unique formulations around the globe.
Expanding business & providing affordable
healthcare has always been the core philosophy
of Swasthya Healthcare.

Our aim is to ensure better access of affordable
quality medicine.

With its headquarters located in India,
Swasthya Healthcare is a diversified
private company.

”

“
Imagine a world where life-saving medications fly across skies, crossing borders to reach those in need, like a superhero on a mission.

At Swasthya Healthcare, this isn't just a dream we make it happen! Whether it's a remote clinic or a bustling city, we ensure no one goes without the critical medicines they need.

From packaging to navigating customs, our team works tirelessly to deliver vital supplies safely and efficiently. So next time you see a plane overhead, remember it could be carrying medicine someone desperately needs, & we're proud to make that possible.

”

MRS. AARTI R. DESHPANDE
FOUNDER & CEO

“Mrs. Aarti Rajesh Deshpande, Founder and CEO of Swasthya Healthcare Pvt. Ltd., is a distinguished leader in the healthcare and pharmaceutical sector. With over 25 years of experience, she has represented India at various international pharmaceutical conclaves across more than 28 countries. Under her leadership, Swasthya Healthcare has successfully partnered with over numerous Indian and international manufacturers, facilitating the export of affordable generic medicines to 28 countries.

During the pandemic, she played a key role in leading the global distribution of life-saving medicines. Her strategic vision has expanded the company's global footprint with offices in Dubai, Singapore, and Guatemala, while significantly increasing revenue.

Mrs. Deshpande's remarkable achievements have earned her multiple accolades within the pharmaceutical industry.

”
