

We care for you.

ABOUT US

Starpharma is one of the fastest-growing pharmaceutical companies in Poland EU.

Our mission is to improve and support health by creating and providing highest quality products at affordable prices.

We export our products to over 40 countries in Europe, Africa, Asia, and the Middle East.

What makes

different?

- Highest Quality confirmed by GMP certificate, ISO 22000 and ISO 13485
- Starpharma Brand and Private Label offer
- Competitive prices
- Short leadtime
- Over 350 ready formulations
- Experienced R&D team to develop new products fast
- Own production in Poland (EU)

WE PROVIDE

DEDICATED SUPPORT

Our service includes complete supervision of the project - from product formulation, text preparation, graphic design, production and, if necessary, logistics management.

We are very flexible and professionally support our partners throughout the entire product design and manufacturing process.

As a manufacturer of our own brands, we are aware of the latest trends and changes in legal regulations in the medical field.

Let us know your idea and we will make it happen.
