dilation Catheter*	Peripheral vascular intervention					
Peripheral High Pressure Balloon Dilation Catheter*	Peripheral vascular intervention					
Vena Cava Filter Recovery Device*	Peripheral vascular intervention
