women, in a *natural way*

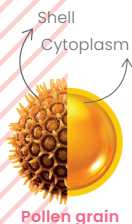

UPSA

CyTonin® Technology

Seed of life

Technology at the service
of a remarkable ingredient

Exclusive Proprietary Technology

Séréllys Pharma

Only the pollen cytoplasm is preserved, as it is a natural reservoir of many nutrients: CyTonin® Technology is used to remove the rigid and gastro-resistant shell of pollen grains

Pollen
Cytoplasm

We obtain

Purified and Specific Cytoplasm Extracts of Swedish Pollen

- ✓ Non-hormonal
- ✓ Free of phytoestrogens, non-estrogenic activity
- ✓ Contain many nutrients: Proteins, vitamins, amino acids, trace elements, fatty acids, etc.
- ✓ Highly bioavailable
- ✓ Pollen cytoplasm extraction in Sweden (from selected plants)

Different CYTONIN® complexes for different needs

In the case of pollen allergy, ask your doctor or pharmacist for advice
Document for professional use • Not for distribution

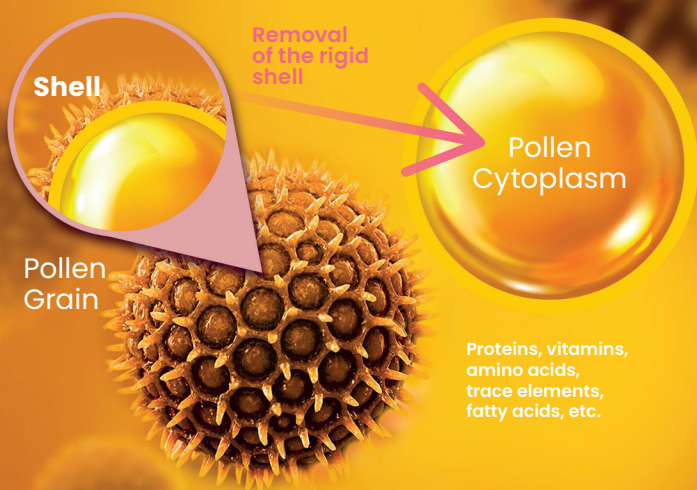

A "Seed of Life" technology

Pollen is the raw material
of CyTonin® Technology;

Rich in many nutrients,
cytoplasm extracts of Swedish pollen
are a "Seed of Life" for the body.

Non-Hormonal

Free of Phytoestrogens,
Non-Estrogenic Activity

Only the pollen cytoplasm is preserved,
as it is a natural reservoir of many nutrients
